Subject: Freedom of Information Act Request

To whom it may concern,

I am writing to request permit records from Poir

BuildZoom helps people hire the best local contractors. In particular, we post information on building permits.

We do business in Point Pleasant borough, New

Can you please provide us with a report of all building

Such reports typically:

- Are referred to as a Permit Activity Report, a Permit Fee Log or a Monthly Permit Report.
- Include all permits broadly related to work on new and existing structures, such as structural, electrical, plumbing, mechanical, demolition, solar, HVAC, and gas permits, as well as any other kind of permit related to construction, renovation and maintenance.
- Contain (i) property address fields, (ii) permit type fields, (iii) a permit value or estimated job value, (iv) a permit status field and (v) dates associated with the permit, such as an application date, an issue date and an expiry date, as well as (vi) the details of the contractor(s) who performed the work and, of course, (vii) a description of the permitted work.

We would like to request the records either via FTP or email delivery. An Excel or CSV format would be ideal, but a PDF or scanned file would also work.

Please feel free to email me or call Vidhan Agrawal, the Product Manager for our Data Platform at (415) 890-3706.

We greatly appreciate your help and thank you in advance for your assistance!

Hi Shannon. I do not have the Borough's RFP in front of me, but 27-2015 sound correct. It is not a bond ordinance, but rather the Borough's pay to play ordinance and is referenced in the RFP. Let me know if you need more, or call me at 201/347-2139 if we need to discuss. Thanks.
Bill

My name is Linda L Baxendale, residing at 214 Broad Street, Manasquan, NJ 08736. I am currently in the process of purchasing a home for myself in Pt. Pleasant Boro. The address of this home is 609 Hillside Avenue. This has been a learning experience for me as I have not known the steps and time lines needed for this process. I hope you can help me as I only have until November 9th in my 14 day inspection timeline. I would like to know if there was ever any documentation of an oil tank on this property, and if it had been removed and ground tested if there was one. The current owners purchased the home 8 years ago and state that they have no idea and do not think there was an oil tank. I would also like to know if you have a survey on file for this property or any open or closed permit applications. I would greatly appreciate any help you can give to me as soon as you possibly can. I called the office and they were very kind, asking me to fill out an online form, telling me just where to go for it. I know living in Pt. Boro will be a wonderful experience for me. Thank you very much.

11-3-17 - no record of permits for tanks.

BOROUGH OF
POINT PLEASANT

SEP 19 2017

From: Brad Austin

Subject: Public Records/OPRA/FOIA Request

To Whom It May Concern:

Pursuant to the laws and regulations regarding public information in your state, I hereby request:

1. A copy of any existing records showing such details as the depositor names, deposit amounts, deposit dates, and deposit purpose for every **unrefunded** cash escrow, certificate of deposit, cashier's check, personal check, and company checks that was a delivered guarantee for construction and/or maintenance of privately owned improvements to real property or for the restoration of publicly owned property to its original condition (e.g., for excavations in the city/county right of way).
2. A copy of any records showing the (i) payee names and vendor numbers, (ii) check issue dates, (iii) check identification numbers, and (iv) dollar amounts of every **vendor check/uncashed check/stale-dated check** which have been refundable for more than (6) months from the date of this letter in an amount equal to or greater than one thousand dollars (\$1,000.00) that remains uncashed as of today.
3. Financial spreadsheet, ledger, or any other accounting record of **property tax overpayments, or unclaimed/unredeemed tax lien certificates** which have been refundable for more than (6) months from the date of this letter showing the (i) payee names (ii) check issue dates, (iii) check identification numbers, and (iv) dollar amounts. Please also provide the last known address of the payee if possible. If a dollar amount threshold is necessary I ask that you provide amounts of \$1,000 or more. Please only include items that are still eligible for release as of today and have not been escheated to the state.

In regards to #1, Responsive documents to this request may include but not be limited to: Bond History Log, Performance Bond Deposit Report/List, Construction Cash Bond Report, Active/Open Cash Bond Report, Deposit List, Active/Open Cash Deposit List, Reimbursable Bond Report, and/or Outstanding/Active/Open Balances Report.

