I am the executor for the Estate of Margaret A. Lisbon. I have enclosed a short certificate. The residence located at 55 Carlton Avenue, Marlton is scheduled for sale on Friday July 28, 2017. The inspection report ordered by the buyer states that there are 2x6 trusses that have been cut during a renovation and are unsafe. I believe the renovation was about 20 yrs. ago by her sister & brother-in-law, Edward and Kathleen Phelan. Please forward the inspection results for all renovations on the property.

- ☐ "a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy."

Burnett v. County of Bergen, 198 N.J. 408 (2009). Without ambiguity, the court held that the privacy provision "is neither a preface nor a preamble." Rather, "the very language expressed in the privacy clause reveals its substantive nature; it does not offer reasons why OPRA was adopted, as preambles typically do; instead, it focuses on the law's implementation." "Specifically, it imposes an obligation on public agencies to protect against disclosure of personal information which would run contrary to reasonable privacy interests."
