Subject: Public records request - Permit report

Good Afternoon,

My name is Ariane Nelson with ORDR (Open Records Data Retrieval), you had helped me with my request for records last February and your time was appreciated. I am writing today to submit a new request for public records. To be specific, I'm looking for a copy of electronic records (nothing scanned or printed) containing all residential and commercial building and sub/trade (mechanical, electrical, plumbing, HVAC, etc.) permits issued from January 1, 2015 to present. (We ask for a slight overlap to make update status changes).

Back in February 2016, you provided me with PDF documents generated from your Mitchell Humphrey system containing this permit information. I have attached a sample of this document for reference. I would simply like to request an update for this same type of document with the same fields of descriptive data if it is available. If it is not available, we can accept any format as long as it contains the permit information.

If there are any fees associated with this request for electronic information, please provide a detailed invoice before providing any records. Please let me know if have any questions, or if there is someone else I can contact for this information. I thank you in advance for your help and I look forward to hearing back

From: ____ FOIA <foia@buildzoom.com>
Sent: Saturday, August 19, 2017 7:02 PM
To: Janice Hughes
Subject: Freedom of Information Act Request: Building Permit Records

To whom it may concern, I am writing to request permit records from Egg Harbor Township, New Jersey on behalf of Buildzoom. BuildZoom helps people hire the best local contractors, and we strive to give consumers a clear picture of contractors' track records. In particular, we post information on building permits pulled by every contractor online as a free service to the public. We do business in Egg Harbor Township and would like to provide the service to its residents. Can you please provide us with a report of all building permits processed by your department to date? Such reports typically: - Are referred to as a Permit Activity Report, a Permit Fee Log or a Monthly Permit Report. - Cover at least the last ten years. - Include all permits broadly related to work on new and existing structures, such as structural, electrical, plumbing, mechanical, demolition, solar, HVAC, and gas permits, as well as any other kind of permit related to construction, renovation and maintenance. - Contain (i) property address fields, (ii) permit type fields, (iii) a permit value or estimated job value, (iv) a permit status field and (v) dates associated with the permit, such as an application date, an issue date and an expiry date, as well as (vi) the details of the contractor(s) who performed the work and, of course, (vii) a description of the permitted work. We would like to request the records either via FTP or email delivery. An Excel or CSV format would be ideal, but a PDF or scanned file would also work. We intend to ask for this data regularly: monthly for the prior month. What do you recommend as the best process to acquire this data? Please feel free to email me or call Vidhan Agrawal, the Product Manager for our Data Platform at (415) 890-3706. We greatly appreciate your help and thank you in advance for your assistance!

Regards,
Claudine Anague

Topic: Notice of Claim
Subject: Abuse of power via fraud under guise of color of
authority
Memo: OPRA

Dear Clerk:

Please file and submit letter/compliant to City Counsel via
Attn: Mayor James J. 'Sonny' McCullough (R). It appears that
your staffs are abusing the position assigned and/or abandon
their positions by engaging in acts outside their official
capacity.

Please address matters immediately! As a natural person
your staff within the department of the court, they seem to deny
my human rights, constitutional provision, and/or civil
liberties. Specifically, those people are Egg Harbor Township
Judge and Claudia Perez.

Court personal (judge and clerk) are forcing me into court
prior to the time that under good faith in accordance with the
rule... especially since they are not even ready. Your court has
yet to prove jurisdiction.

I did this administration a favor by requesting the court
to reschedule my special appearance. I do not consent to my
case being prejudiced because of an abuse of power from this
administration. Enclosed is a motion (along with other
previously submitted in file) which further explains the harm
cause.

Rather, "the very language expressed in the privacy clause reveals its substantive nature; it does not offer reasons why OPRA was adopted, as preambles typically do; instead, it focuses on the law's implementation." "Specifically, it imposes an obligation on public agencies to protect against disclosure of personal information which would run contrary to reasonable privacy interests."

