Dear Sir or Madam:

Please accept this e-mail as my request under the Open Public Records Act (OPRA) and the common law right of access. Please send all responses and responsive records to me via e-mail to [REDACTED]. If you have any questions, please call me at [REDACTED] 609-685-9579. Thank you.

Background:

This is a request for the disclosable personnel information specified in N.J.S.A. 47:1A-10. If you take the position that this request is invalid because it seeks "information" instead of identifiable "records," before denying this request please review a May 18, 2017 article on <http://njopengovt.blogspot.com> entitled "Court: OPRA Section 10 allows requestors to ask for personnel 'information,' does not require a request to be for specific, identifiable records."

One of the pieces of information requested is the "payroll record" of a public employee. I invite your attention to pp 3 to 5 of the December 18, 2012 Findings and Recommendations of the Executive Director in Gregory Havlusch, Jr. v. Borough of Allenhurst (Monmouth), Government Records Council Complaint No. 2011-243. The Executive Director wrote that "an employee's payroll records should include information that will allow a person to determine whether an employee took a leave of absence, the dates of the leave, whether it was paid, and if so, the amount of salary received for the paid leave of absence." I'd like all this information regarding the employee that is the subject of this request. So, if the employee was on leave during the period specified, please provide these details.

Records requested:

For [Corporal Mark Long], I'd like his/her: "name, title, position, salary, payroll record, length of service, date of separation and the reason therefor." For the "payroll record," I'd like it to cover the period beginning [January 1, 2014] and ending [December 31, 2016].

Categories: OPRA Request

To whom it may concern, I am writing to request permit records from Lumberton, New Jersey on behalf of Buildzoom. BuildZoom helps people hire the best local contractors, and we strive to give consumers a clear picture of contractors' track records. In particular, we post information on building permits pulled by every contractor online as a free service to the public. We do business in Lumberton and would like to provide the service to its residents. Can you please provide us with a report of all building permits processed by your department to date? Such reports typically: - Are referred to as a Permit Activity Report, a Permit Fee Log or a Monthly Permit Report. - Cover at least the last ten years. - Include all permits broadly related to work on new and existing structures, such as structural, electrical, plumbing, mechanical, demolition, solar, HVAC, and gas permits, as well as any other kind of permit related to construction, renovation and maintenance. - Contain (i) property address fields, (ii) permit type fields, (iii) a permit value or estimated job value, (iv) a permit status field and (v) dates associated with the permit, such as an application date, an issue date and an expiry date, as well as (vi) the details of the contractor(s) who performed the work and, of course, (vii) a description of the permitted work. We would like to request the records either via FTP or email delivery. An Excel or CSV format would be ideal, but a PDF or scanned file would also work. We intend to ask for this data regularly: monthly for the prior month. What do you recommend as the best process to acquire this data? Please feel free to email me or call Vidhan Agrawal, the Product Manager for our Data Platform at (415) 890-3706. We greatly appreciate your help and thank you in advance for your assistance!

Regards,
Claudine Anague
