

SUBJECT

SOCIAL MEDIA POLICY

GENERAL ORDER

REFERENCE N/A	RESCINDS N/A	DISTRIBUTION ALL PERSONNEL
-------------------------	------------------------	--------------------------------------

I. PURPOSE

The department endorses the secure use of social media to enhance communication, collaboration, and information exchange; streamline processes; and foster productivity. This policy establishes this department's position on the utility and management of social media and provides guidance on its management, administration, and oversight. This policy is not meant to address one particular form of social media, rather social media in general, as advances in technology will occur and new tools will emerge.

II. POLICY

Social media provides a new and potentially valuable means of assisting the department and its personnel in meeting community outreach, problem-solving, investigative, crime prevention, and related objectives. This policy identifies potential uses that may be explored or expanded upon as deemed reasonable by administrative and supervisory personnel. The department also recognizes the role that these tools play in the personal lives of some department personnel. The personal use of social media can have bearing on departmental personnel in their official capacity. As such, this policy provides information of a precautionary nature as well as prohibitions on the use of social media by department personnel.

III. DEFINITIONS

Blog: A self-published diary or commentary on a particular topic that may allow visitors to post responses, reactions, or comments. The term is short for "Web log."

Page: The specific portion of a social media website where content is displayed, and managed by an individual or individuals with administrator rights.

Post: Content an individual shares on a social media site or the act of publishing content on a site.

Profile: Information that a user provides about himself or herself on a social networking site.

Social Media: A category of Internet-based resources that integrate user-generated content and user participation. This includes, but is not limited to, social networking sites (Facebook, MySpace), microblogging sites (Twitter, Nixle), photo- and video-sharing sites (Flickr, YouTube), wikis (Wikipedia), blogs, and news sites (Digg, Reddit).

Social Networks: Online platforms where users can create profiles, share information, and socialize with others using a range of technologies.

Speech: Expression or communication of thoughts or opinions in spoken words, in writing, by expressive conduct, symbolism, photographs, videotape, or related forms of communication.

Web 2.0: The second generation of the World Wide Web focused on shareable, user-generated content, rather than static web pages. Some use this term interchangeably with social media.

Wiki: Web page(s) that can be edited collaboratively.

IV. ON-THE-JOB USE

A. Department-Sanctioned Presence

1. Determine strategy

- a. Where possible, each social media page shall include an introductory statement that clearly specifies the purpose and scope of the agency's presence on the website.

- d. Where possible, social media pages should state that the opinions expressed by visitors to the page(s) do not reflect the opinions of the department.
 - (1) Pages shall clearly indicate that posted comments will be monitored and that the department reserves the right to remove obscenities, off-topic comments, and personal attacks.
 - (2) Pages shall clearly indicate that any content posted or submitted for posting is subject to public disclosure.

3. Department-Sanctioned Use

(4) Not conduct political activities or private business.

- b. The use of department computers by department personnel to access social media is prohibited without authorization.
- c. Department personnel use of personally owned devices to manage the department's social media activities or in the course of official duties is prohibited without express written permission.

1. Social media is a valuable investigative tool when seeking evidence or information about
 - a. missing persons;

4. Persons seeking employment and volunteer positions use the Internet to search for opportunities, and social media can be a valuable recruitment mechanism.
5. This department has an obligation to include Internet-based content when conducting background investigations of job candidates.
6. Searches should be conducted by a non-decision-maker. Information pertaining to protected classes shall be filtered out prior to sharing any information found online with decision makers.
7. Persons authorized to search Internet-based content should be deemed as holding a sensitive position.
8. Search methods shall not involve techniques that are a violation of existing law.
9. Vetting techniques shall be applied uniformly to all candidates.
10. Every effort must be made to validate Internet-based information considered during the hiring process.

V. PERSONAL USE

A. Precautions and Prohibitions

Barring state law or binding employment contracts to the contrary, department personnel shall abide by the following when using social media.

1. Department personnel are free to express themselves as private citizens on social media sites to the degree that their speech does not impair working relationships of this department for which loyalty and confidentiality are important, impede the performance of

duties, impair discipline and harmony among coworkers, or negatively affect the public perception of the department.

