Re: Response to OPRA Request 613-17

Dear Ask NJ Media:

As you are aware, earlier today you were provided with the Township of Weehawken's response to your OPRA request as listed above. Please be advised that a public body has a responsibility to safeguard a citizen's personal information when disclosure of that information would violate that citizen's right to privacy. Burnett v. County of Bergen, 198 N.J. 408, (2009). Phone numbers of the requesters have been redacted in accordance with OPRA's Personal Identifying Information Exemption. N.J.S.A. 47:1A-1.1 (16)

Thank you in advance for your kind consideration to this matter.

Very truly yours,

JOSEPH A. RUTIGLIANO, ESQ.
