Subject: OPRA request

Dear Custodian of Records:

Pursuant to the New Jersey Open Public Records Act, N.J.S. 47:1A-1 et seq. ("OPRA") and the common law, I am writing to request the following records:

1. All Open Public Records Act requests filed by Elie C. Jones since Jan. 1 2016 up until the present time.

In all instances please provide records electronically.

I agree to pay any reasonable duplication fees for the processing of this request in an amount not to exceed \$25. If the cost will be more than this amount, please contact me as soon as possible to discuss the fee.

If there are no records responsive to this request, please notify me, in writing, of this fact. If there are portions of a record(s) which must be redacted, please identify the record that has been redacted and the legal basis for your contention that the redacted portion(s) is exempt from disclosure under OPRA. If a record(s), in its entirety, is exempt from disclosure under OPRA, kindly notify me, in writing, of the exemption under OPRA upon which you are relying. I reserve the right to appeal any decision to withhold any information and/or to dispute fees charged.

Because such information must be made readily available, I anticipate receiving it as soon as possible but, in no event, later than the seven (7) business days required by law. If you cannot make the requested documents available to me within that statutory timeframe, kindly let me know, in writing, when I can expect the documents and the reason for the delay.

You may contact me at 973-569-7051. Please direct all written responses to me by email at burrow@northjersey.com.

REQUEST FOR RECORDS UNDER THE COMMON LAW

If, in addition to requesting records under OPRA, you are also requesting the government records under the common law, please check the box below.

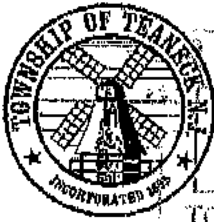

A public record under the common law is one required by law to be kept, or necessary to be kept in the discharge of a duty imposed by law, or directed by law to serve as a memorial and evidence of something written, said, or done, or a written memorial made by a public officer authorized to perform that function, or a writing filed in a public office. The elements essential to constitute a public record are that it be a written memorial, that it be made by a public officer, and that the officer be authorized by law to make it.

☐ Yes, I am also requesting the documents under common law.

If the information requested is a "public record" under common law and the requestor has a legally recognized interest in the subject matter contained in the material, then the material must be disclosed if the individual's right of access outweighs the State's interest in preventing disclosure.

Please set forth your interest in the subject matter contained in the requested material:

Note that any challenge to a denial of a request for records under the common law cannot be made to the Government Records Council, as the Government Records Council only has jurisdiction to adjudicate challenges to denials of OPRA requests. A challenge to the denial of access under the common law can be made by filing an action in Superior Court.

FW: A new OPRA - billboard site plan materials

From: Issa Abbasi <iabbasi@teanecknj.gov>

Subject: RE: A new OPRA - billboard site plan materials

January 4, 2017
Township Acting Clerk Abbasi

This is a new OPRA request for the following public records:

Materials (thus, public records) submitted to the Township and/or its Planning Board which constitute all of the submissions made by the entity which is proposing the site plan for the new billboard to be placed on the eastern edge of Teaneck on the north side of Route 4. (Lots and block should be available to the PB secretary but can be made available on request by me so long as that request is not deemed by the Acting Clerk to constitute a new OPRA and thus a new start time for the seven days legally available to him for OPRA responses).

Note, these materials must necessarily be immediately available for OPRA response since they were (according to a prior PB agenda) to have been scheduled for discussion at an earlier PB meeting and are now scheduled for a meeting to occur at a PB meeting on January 12.

Any delay in providing these public records beyond the time when they would allow substantial review BEFORE the 1/12 PB meeting will lead to action/complaint by the requestor to appropriate authorities or in appropriate venues that the Township is willfully seeking to deprive OPRA requestors of germane materials prior to the time when they will be available to allow review before anticipated dispositive review by a Township statutory board.

I would prefer these records to come in the form of computer documents but will pay the costs of reproduction of hard copies of materials that come in the forms of 8x11 page sizes. If other specified records are available only in larger sheets, I need to know where and when I can review them prior to 1/11/2017. Please inform me at this email address or at 201-214-4937 when these records are available.

Thank you for your timely response.

Subject: A Preamble and OPRA's

Preamble:

I was deeply disappointed to discover, midway through last night's "hearing", that the Township's planner had – obviously very belatedly – provided a report with at least some criticism of the thin All Vision "site plan" that had been sent to the ALL Vision "experts" and the Planning Board but:

- 1) whose existence had not been made known to the public prior to the offhand reference to it when the All Vision witness was asked to affirm that All Vision accepted this report's recommendations; and
- 2) it not being made available publicly even now (as of 8:30 this 1-13-2017 morning) since it has not been placed on wherever on the Township website materials for last night's meeting were – according to both of you - to have all been placed

(i.e. <http://teanecktownnj.iqm2.com/Citizens/FileOpen.aspx?Type=1&ID=1267&Inline=True>). I actually have not been able to find where on the website this PB information is located – and know that PB-related materials are literally dribbled across the website in places such as under the major category "Residents" (see below for the hodge-podge of township entries included in that well organized directory page - and in small disorganized pieces on the "documents and forms" section of the Building Department home page.

I do appreciate the efforts by Vice Chair Kaplan to get at least some 1/12/2017 information made available – he seems to be the only person in Teaneck government with any concern to provide any land use board materials to the public. I say that despite my sharp disagreement with him about the history of how and why the PB failed to meet its statutory responsibilities to hold a hearing on and to issue a report to Council on Ord. 4-2015 prior to Council's 4/21/2017 meeting.