2. As public employees, department personnel are cautioned that speech on- or off-duty, made pursuant to their official duties—that is, that owes its existence to the employee's professional duties and responsibilities—is not protected speech under the First Amendment and may form the basis for discipline if deemed detrimental to the department. Department personnel should assume that their speech and related activity on social media sites will reflect upon their office and this department.
3. Department personnel shall not post, transmit, or otherwise disseminate any information to which they have access as a result of their employment without written permission from the Chief of Police or his or her designee.
4. For safety and security reasons, department personnel are cautioned not to disclose their employment with this department nor shall they post information pertaining to any other member of the department without their permission. As such, department personnel are cautioned not to do the following:
 - a. Display department logos, uniforms, or similar identifying items on personal web pages.
 - b. Post personal photographs or provide similar means of personal recognition that may cause them to be identified as a police officer of this department. Officers who are, or who may reasonably be expected to work in undercover operations, shall not post any form of visual or personal identification.
5. When using social media, department personnel should be mindful that their speech becomes part of the worldwide electronic domain. Therefore, adherence to the department's code of conduct is required in the personal use of social media. In particular, department personnel are prohibited from the following:
 - a. Speech containing obscene or sexually explicit language, images, or acts and statements or other forms of speech that ridicule, malign, disparage, or otherwise express bias against any race, any religion, or any protected class of individuals.
 - b. Speech involving themselves or other department personnel reflecting behavior that would reasonably be considered reckless or irresponsible.
6. Engaging in prohibited speech noted herein, may provide grounds for undermining or impeaching an officer's testimony in criminal proceedings. Department personnel thus sanctioned are subject to discipline up to and including termination of office.
7. Department personnel may not divulge information gained by reason of their authority; make any statements, speeches, appearances, and endorsements; or publish materials that could reasonably be considered to represent the views or positions of this department without express authorization.
8. Department personnel should be aware that they may be subject to civil litigation for
 - a. publishing or posting false information that harms the reputation of another person, group, or organization (defamation);
 - b. publishing or posting private facts and personal information about someone without their permission that has not been

- previously revealed to the public, is not of legitimate public concern, and would be offensive to a reasonable person;
- c. using someone else's name, likeness, or other personal attributes without that person's permission for an exploitative purpose; or
 - d. publishing the creative work of another, trademarks, or certain confidential business information without the permission of the owner.
9. Department personnel should be aware that privacy settings and social media sites are constantly in flux, and they should never assume that personal information posted on such sites is protected.
10. Department personnel should expect that any information created, transmitted, downloaded, exchanged, or discussed in a public online forum may be accessed by the department at any time without prior notice.
11. Reporting violations—Any employee becoming aware of or having knowledge of a posting or of any website or web page in violation of the provision of this policy shall notify his or her supervisor immediately for follow-up action.

Any orders in conflict are hereby rescinded.

Receipt of this order shall be via Directive Management System.

"Hello,

I am a former 4 year Baton Rouge Police Officer, turned Country singer.

After the Dallas incident, I wrote this song to humanize Police Officers and help civilians better understand us during this difficult time.

Just four days after I wrote the song, my hometown was affected by a similar tragedy as WE lost three of our own.

The original video went viral on the Internet and people have given it an overwhelmingly positive response.

I was able to raise some money to travel the country and perform the song for hundreds of officers across the south from Atlanta to Dallas.

I've since performed the song for over 50 agencies on my charity tour, and donated a portion of the raised funds to the C.O.P.S. (Concerns Of Police Survivors) Charity.

I was able to get up to Nashville last week and record the song which will be out next week.

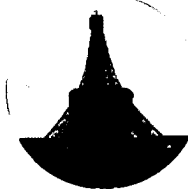

If you feel like your followers would appreciate this message feel free to share this uplifting story and video with them.

Hi, my name is Erin Waller And i am an Officer with the Colorado Springs Police Department (3yrs on; currently on midnight patrol). I was wondering if it was possible to have you guys mail me a ATPD patch, as I am trying to grow my patch collection, and I'd love to collect from PDs and SOs.

I know typically it is an exchange, but it is near impossible to get hands on spare patches on my Dept. So I understand if you're not willing to send one without necessarily getting a CSPD patch in exchange. (I have to try to hunt them down, theyre very tough to get).

If you can, please send it to my work address:
Officer Erin Waller
Colorado Springs Police Department
4110 Tutt Blvd.
Colorado Springs, CO 80922

I look forward to your response. Stay safe!

Last week, my Yellow Lab, my Service Dog, escaped our yard. I was frantic with worry. Then a friend pointed me in the direction of the station, saying a Lab that looked just like my River was there.

It was her, looking rather pleased with herself in her "mug shot." I can't thank you enough for taking her in, posting her picture and helping to reunite us. We had taken her collar off because of recent shoulder surgery - you could probably see the large clipped patch on her shoulder, where the hair was very short.

When she scratched at her collar, it put strain on the stitches, and then the healing skin. Needless to say she now wears her collar ALL the time.

Thank you again for all you do for the Township, from making sure wandering pets are reunited with their people to keeping us safe and protected from harm to making sure we are aware of inclement weather and the harm that comes with it.

I have lived in small towns all my life and I have never felt more at home than I do here. Thank you for helping to make this town a true community and being at the heart of it.

With gratitude and wishes for your continued health and safety,

Debra Furphy
61 Atlantic Ave.

Debra, thank you very much. Kind words and gratitude are always welcome and accepted. Your welcome and we hope to continue to provide the best service to our community and residents. Have a great night. ATPD

Hey I was wondering if anyone could tell me if they found the owner of the lost dog today. We found her on Orchard and Cliffwood Ave around 2:45. Her name was Bonnie. A women police officer helped me catch her and we got her in to the police car. My daughter keeps asking me if she's ok and I'm wondering myself. Let me know if you can when you can. I appreciate it.