REQUEST FOR RECORDS UNDER THE COMMON LAW

If, in addition to requesting records under OPRA, you are also requesting the government records under the common law, please check the box below.

A public record under the common law is one required by law to be kept, or necessary to be kept in the discharge of a duty imposed by law, or directed by law to serve as a memorial and evidence of something written, said, or done, or a written memorial made by a public officer authorized to perform that function, or a writing filed in a public office. The elements essential to constitute a public record are that it be a written memorial, that it be made by a public officer, and that the officer be authorized by law to make it.

- ☐ Yes, I am also requesting the documents under common law.

If the information requested is a "public record" under common law and the requestor has a legally recognized interest in the subject matter contained in the material, then the material must be disclosed if the individual's right of access outweighs the State's interest in preventing disclosure.

Please set forth your interest in the subject matter contained in the requested material:

I AM PREPARING TO CONSTRUCT A SINGLE FAMILY HOME
AND THE CURRENT LINEAL FOOT FEE PLACE A HARDSHIP ON ME
AND MAKES BUILDING THE HOME COST PROHIBITIVE.

Note that any challenge to a denial of a request for records under the common law cannot be made to the Government Records Council, as the Government Records Council only has jurisdiction to adjudicate challenges to denials of OPRA requests. A challenge to the denial of access under the common law can be made by filing an action in Superior Court.

1. All government records are subject to public access under the Open Public Records Act ("OPRA"), unless specifically exempt.
2. A request for access to a government record under OPRA must be in writing, hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the appropriate custodian. N.J.S.A. 47:1A-5.g. The seven (7) business day response time does not commence until the records custodian receives the request form. If you submit the request form to any other officer or employee of the **Township of Egg Harbor**, that officer or employee must either forward the request to the appropriate custodian, or direct you to the appropriate custodian. N.J.S.A. 47:1A-5.h.
3. Requestors may submit requests anonymously. If you elect not to provide a name, address, or telephone number, or other means of contact, the custodian is not required to respond until you reappear before the custodian seeking a response to the original request.
4. The fees for duplication of a government record in printed form are listed on the front of this form. We will notify you of any special service charges or other additional charges authorized by State law or regulation before processing your request. Payment shall be made by cash, check or money order payable to the **Township of Egg Harbor**.
5. **You may be charged a 50% or other deposit when a request for copies exceeds \$25.** The **Township of Egg Harbor's** custodian will contact you and advise you of any deposit requirements. You agree to pay the balance due upon delivery of the records. Anonymous requests in excess of \$5.00 require a deposit of 100% of estimated fees.
6. Under OPRA, a custodian must deny access to a person who has been convicted of an indictable offense in New Jersey, any other state, or the United States, and who is seeking government records containing personal information pertaining to the person's victim or the victim's family. This includes anonymous requests for said information.
7. By law, the **Township of Egg Harbor** must notify you that it grants or denies a request for access to government records within seven (7) business days after the agency custodian of records receives the request. If the record requested is not currently available or is in storage, the custodian will advise you within seven (7) business days after receipt of the request when the record can be made available and the estimated cost for reproduction.
8. You may be denied access to a government record if your request would substantially disrupt agency operations and the custodian is unable to reach a reasonable solution with you.
9. If the **Township of Egg Harbor** is unable to comply with your request for access to a government record, the custodian will indicate the reasons for denial on the request form or other written correspondence and send you a signed and dated copy.
10. Except as otherwise provided by law or by agreement with the requester, if the agency custodian of records fails to respond to you within seven (7) business days of receiving a request, the failure to respond is a deemed denial of your request.
11. If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the **Township of Egg Harbor** to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council ("GRC") by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at PO Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The Council can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.
12. Information provided on this form may be subject to disclosure under the Open Public Records Act.

