RE: Environmental Site Assessment
19 West 21st Street
Block 568, Lot 7
Linden, Union County, New Jersey
Whitman Project No. 17-09-29T

Dear Mr. Bodek.:

Whitman is conducting an environmental assessment of the above-referenced property (Site), and is interested in reviewing associated Site files, ideally back to when the property was first developed, if applicable, or to at least 1932, whichever is earlier (though it is understood that most municipalities do not keep historical records as far back as this). Please distribute this letter and the attached Open Public Records Act (OPRA) request form to those departments likely to maintain files regarding the following items/matters at the Site:

- Hazardous materials/petroleum products
- Spills
- Violations
- Operator and ownership history
- Permits
- Underground/aboveground storage tanks
- Septic systems
- Wells
- Tax, title, and deed information
- Municipal Water/Sewer connection dates
- Natural gas connection date
- Construction drawings

Such departments typically include some or all of the following:

- Building and/or Construction Department
- Planning/Zoning Department
- Engineering Department
- Health Department
- Fire Inspections
- Tax Assessor
- Water and Sewer Department/Authority

If you have any question or comments regarding this submittal, please do not hesitate to contact me at (732) 390-5858.

Sincerely,

Chloe Nunez