Some examples of the cash deposits that are being sought after may include, but not be limited to: tap fees, temporary trailer, right of way, landscaping, traffic/street lights, demolition, sidewalk/curb, trees, impact fees, winter handling, signs/temporary signs, seeding, street opening, monuments, driveway, grading/paving, earth moving, hydrant, maintenance, conservation, subdivision, wetlands conservation, erosion, and storm sewer.

In regards to #2, Responsive documents to this request may include but not be limited to: Stale Dated/Uncashed Checks Report, Stale Dated Vendor/Payroll Checks, A/P Check/Warrant Reconciliation Report, Check/Warrant Reconciliation Report/Register Outstanding Check Warrants Report, Unclaimed Checks Report, and/or Outstanding Warrants Report.

Please **E-MAIL** any correspondences in regards to my request as I deal with several municipalities and it is much easier for record keeping. If the requested records are available in an electronic format (*e.g.*, Excel) that can be delivered to me as an email attachment, then that is the format in which I would prefer to receive the records. If there is any cost to me for providing the requested records, then please give me an estimate of that cost by return email prior to incurring it on my behalf so that I can determine whether I can afford to prepay it. If this request should be addressed to some other public official, then I would appreciate your so advising and providing me with contact information for that official.

Thanks,

Brad Austin

Hello,

My name is Corwin Boeding from Wells Fargo in the Vacant Property Registrations Division. And I'm inquiring if your municipality has passed any type of vacant property ordinance in addition to the State of New Jersey ordinance, where Wells Fargo needs to register vacant/foreclosed properties with the municipality. If so I would like to request a copy of the ordinance and Registration forms required for compliance. If your municipality has an ordinance such as this Wells Fargo requires a 2014 W9 to issue payments.

Thank you

Subject: Sandy recovery update

I'm Lisa Kruse, an editor at the Asbury Park Press. With the 5th anniversary of superstorm Sandy approaching this October, we are working on a special series about how towns in Monmouth and Ocean counties have recovered to show the progress that has been made. We are looking to get information from every town and borough about new home construction and total tax revenue.

We did a similar report back in 2014. Here were the responses we received then from the borough:

Fifty percent of homes, or 349 properties, were damaged at a total cost of about \$20.2 million.
The borough lost \$34.5 million in assessed property value from 2012 to 2013.
Sixty to 70 homes have been homes have been razed.

If you could confirm the initial Sandy damage information is accurate and send the following information to me at LKruse@gannettnj.com, I would greatly appreciate it:

- How many Sandy-damaged homes have now been rebuilt? How many are under construction? How many were demolished?
- What are the city's current tax revenues? What are the current tax assessments?
- How many Sandy-damaged businesses are currently operating and how many closed?
- What is the status of repairs to boardwalks and/or beaches?
- What is the status of repairs to Sandy-damaged roads and infrastructure?

If you have any questions at all about this request please let me know.

NJDEP Case #98-05-22-0845-50

Block 143, Lot 1

Dear Point Pleasant Borough Clerk's Office:

Due to groundwater impact concerns at the above-listed property, the New Jersey Department of Environmental Protection (NJDEP) has established a Classification Exception Area (CEA) for the property. As part of the CEA, information regarding all plans, records and other relevant information for the borough's 25-year water use plan is needed, in order to determine if there are any proposed changes that may affect groundwater use in the area and thus affect the CEA. Specifically, Sovereign Consulting requests the following information:

- Does the borough have any ordinances restricting the installation of potable wells?
- Is there any planned construction or development in the area of the above-referenced property that may change the groundwater use in the area?
- Are there any plans in the 25-year planning horizon to increase or decrease groundwater use in the area of the above-referenced property?

An aerial map of the area indicating the property is provided below for your reference. Please contact us (preferably in writing) with any relevant information that you may have, and notify us of any fees associated with this request prior to sending any document copies.

I moved into my house after purchasing it in July of 2013 - I did not receive a survey. I'm looking to get a new shed & I was informed that I would need a survey in order to complete the process. I know a pool was put in prior to the purchase as well as a back porch, was also enclosed - looking to see if a survey was conducted & included in the paperwork - if so, I'm requesting a copy of the survey.
