**Subject:** Star-Ledger OPRA request

Please consider this a formal request under OPRA and common law right of access for the use of force forms from the following incidents:

|          |                      |    |               |           |

| 10/5/15  | Rodney Jencsik       | 50 | Woodbridge    | Middlesex |
| 1/14/15  | Talbot Schroeder     | 75 | Old Bridge    | Middlesex |
| 11/20/13 | Andrew Murnieks      | 28 | Old Bridge    | Middlesex |
| 12/2/13  | Taquan Ward          | 21 | S. Plainfield | Middlesex |
| 12/4/13  | Dixon Rodriguez      | 32 | Perth Amboy   | Middlesex |
| 2/23/13  | Kevin Michael McGlyn | 51 | South River   | Middlesex |
| 4/6/13   | Akim Williams        | 25 | New Brunswick | Middlesex |
| 10/16/12 | Christopher Desa     | 21 | Piscataway    | Middlesex |
| 3/8/12   | Andres Garcia        | 44 | Woodbridge    | Middlesex |

These incidents would have been investigated by your office and in most instances, local municipalities have no records.

We are entitled to these unredacted reports under N.J.S.A. 47:1A3(b) as a result of the state Supreme Court ruling on July 11, 2017, in the case North Jersey Media Group v. Lyndhurst.

The court wrote in its opinion, "The law calls for disclosure of 'the identity of the investigating and arresting personnel' and adds that the exception on which defendants rely 'shall be narrowly construed.'"

Under that ruling, the court also ruled that "OPRA's criminal investigatory records exception does not apply to records that are "required by law to be made, maintained or kept on file." N.J.S.A. 47:1A-1.1. As a result, the exemption does not cover Use of Force Reports, which the Attorney General requires officers to prepare after the use of deadly force."

Therefore, this request cannot be denied under the exemption of an "ongoing investigation" since they are required under the Attorney General's Use of Force Policy, which has "the force of law for police entities." (NJMG v. Lyndhurst)

If your agency chooses to deny, citing safety concerns, please provide a statement for each incident stating why officer or officers' names "will jeopardize the safety of any person . . . or any investigation in progress" or "would be harmful to a bona fide law enforcement purpose or the public safety." (NJMG v. Lyndhurst)

Please email scanned digital copies of the unredacted original Use Of Force forms as PDFs. If the file is too large, we will accept a CD with the requested documents mailed to the address above.

Under penalty of N.J.S.A. 2C:283, I certify that I have not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in the United States.

Please note, this request clearly notes New Jersey's Open Public Record Act, therefore does not need to be on local OPRA forms.

We reserve the right to appeal your decision to withhold any information.

I look forward to your reply via email. We request all correspondence referencing this OPRA be via email.

**Subject:** OPRA Request

Good Morning,

My name is Jim Furry and I am a retired FBI Special Agent. I worked in the Newark Division of the FBI from 1989 - 2005. I have recently completed a manuscript of my memoirs and included a portion about a case I worked with retired FBI Agent Ron Butkiewicz and your office. The case involved the disappearance of Timothy Wiltsey and later investigation and prosecution of his mother, Michele Lodzinziki.

Although the chapter in my book is finished, I originally had newspaper pictures of Wiltsey and Lodzinziki included, however when I approached the newspapers for permission to use the photographs, they wanted to charge me what I considered an exorbitant amount to obtain a license to use their pictures.

Therefore, I would like to see if you might be able to help me and find any pictures of Timothy Wiltsey and Michele Lodzinziki that I could use in my book.

I would be happy to pay for any incidental charges for these pictures and would also credit the Middlesex County Prosecutor's Office as well.

Please advise if you have any of pictures I am trying to locate and if it is possible for me to obtain them.

Best Regard and I appreciate your assistance very much,

Jim Furry

Requestor: Emily Thompson Morbidology

Description of Record Requested: Hi there, Under the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 et seq., I am requesting an opportunity to inspect or obtain copies of public records in regards to the Timothy Wiltsey case. Timothy Wiltsey disappeared on the 25th of May, 1991. His mother, Michelle Lodzinski, claimed that he was abducted from a carnival in South Amboy, New Jersey. On April 23rd, 1992, Timothy's skull was found. She would finally be found guilty of his murder 25 years later. I'm writing to request to see if I could obtain audio of the interviews with Michelle from when Timothy disappeared. She had several interviews and her stories changed in each one. As far as I'm aware, these interviews were conducted by Sayreville Capt. Edward Szkodny and were recorded. I'm not sure if this is the correct place to file this request, if not, please let me know. If there are any fees for searching or copying these records, please inform me if the cost will exceed \$100. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the case. I'm a true crime author and I'm currently in the process of producing a podcast on the Timothy Wiltsey case. This information is not being sought for commercial purposes. The New Jersey Open Public Records Act requires a response time of seven business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. Thank you for considering my request. Sincerely, Emily Thompson

Subject: Brady OPRA request

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "Brady OPRA request" and the name of your agency in the subject line of all email correspondence.

1. The "Brady list," "Giglio list," "potential impeachment disclosure list," and records that set forth information on law enforcement officers in your county whose background must be disclosed as potentially exculpatory evidence during criminal proceedings in which they are participating, in accordance with Brady v. Maryland, 373 U.S. 83 (1963) and Giglio v. United States, 450 U.S. 150 (1972). Please include the information on these officers as reflected in your records, including: the officer's full name, agency of employment, date of inclusion in the records, and description of the reason for inclusion in the records.

We ask that these records be provided electronically and sent by e-mail ([aford3@gannettnj.com](mailto:aford3@gannettnj.com)) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt and the legal provisions you contend apply, and release the remainder of such records, redacting only the portion or portions you claim are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Dear Custodian,

Please consider this a formal record request under the Open Public Records Act and common law right to know for:

The policy or directive issued to local municipal law enforcement on reporting instances in which an officer uses force and fills out corresponding form.

Under the Attorney General's directive: "For all situations involving the use of physical, mechanical or deadly force, county and municipal law enforcement agencies shall report at least annually to the county prosecutor in a manner established by the prosecutor."

Additionally, if an annual summary of the use of force forms are sent from the departments to the prosecutor's office, we request the annual summaries for 2016.

Please email scanned digital copies of the unredacted forms as PDFs. If the file is too large, we will accept a CD with the requested documents mailed to the address above.

Under penalty of N.J.S.A. 2C:283, I certify that I have not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in the United States.

We reserve the right to appeal your decision to withhold any information.
