Subject: One Further Request

Dear Ms. Muller,

Thank you for providing those print outs from the Facebook page.

I have one further request. On Saturday July 29th, on the same Township Facebook page, there were a lot of comments made on the township's post made on January 5th 2017 regarding the Board openings, in response to an article that Citizen's Media TV had written about the MHMUA appointment of Gina LaPlaca.

Those comments are no longer there. However, we have established that the Facebook page is an official government record, so I'm requesting a copy of those comments.

Many apologies for all the trouble and thanks again for your help.

Rosemary Gray

Good morning Miss Muller.

Here is a new OPRA/common law request for you:

I have received documents from an anonymous reader and am independently requesting them now to ensure their validity.

I acknowledge that this is more than usual and I expect there will be followups. Thank you for the time it takes you to do this.

General:

- How can I confirm the legal obligations of when, how, and where public notifications should be provided, regarding available MUA Commissioner positions? For example, are there perhaps state or township statutes, by-laws, or resolutions that dictate it? – Overly broad & requires research

All of the following requests are in regards to the official Township Facebook page.

Notifications:

- Please send all Facebook notifications from January 1st 2017 through the present. – only able to provide until 5/20/2017

- If any notifications are not available during this period, please provide an explanation as to (1) why they do not exist, and (2) why they have not otherwise been preserved by the township. – Unsure/not known

Comments:

- Please provide all comments from the January fifth public notice job-posting for (among other things) the MHMUA Commissioner position. All of these comments have since disappeared. Please send a screenshot if available, otherwise a listing of all comments in the same order as they appeared in the post (threaded, not dated). – Provided what was available through history

- Please confirm that (1) your response contains every comment that existed at the time of archival (just before deletion). In other words, please confirm that (2) every comment MISSING from your response was explicitly deleted by the individual that composed it -- not by the township. – Unsure/not known

- Please respond to the potential accusation that the township explicitly chose to delete public records (these comments). – Unsure/not known

Subject: OPRA: Joshua Brown

Hello Miss Muller.

An OPRA request: Can I please have Administrator Brown's letter of resignation from his MUA Commissionership?

And two (I hope appropriate!) questions: It is my understanding that Mr. Brown is treasurer for the Township, but I have so far been unable to confirm this online. Is this true?

I also understand that Mr. Brown is somehow involved in or "in charge of" the town's RCA funds, but I don't know how to determine or confirm it. What is Mr. Brown's position or responsibilities as it relates to the RCA funds?

Thanks.

OPRA

August 9, 2017

Ms. Nikima S. Muller, RMC
Municipal Clerk
Mount Holly Township
23 Washington Street, PO Box 411
Mount Holly, NJ 08060

RE: July 31, 2017 OPRA request

Dear Ms. Muller:

Hainesport Township is in receipt of your response to its July 31, 2017 Open Public Records Act Request seeking correspondence including electronic communications between Township Officials and members of the Mount Holly Municipal Utilities Authority. You improperly denied the Township's Request. I am contacting you regarding your decision so that the parties can avoid litigation to compel the production of the documents.

It is well established that OPRA permits the production of correspondence, including electronic communications, as long as the requestor identifies four items: the sender, the recipient, a date range and a subject or topic contained in the email. This test was originally established by the Government Records Council in Elcavage v. West Milford (GRC 2009-07 and 2009-08). New Jersey Courts have similarly blessed this test. In fact, earlier this summer, the New Jersey Supreme Court expanded public agencies' requirement to create and produce lists of emails which included the four criteria. Paff v. Galloway Township, 2017 LEXIS 680 (June 20, 2017). Each of my requests in this instance contain the required elements, thereby making them valid requests.

As for request #2, the request is limited to 2007 through 2017.

In the spirit of cooperation, if your office seeks to work with the requestor and provide the above list within seven (7) business days, the Township will refrain from filing litigation, otherwise, I will assume Mount Holly is maintaining its faulty position to deny access and Hainesport will pursue legal action to compel production of the requested records.

Completed 8/21/2017

Thank you for your prompt attention to this request.

2017-178

Dear Custodian,

Please consider this a formal OPRA request for the unredacted Use of Force reports for incidents occurring in the calendar years 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015 and 2016 from your municipality's police department.

We are entitled to these unredacted reports under N.J.S.A. 47:1A3(b) as a result of the state Supreme Court ruling on July 11, 2017, in the case North Jersey Media Group v. Lyndhurst.

The court wrote in its opinion, "The law calls for disclosure of 'the identity of the investigating and arresting personnel' and adds that the exception on which defendants rely 'shall be narrowly construed.'"

Under that ruling, the court also ruled that "OPRA's criminal investigatory records exception does not apply to records that are "required by law to be made, maintained or kept on file." N.J.S.A. 47:1A-1.1. As a result, the exemption does not cover Use of Force Reports, which the Attorney General requires officers to prepare after the use of deadly force."

