Re: Request for Documents

Dear Custodian of Records:

This is a request for information pursuant to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. As a journalist seeking to further the public interest in a high-profile matter involving public safety, I also make this request under the common law right of citizens of the state to obtain access to public documents. (South Jersey Publishing Co. v. New Jersey Expressway Auth., 124 N.J. 478, 487-89 [1991]). Please note that this letter contains the statutory requirements for a written OPRA request and I am not required to fill out an official form. (Renna v. County of Union, 407 N.J. Super. 230 [App. Div. 2009]).

The documents I seek:

1. 911 calls related to the Dec. 31 homicide on Wall Street, Long Branch, NJ.
2. Recordings of police radio transmissions related to the Dec. 31 homicide on Wall Street, Long Branch, NJ.
3. Affidavit of probable cause related to the Dec. 31 homicide on Wall Street, Long Branch, NJ.

I prefer delivery of records by email. If that is not possible, please contact me to arrange for delivery. Access to electronic records shall be provided free of charge. (N.J.S.A. 47:1A-5[b])

The reasons offered by a custodian for denying access to a document must be specific. (Communications Workers of America v. McCormac, 417 N.J. Super. 412, 442 [2008])

Under penalty of NJSA 2C:28-3, I certify that I HAVE NOT been convicted of any indictable offense.

My name is Kyle Kirms. I was an inmate at Monmouth County Corrections in 2013 and 2015. I started my own video production company and it blew up. News 12 NJ is doing a story on me and my business. It's a success story on how I went from being homeless and in jail to a successful entrepreneur. They want me to get my mugshots from when I was incarcerated. I'd really appreciate if you could email me my mugshots from the two times I was an inmate there. It would be a huge help and greatly appreciated.

Subject: Star-Ledger OPRA request

Please consider this a formal request under OPRA and common law right of access for the use of force forms from the following incidents:

9/5/15	<u>Timothy J. Harden</u>	38	Howell	Monmouth
6/16/15	Tamara Seidle - <i>NO reports</i>	51	Asbury Park	Monmouth
5/27/15	Scott McAllister	39	Middletown	Monmouth

AG

These incidents would have been investigated by your office and in most instances, local municipalities have no records.

We are entitled to these unredacted reports under N.J.S.A. 47:1A3(b) as a result of the state Supreme Court ruling on July 11, 2017, in the case North Jersey Media Group v. Lyndhurst. The court wrote in its opinion, "The law calls for disclosure of 'the identity of the investigating and arresting personnel' and adds that the exception on which defendants rely 'shall be narrowly construed.'"

Under that ruling, the court also ruled that "OPRA's criminal investigatory records exception does not apply to records that are "required by law to be made, maintained or kept on file." N.J.S.A. 47:1A-1.1. As a result, the exemption does not cover Use of Force Reports, which the Attorney General requires officers to prepare after the use of deadly force."

Therefore, this request cannot be denied under the exemption of an "ongoing investigation" since they are required under the Attorney General's Use of Force Policy, which has "the force of law for police entities." (NJMG v. Lyndhurst)

If your agency chooses to deny, citing safety concerns, please provide a statement for each incident stating why officer or officers' names "will jeopardize the safety of any person . . . or any investigation in progress" or "would be harmful to a bona fide law enforcement purpose or the public safety." (NJMG v. Lyndhurst)

Please email scanned digital copies of the unredacted original Use Of Force forms as PDFs. If the file is too large, we will accept a CD with the requested documents mailed to the address above.

Under penalty of N.J.S.A. 2C:283, I certify that I have not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in the United States.

Please note, this request clearly notes New Jersey's Open Public Record Act, therefore does not need to be on local OPRA forms.

We reserve the right to appeal your decision to withhold any information.

I look forward to your reply via email. We request all correspondence referencing this OPRA be via email.

Subject: Request under OPRA and new AG directive

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA", Attorney General Directive 2018-1, and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "OPRA" and the name of your agency in the subject line of all email correspondence.