- c) Any Computer Aided Dispatch report, whatever it happens to be titled, which documents details, commonly in a timeline form, of the call for service to Shelter Avenue in EHT on 10/09/2017, approximately 6:45pm, which resulted in interactions with Janet Mangano and Lucas Bowe; and

PROVIDING SERVICES FOR

Star-Ledger

CRAIG MCCARTHY, REPORTER

732-372-2078

cmccarthy@njadvancemedia.com

Woodbridge Corporate Plaza

485 Route 1 South, Building E, Suite 300

Iselin, NJ 08830-3009

11/07/2017

Dear Custodian,

Please consider this a formal OPRA request for the unredacted Use of Force reports for incidents occurring for the calendar years 2012, 2013, 2014, 2015 and 2016. We have received some from your prosecutor's office but the records appear incomplete. Redactions should be made for juvenile names and HIPAA.

We are entitled to these unredacted reports under N.J.S.A. 47:1A3(b) as a result of the state Supreme Court ruling on July 11, 2017, in the case North Jersey Media Group v. Lyndhurst.

The court wrote in its opinion, "The law calls for disclosure of 'the identity of the investigating and arresting personnel' and adds that the exception on which defendants rely 'shall be narrowly construed.'"

Under that ruling, the court also ruled that "OPRA's criminal investigatory records exception does not apply to records that are "required by law to be made, maintained or kept on file." N.J.S.A. 47:1A-1.1. As a result, the exemption does not cover Use of Force Reports, which the Attorney General requires officers to prepare after the use of deadly force."

Therefore, this request cannot be denied under the exemption of an "ongoing investigation" since they are required under the Attorney General's Use of Force Policy, which has "the force of law for police entities." (NJMG v. Lyndhurst)

If your agency chooses to deny, citing safety concerns, please provide a statement for each incident stating why officer or officers' names "will jeopardize the safety of any person . . . or any investigation in progress" or "would be harmful to a bona fide law enforcement purpose or the public safety." (NJMG v. Lyndhurst)

Please email scanned digital copies of the unredacted original Use Of Force forms as PDFs. If the file is too large, we will accept a CD with the requested documents mailed to the address above.

Under penalty of N.J.S.A. 2C:283, I certify that I have not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in the United States.

Please note, this request clearly notes New Jersey's Open Public Record Act, therefore does not need to be on local OPRA forms.

We reserve the right to appeal your decision to withhold any information.

I look forward to your reply via email. We request all correspondence referencing this OPRA be via email.

Thank you for your assistance.

Eileen M. Tedesco, RMC, CMR
Township Clerk/Registrar of Vital Statistics
Township of Egg Harbor

From: Malinsky, Michael J. [<mailto:mmalinsky@foxrothschild.com>]
Sent: Tuesday, November 14, 2017 1:08 PM
To: Eileen Tedesco <ETedesco@ehtgov.org>
Subject: Amounts paid to prosecutor, judge and solicitor for 2016 and 2017 (to date)

Dear Ms. Tedesco:

I am the Solicitor for the Town of Hammonton which is in the process of reviewing how much it pays its municipal prosecutor, judge and solicitor. The Town has asked me to look into what neighboring municipalities have paid towards these positions. Accordingly, I am respectfully requesting that you provide me with the following:

1. Total amount paid to the municipal prosecutor for 2016;
2. Total amount paid from January 1, 2017 to date to the municipal prosecutor;
3. Total amount paid to the municipal judge for 2016;
4. Total amount paid from January 1, 2017 to date to the municipal judge;
5. Total amount paid to the municipal solicitor for 2016; and
6. Total amount paid from January 1, 2017 to date to the municipal solicitor.

Please advise if you will provide this information or if I will have to submit an OPRA request for the invoices for each position for the above timeframes. The municipal clerks I have spoken with so far have voluntarily provided this information without the need for an OPRA request, but leave that decision to you. I will be happy to comply with any procedure you may have. If you should have any questions, please feel free to contact me. Thank you.
