Subject: RE: Open Public Records Act request - OPRA Requests

COMPLETED

Dear Theresa Lopez,

I apologize. I will narrow my request as follows: I am requesting a copy of the Clerk's office log sheet for all OPRA requests received from October 1, 2017 to March 8, 2018.

Yours sincerely,

Lydia Cruz

-----Original Message-----

Good afternoon Ms. Cruz,

I am returning your OPRA request because it is too broad, you must request an identifiable record.

An OPRA request must seek specific, identifiable government records. In order for the City to gather documents for your review, you must identify specific documents that you're seeking.

Have a good day!
