Pursuant to the OPRA, this is a request for a copy of the following records: An electronic copy of any and all employees for years of 2016, (fiscal or calendar year). Each employee record should contain the employer name, employer zip code, year of compensation, first name, middle initial, last name, hire date (mm-dd-yyyy), base salary amount, bonus amount, overtime amount, gross annual wages and position title. If there is a charge for this service, please obtain my approval in writing prior to proceeding with request.

All documents can be e-mailed to newjersey@openthebooks.com or mailed in electronic format (preferred format would be .csv or .xls). Subject: OPRA request for budget documents

Under the Open Public Records Act, I am writing to request budget documents detailing the total paid by Allentown in each of the last three fiscal years for legal notices in newspapers. If possible, please note the reason for the legal notice(s) and the newspaper(s) in which they were published.

Please produce this information in a searchable, non-PDF format such as a spreadsheet, wherever possible. I agree to pay any reasonable duplication fees for the processing of this request in an amount not to exceed \$25. If the cost will be more than this amount, please contact me as soon as possible to discuss the fee. My email is racioppi@northjersey.com and my cell phone is 732-513-7780.

If there are portions of a record(s) which must be redacted, please identify the record that has been redacted and the legal basis for your contention that the redacted portion(s) is exempt from disclosure under OPRA. If a record(s), in its entirety, is exempt from disclosure under OPRA, kindly notify me, in writing, of the exemption under OPRA upon which you are relying. I reserve the right to appeal any decision to withhold any information and/or to dispute fees charged.

Because such information must be made readily available, I anticipate receiving it as soon as possible but, in no event, later than the seven (7) business days required by law.

From: Ray Varneckas <ray@prioritysearchservices.com> - Edmunds update for Priority Search Services

resolving any claim(s) against the municipality regarding the police department, its employees and supervisors thereof, from 2010 to present.

Asbury Park Press v. County of Monmouth (link provided below) is an appellate decision – and subsequent affirmation by the New Jersey Supreme Court – that upholds that settlements between a government body and another party cannot be confidential.

<http://law.justia.com/cases/new-jersey/supreme-court/2010/a-8-09-opn.html>

Please provide documents in email attachments sent to aford3@gannettnj.com, including “Settlement OPRA”

and the name of your agency in the subject line.

Please note that this request, which seeks settlements resolving claims, is distinct from the request for separation and termination agreements filed by the Asbury Park Press in July 2016. If you feel a document is responsive to both requests, please send the document and make a note in your response.

Please note that OPRA doesn’t mandate the use of an agency form and OPRA custodians are required to respond to a written request invoking OPRA. (Renna v. County of Union, 2009 WL 1405572 (N.J. Super. A.D.))

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If the agency claims any portion of the above public records are exempt from disclosure under the law, in writing please (1) identify which portion or portions it claims are exempt and the legal provisions it contends apply; (2) set forth the reasons for its conclusion that such portion or portions are exempt; and (3) release the remainder of such records, redacting only the portion or portions it claims are exempt.