Therefore, this request cannot be denied under the exemption of an "ongoing investigation" since they are required under the Attorney General's Use of Force Policy, which has "the force of law for police entities." (NJMG v. Lyndhurst)

If your agency chooses to deny, citing safety concerns, please provide a statement for each incident stating why officer or officers' names "will jeopardize the safety of any person . . . or any investigation in progress" or "would be harmful to a bona fide law enforcement purpose or the public safety." (NJMG v. Lyndhurst)

Please email scanned digital copies of the unredacted original Use Of Force forms as PDFs. If the file is too large, we will accept a CD with the requested documents mailed to the address above.

Under penalty of N.J.S.A. 2C:283, I certify that I have not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in the United States.

Please note, this request clearly notes New Jersey's Open Public Record Act, therefore does not need to be on local OPRA forms.

We reserve the right to appeal your decision to withhold any information.

I look forward to your reply via email. We request all correspondence referencing this OPRA be via email.

Thank you for your assistance.

I did not suggest that they would give you guidance. What they do is mediate to resolve disagreements arising from a request for public records and they also provide the public with advisory opinions.

RE: Non Compliance of OPRA Requests

Dear Chief of Police,

Upon consultation with our attorneys we have determined that Mount Holly Township is in violation concerning the spirit of OPRA requests.

Specifically our firm is interested in obtaining motor vehicle accident reports for Mount Holly Township. Under OPRA, Mount Holly Township is mandated to provide us the reports and is not permitted to pass off its responsibility to a third party as determined by the following decisions.

Langford v. City of Perth Amboy, GRC Complaint No. 2005-181 (May 2007): The Council held that the Custodian should have provided the Complainant with the requested rules (of which the City was presumably in possession) instead of informing the Complainant where the requested rules are located (the Director of Human Services office). As such, the Custodian violated N.J.S.A. 47:1A-1.

Rodriguez v. Kean Univ., GRC Complaint No. 2013-69 (March 2014): The Council reversed its prior decision in Kaplan v. Winslow Twp. Bd. of Educ. (Camden), Complaint No. 2009-148 (Interim Order dated June 29, 2010) by providing that custodians have the ability to refer requestors to the exact location on the Internet where a responsive record can be located. Id. at 3-4. A custodian is not absolved from providing the record in hardcopy if the requestor is unable to obtain the information from the Internet and makes it known to the custodian within seven (7) business days after receipt of the custodian's response, in which case the custodian will have seven (7) business days from the date of such notice to disclose the record(s) in hard copy.

Not complying with our OPRA requests adversely affects our business and our customers ranging from car buyers to citizens working towards preventing insurance fraud.

The township is also obligated to follow the normal OPRA pricing schedule of .05 per page. If a response isn't forth coming as required by law within reasonable time frame we will be forced to take legal action.

Sincerely,

Jeffrey Devlin

Good Afternoon Ms. Muller,

I am revising my OPRA request as requested. Please consider this a formal OPRA Request for the following:

Please provide me with a copy of any code violations cited to the properties and owners of: 20-22 Mill St. and or 19 Church St. from 2013 until the present.

Please provide me with a copy of loan contract/resolutions, agreements and or memorandums of understanding between the Township of Mount Holly, The Mount Holly Urban Enterprise Zone and the owner/s of 20-22 Mill St. and or 19 Church St. from 2013 until the present.

It is my understanding that Urban Enterprise Zone funds were used to acquire one or more of these properties as a loan to either New Penn Construction, Fullerton Properties, LLC and or Mr. Ricardo Fullerton and that the loan was forgiven. I am requesting any document, Urban Enterprise Zone meeting agenda and or minutes which documented said transaction. The period is also between 2013 and the present.

The above request requires no creation of any documents, and no research as the aforementioned transaction either occurred or it didn't.

Completed 10/11/2017

Thank you.

Mr. Gupta,

Due to the fact that our offices are closed on Friday and Monday is a holiday, your request is deemed received as of business day Tuesday, September 5th. However, I feel compelled to advise you that I am rejecting your first item as it is overly broad and would require research which is not required under OPRA.

I am rejecting item number two as well as it is a request for information which is also not a valid request under OPRA. If such violations exist, it would also require a creation of a document as you are requesting a list which is also not required under OPRA.

Please revise your request to correct the issues as presented.

I'm trying to get police records from any incidents/calls/arrests at 148 Mill Street, Mount Holly, NJ 08060, from 07/01/2015 to Present.

I know that there was a drug-related 911 call around March 2017. Someone was taken to the hospital regarding an overdose. My information shows the approximate date of 03/07/2017, but it could have happened before then and just not recorded until that date.

Any police records pertaining to that address and the names: Nicole A Dinnen, Richard Wood, Samantha Wood, Michael Young.
