Preliminary Assessment
Former Linden Police Department Juvenile Bureau Building
13-15 Knopf Street
Block 249, Lot 2
City of Linden
Union County, New Jersey

Dear Mr. Bodek:

CME Associates is conducting a Preliminary Assessment at the above referenced property on behalf of the City of Linden. We are respectfully requesting all available records related to environmental concerns for the above referenced site. The intent of this request is to identify potential environmental concerns on the property. Unfortunately, due to the possibility that any government record could provide pertinent information regarding potential contamination, we cannot be any more specific with our request. Examples of the types of files we are looking for would be:

- Previous environmental investigations, actions and/or reports;
- Current and previous ownership and use of the property;
- Historical operations, including information on buildings, wells, and/or septic systems;
- Reports of any spills and/or discharges
- Storage of hazardous substances, or fires;
- Historical environmental permit applications;
- Documentation of emergency response actions conducted at the site;
- Underground or aboveground storage tanks records
- Building/planning/code enforcement records including any open or closed building permits development applications / site plans

The information gathered from the files will be used in a Preliminary Assessment Report. Please find enclosed the City's OPRA Request Form and a tax map and record detailing the boundaries of the properties. If you have any questions or require clarification, please do not hesitate to contact me at (732) 951-2101, extension 119 or via e-mail at jfagan@cmeusa1.com.

Very truly yours,

CME Associates
