Our system is on a fiscal year so I have no way to run one report from January. The report prior to July 2017 has July 2016 - June 2017.

Dear Robert or Custodian of Public Records,

SmartProcure submitted an OPRA request on 2017-11-08 and has not received a response or acknowledgment, therefore the original request is being submitted again. If the original request is located, please disregard this request.

SmartProcure is submitting an OPRA request to the Freehold Township Elementary & Middle Schools for purchasing records from 2017-01-01 (yyyy-mm-dd) to current. The request is limited to readily available records without physically copying, scanning or printing paper documents. Any editable electronic document is acceptable.

The specific information requested from your record keeping system is:

1. Purchase order number. If purchase orders are not used a comparable substitute is acceptable, i.e., invoice, encumbrance, or check number
2. Purchase date
3. Line item details (Detailed description of the purchase)
4. Line item quantity
5. Line item price
6. Vendor ID number, name, address, contact person and their email address

If you would like to let me know what type of financial software you use, I may have report samples that help to determine how, or if, you are able to respond.

Please email the information or use the following web link. There is no file size limitation:

If this request was misrouted, please forward to the correct contact person and reply to this communication with the appropriate contact information.

If you have any questions, please feel free to respond to this email or I can be reached at 954-637-0742.
