The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "OPRA" and the name of your agency in the subject line of all email correspondence.

1. Use of force reports received by the prosecutor's office from 1/1/2010 to the date of this request.
2. Data compiled by the prosecutor's office on use of force reports received from 1/1/2010 to the date of this request.

Please see New Jersey Supreme Court decisions North Jersey Media Group v. Lyndhurst and John Paff v. Galloway Township.

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannett.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If the agency claims any portion of the above public records are exempt from disclosure under the law, in writing please (1) identify which portion or portions it claims are exempt and the legal provisions it contends apply; (2) set forth the reasons for its conclusion that such portion or portions are exempt; and (3) release the remainder of such records, redacting only the portion or portions it claims are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Dear Custodian,

Please consider this a formal OPRA request for the unredacted Use of Force reports for incidents occurring in the calendar years 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015 and 2016 from each law enforcement department or agency that submits annual reports to your agency, as well as forms competed after an incident during those years in your agency.

We are entitled to these unredacted reports under N.J.S.A. 47:1A3(b) as a result of the state Supreme Court ruling on July 11, 2017, in the case *North Jersey Media Group v. Lyndhurst.*

The court wrote in its opinion, "The law calls for disclosure of 'the identity of the investigating and arresting personnel' and adds that the exception on which defendants rely 'shall be narrowly construed.'"

Under that ruling, the court also ruled that "OPRA's criminal investigatory records exception does not apply to records that are "required by law to be made, maintained or kept on file." N.J.S.A. 47:1A-1.1. As a result, the exemption does not cover Use of Force Reports, which the Attorney General requires officers to prepare after the use of deadly force."

Therefore, this request cannot be denied under the exemption of an "ongoing investigation" since they are required under the Attorney General's Use of Force Policy, which has "the force of law for police entities." (*NJMG v. Lyndhurst*)

If your agency choses to deny, citing safety concerns, please provide a statement for each incident stating why officer's names "will jeopardize the safety of any person . . . or any investigation in progress" or "would be harmful to a bona fide law enforcement purpose or the public safety." (*NJMG v. Lyndhurst*)

If possible, please forward the requested information via email in an excel spreadsheet. However, if your agency only maintains these records as copies of the original Use Of Force forms, we will accept PDFs of those unredacted files.

Under penalty of N.J.S.A. 2C:283, I certify that I Have Not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in United States.

Maxium authoritized cost: $200.

We reserve the right to appeal your decision to withhold any information. I look forward to your reply via email. We request all correspondence referencing this OPRA be via email.

Thank you for your assistance.

RE: Daniel Brennan -vs- Giomar Diaz
D/L: 12/08/2015

Dear Sir/Madam:

Please be advised my office has been retained to represent Mr. Brennan in regard to the above referenced accident which occurred while working as a police officer for the Township of Toms River. Attached please find copy of the police report.

Please be advised we have determined that the driver who caused the accident has limited automobile coverage and we are pursuing a underinsured motorist claim against Mr. Brennan's automobile insurance carrier. They inquired whether the Township of Toms River has underinsured motorist coverage to protect the police vehicle that Mr. Brennan was driving on the date of the accident.

I would appreciate it if you could provide me with any information in regard to underinsured motorist coverage for Mr. Brennan's police cruiser. If the Township did have underinsured motorist coverage we would need a copy of the declarations page. If that coverage is in excess of $15,000.00 we would also require a copy of the complete policy to determine which coverage is primary. I am enclosing an OPRA request form for the release of this records. If you need any further information please feel free to contact me.

Very truly yours,

JEFFREY V. STRIPTO

Subject: OPRA request

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "OPRA" and the name of your agency in the subject line of all email correspondence.

1. Use of force reports generated as a result of the police interaction with Timothy Sauers on July 7, 2016.
2. Dash camera and body camera recordings generated as a result of the police interaction with Timothy Sauers on July 7, 2016.

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannett.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If the agency claims any portion of the above public records are exempt from disclosure under the law, in writing please (1) identify which portion or portions it claims are exempt and the legal provisions it contends apply; (2) set forth the reasons for its conclusion that such portion or portions are exempt; and (3) release the remainder of such records, redacting only the portion or portions it claims are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Good morning.

I work in the Disability Retirement Unit of the Division of Pensions. I have a case concerning a school teacher from Brick and was asked to obtain arrest/indictment records for Mr. Walter Uszenski, former superintendent of Brick Schools. Judging from news articles, it appears he was re-indicted in June. Since the case is still ongoing, I don't believe these records are public yet. Could you please let me know, in writing (an email reply is fine), if these records can be obtained (and if so, how)?

Thanks,

Re: OCPO Case No. 170600632
Our File No. 074796-01

Dear Mr. Deen:

As I previously advised, I represent the interests of the Estate of Rose Coppolino who was caused to die in a fatal automobile accident which occurred on June 24, 2017. It is my understanding that the Ocean County Prosecutor's Office has completed its investigation and that no criminal charges will be filed against the driver John Paulino who was intoxicated at the time of the accident.

I am writing again to advise that I am desirous of obtaining a copy of all police reports, photographs, surveillance videos, and other investigative materials in possession of the Ocean County Prosecutor's Office relating to this matter.

I had previously written to the Manchester Township Police Department requesting same but they advised me to contact the Ocean County Prosecutor's Office for the release of said information. A copy of said correspondence is attached.

We will, of course, reimburse you for any reasonable duplication costs.

Very truly yours,

BRIAN E. ANSELL

Re: Our Client: Brandon Richardson
Date of Incident: July 17, 2017

Dear Sir or Madam:

I represent the interest of the Brandon Richardson, in the matters arising as a result of an automobile accident. This collision occurred on July 17, 2017, in Manchester Twp, New Jersey on Route 571 & Ridgeway Road. I have sought information from the Manchester Township Police Department, including the identity of the vehicle owner and vehicle operator which struck Mr. Richardson's motorcycle, but have been unsuccessful in this endeavor. It is my understanding that this matter is under review by the prosecutor's office, and no information will be released until your office concludes its investigation.

Please accept this correspondence as a formal request for disclosure of any and all information relating to this incident, which will not create prejudice in the event that your office chooses to pursue criminal charges in this matter. **Specifically, I request a copy of the face sheet of the Manchester Township Police Department's police report, which identifies the parties, as well as the names and addresses of any witnesses to this incident and a copy of the municipal court disposition**. If possible, I would appreciate the narrative created by the investigating officer.

Thank you in advance for your anticipated cooperation.

Very truly yours,

Re: Expungement of Arrest/Criminal
Record of Palmo G. Porrata
Our File No.: KN17-9294

Dear Ms. Prestia:

This office represents Palmo G. Porrata (date of birth January 7, 1994, social security number [redacted]) relative to an expungement proceeding. Mr. Porrata was charged with criminal offenses out of Brick Township in 2014. Kindly consider this a request for the written disposition of this matter under the Open Public Records Act ("OPRA").

Upon information and belief, Mr. Porrata was charged with indictable offenses out of Brick Township by way of Complaint Number 1506-W-2014-001524. These matters were ultimately remanded to Brick Township Municipal Court.

In order to adequately prepare the expungement petition, I am required to list the original Complaint Number, the date of arrest, and the statute numbers charged relative to this matter. As this case was remanded, I will also need a copy of the remand notice listing the downgraded charges.

I am hereby requesting, pursuant to OPRA, that you provide me with written documentation concerning the foregoing at your earliest convenience. If there is any additional information you require, or should there be a fee for this service, please do not hesitate to contact me.

I thank you in advance for your cooperation with regard to this matter.

Very truly yours,