Yes we turned the dog over to the owner around 3. Thanks

Awesome!!!! Thank you for all you guys do...

Can you give me a ride on and to post it for ya

Thank you

Just to clarify I saw your post on Facebook

I spoke with the detective who you spoke with and asked him about what happen he thought you were trying to make a police report in reference to the

cat missing

In any case I apologize for any inconvenience that that may have caused you I did post about your cat along with your photo

I would never bother the police to report a missing pet, that's not your job. I called old bridge animal shelter and they told me to call Aberdeen non emergency to find out who services Aberdeen but I don't want to do that again. I called Monmouth county scpa and they told me to contact Aberdeen. It's just frustrating when I live in a municipality that covers Matawan/Aberdeen but neither have a shelter and no one can tell me who does

Detective Nana is amazing btw. I wish he could do everything.

I believe we use the associated Humane Society of Monmouth County their phone number is 732-922-0100

We don't have a animal shelter but if we pick up an animal that is who we call. I hope they can help you out. Sgt Lloyd

Thank you so very much, I feel infinitely better. I'll call them now and stop bothering you

No bother at all. Hopefully he shows up home soon.

Can someone plow woodcrest drive. Two cars could not pass one had to back all the way down. I think we are a bit off the beaten path. Small road off of North Concourse 🤔

I'll forward this to our dispatch center. ☑

I know how busy everyone is but it's too much and too heavy for our hubbys to do we tried with snow blower and it would not work.

 Thank you! You guys rock!!

Thank you. 🙏🏻🍀🍀🍀

I had to call aberdeen pd this morning regarding a stolen phone (that we later found not to be stolen) and the gentleman that took my complaint couldn't have been more helpful or polite. It was an absolute pleasure to deal with your department, as well as the Matawan pd who cheerfully transferred me to you (twice) well done on customer service!! Job well done. Thank you!!

Thanks Ann. I will pass this along to his commander. Sgt Matt Lloyd.

Hahaha that's so funny because I was originally going to tell Matty this to pass along, he's an old friend.

It's me. Talking to you now. Lol.

You idiot!!

I read it wrong. I thought the person meant you were his commander. See, punctuation does count! And you did use it correctly!

No worries at all. Glad that it all worked out for the guys. I'll see you soon!!!

Well at least she got the "idiot" part right Lolol (just kidding) Matt's social media partner in crime.

So is there anyone at APD I can direct her to, or just send her it?

Have her come into headquarters and she can speak with any officer.

We will give her any advice that we can. We can even have a rep from 180 come meet her at Headquarters.

Ok she would meet w 180 but she won't do it in the home. She's just to afraid

No we would call 180 and they come to us as members of the DVRT program

I will tell her to come to the PD.

Ok great. When she comes into headquarters have her meet at the dispatch window and asked to speak to an officer in reference to domestic violence in the home.

But just remind her that if something happens at the home for her to dial 911 and we will respond to her.

I did and I told her if she can't talk just to call and leave phone off hook or hang up and you guys would respond.

K great!!!

She is saying she'll come in a little later today. We'll see fingers crossed. Thanks for your help.

No problem at all.

Thanks for serving.

We do not have a set schedule we are just about finished with the spring qualifications.

Is there a reason for your inquiry?

Yes, my sisters dog is freaking out and we were just wondering if there was a schedule. The noise has been very loud but we know (after living here for over thirty years) it's necessary. Thanks!

Yes we are aware that the firing range can cause a temporary disturbance and sorry about your sister's dog. I cannot tell you the schedule because nothing is ever set in stone and just be aware that there are other departments that utilize our range as well. As one of the lead firearm instructor's I apologize for the noise but as you know and you've been a resident here for that many years it's just something that has to be done twice a year spring and fall.

MAY 16TH, 11:12PM

I appreciate your quick response and understand the importance. Just thought if there was a schedule she could keep the dog from visiting. Lol.

MAY 20TH, 9:42AM

Hi good morning! Wondering if you can tell me why my parents have brown water. Ugh. They live on Laurelhurst Drive. We used to get notified when they were flinching the streets. Thanks!

You can call (732) 566-2054 and let the dispatcher know your problem and they can contact someone from the water dept, thank you.

Thanks, as always!!

**George Rahor added a new video.**

So proud of our son Steven. He and his partner Julia Cafaro were faced with the task of creating a video on a socially relevant topic for their High School History Class. They chose to make a video depicting the experience of a police officer.    

Thanks for the video and congrats to your son Steven. Police week just passed and that would have been a nice time to share that. We will det hold on to it and share when appropriate. Thanks for all your support.    

Thank you to all the men and women of your fine department. We appreciate and honor you. Be safe and God Bless .

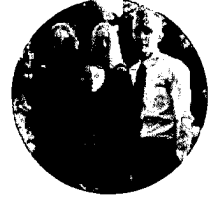

Thank you very much!