OPRA:

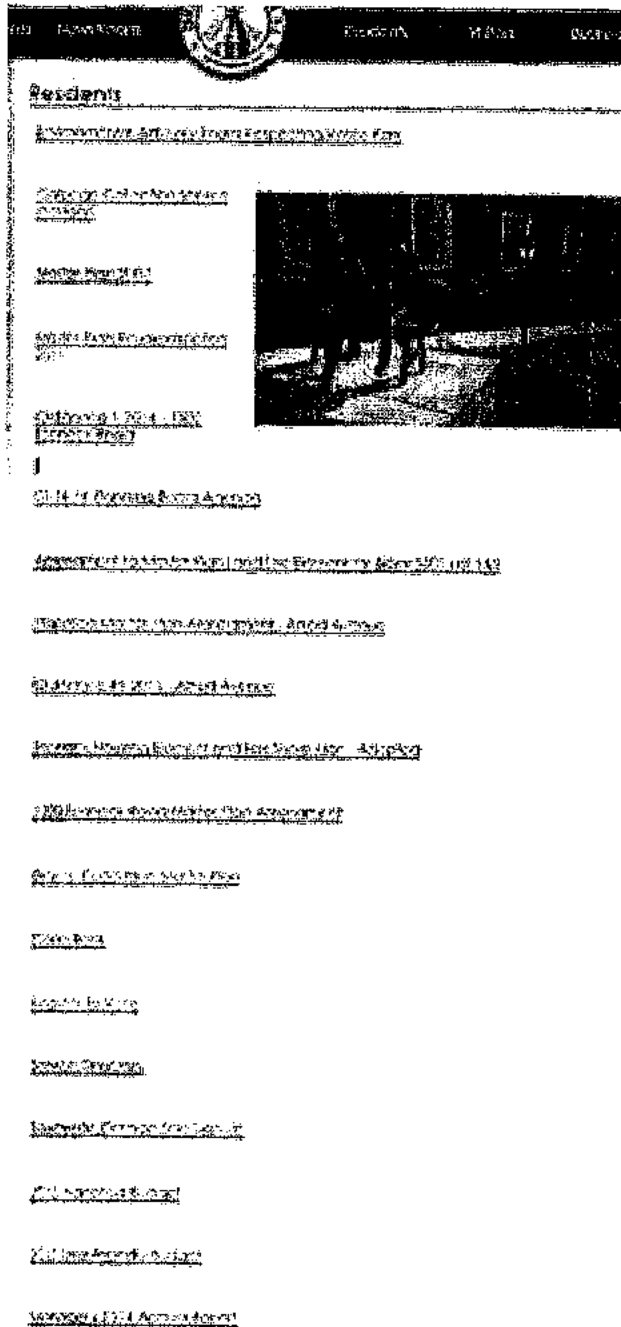

Hence – this is an OPRA request for the report by Town Planner Preiss that was variously described last night (1/12/2017) as having been dated 1/10/2017 and/or distributed "several days ago". I would like to receive this report ASAP as I assume it would not take the 7 allowable days to secure what was in the hands of everyone else last night but the public (and likely the press). AS ALWAYS, I would appreciate receiving this public

record in accessible computer document form.

In addition, I am seeking, as an OPRA request, the audios [also in publicly accessible software] for the following PB meetings: 3/19/2015; 4/16/2015 and 1/12/2017. As always I will gladly pay the standard rate for the discs on which these audios are provided under OPRA.

This is a new OPRA request for a copy ASAP of the NJ DOT permit cited in the All Vision site plan application prepared for the 1/12/2017 meeting of the Planning Board. The citation was part of the All Vision application that was included in the on-line materials (see attached); the specific reference was found on page 10 of those materials and a clip of which is the following:

New Jersey State Highway 4 [§33-27(b)(1)(D)]; the applicant has complied with the Roadside Control and Outdoor Advertising Act as well as other applicable statutes, laws and regulations related to billboards as reflected by its receipt of an NJDOT permit. [§33-27(b)(1)(E)]; the

This permit is by definition a public record. If a copy of this permit cannot be sent in computer form to this email address, let me know and I will gladly pay the copying costs. In event, keep me informed at either this email address or by phone (see below).

Thank you for your timely response.

Question: Good morning.

Under the Open Public Records Act, I am writing to request a vendor history report detailing the total paid by Teaneck in each of the last three fiscal or calendar years, whichever applies, for legal notices in newspapers. If possible, please note the reason for the legal notice(s) and the newspaper(s) in which they were published. Please note that I am not seeking each individual purchase order, only a listing.

If possible, please provide each year as its own attachment.

I agree to pay any reasonable duplication fees for the processing of this request in an amount not to exceed \$25. If the cost will be more than this amount, please contact me as soon as possible to discuss the fee. My email is racioppi@northjersey.com and my cell phone is 732-513-7780.

If there are portions of a record(s) which must be redacted, please identify the record that has been redacted and the legal basis for your contention that the redacted portion(s) is exempt from disclosure under OPRA. If a record(s), in its entirety, is exempt from disclosure under OPRA, kindly notify me, in writing, of the exemption under OPRA upon which you are relying. I reserve the right to appeal any decision to withhold any information and/or to dispute fees charged.

Because such information must be made readily available, I anticipate receiving it as soon as possible but, in no event, later than the seven (7) business days required by law.

Since I am sending this through a general website email, please confirm receipt and contact me with any questions or concerns. Thanks.