1. Video including dash camera, body worn camera and surveillance camera recordings of the interaction between police and Timothy Harden.
2. Video including dash camera, body worn camera and surveillance camera recordings of the interaction between police and Dante C. Allen.
3. Video including dash camera, body worn camera and surveillance camera recordings of the interaction between police and Aaron Riley.
4. Video including dash camera, body worn camera and surveillance camera recordings of the interaction between police and Randy Thomas.
5. Video including dash camera, body worn camera and surveillance camera recordings of the interaction between police and Jared Boynton.

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannett.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If the agency claims any portion of the above public records are exempt from disclosure under the law, in writing please (1) identify which portion or portions it claims are exempt and the legal provisions it contends apply; (2) set forth the reasons for its conclusion that such portion or portions are exempt; and (3) release the remainder of such records, redacting only the portion or portions it claims are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Sincerely,

Subject: OPRA request – immediate access

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation:

1. The arrest warrant, arrest complaint and/or summons(es) associated with the arrest of Benjamin Springer.
2. Information related to the arrest of Benjamin Springer required to be released under N.J.S.A. 47:1A-3(b). Please note "the following information concerning a criminal investigation shall be available to the public within 24 hours or as soon as practicable, of a request for such information":
 - where a crime has been reported but no arrest yet made, information as to the type of crime, time, location and type of weapon, if any;
 - if an arrest has been made, information as to the name, address and age of any victims unless there has not been sufficient opportunity for notification of next of kin of any victims of injury and/or death to any such victim or where the release of the names of any victim would be contrary to existing law or Court Rule. In deciding on the release of information as to the identity of a victim, the safety of the victim and the victim's family, and the integrity of any ongoing investigation, shall be considered;
 - if an arrest has been made, information as to the defendant's name, age, residence, occupation, marital status and similar background information and, the identity of the complaining party unless the release of such information is contrary to existing law or Court Rule;
 - information as to the text of any charges such as the complaint, accusation and indictment unless sealed by the court or unless the release of such information is contrary to existing law or court rule;
 - information as to the identity of the investigating and arresting personnel and agency and the length of the investigation;
 - information of the circumstances immediately surrounding the arrest, including but not limited to the time and place of the arrest, resistance, if any, pursuit, possession and nature and use of weapons and ammunition by the suspect and by the police; and
 - information as to circumstances surrounding bail, whether it was posted and the amount thereof.

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannett.com).

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt

Subject: New Jersey Open Public Records Act Request: ProPublica: Hate Crime Incident Reports (Monmouth County, NJ Prosecutor)

Monmouth County Prosecutor's Office
OPRA Office
132 Jerseyville Avenue
Freehold, NJ 07728

April 3, 2018

To Whom It May Concern:

Pursuant to the New Jersey Open Public Records Act, I hereby request the following records:

Any and all incident reports (including descriptions of the crime) associated with a bias-motivated crime that took place on 2016-10-19. This incident comes from the FBI's UCR hate crimes data, reported by the Ocean Township Police Department in Oakhurst, NJ. The incident number is 16OT28057; the incident involved one victim and one white offender, and was marked with UCR offense code 13C, location code 22, and bias code 44. Names and other identifying information can be redacted; I'm seeking language from the incident report about the bias motivation and if any slurs were used.

This request is made as part of the Documenting Hate Project, a collaboration involving dozens of news organizations, led by ProPublica. Coverage from the project is compiled at <https://projects.propublica.org/graphics/hatecrimes#hatecrime-coverage>.

This request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 7 business days, as the statute requires.

Sincerely,

Rachel Glickhouse

Subject: Brady OPRA request

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "Brady OPRA request" and the name of your agency in the subject line of all email correspondence.

1. The "Brady list," "Giglio list," "potential impeachment disclosure list," and records that set forth information on law enforcement officers in your county whose background must be disclosed as potentially exculpatory evidence during criminal proceedings in which they are participating, in accordance with Brady v. Maryland, 373 U.S. 83 (1963) and Giglio v. United States, 450 U.S. 150 (1972). Please include the information on these officers as reflected in your records, including: the officer's full name, agency of employment, date of inclusion in the records, and description of the reason for inclusion in the records.

We ask that these records be provided electronically and sent by e-mail (aford3@gannettnj.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt and the legal provisions you contend apply, and release the remainder of such records, redacting only the portion or portions you claim are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Dear Custodian,

Please consider this a formal record request under the Open Public Records Act and common law right to know for:

The policy or directive issued to local municipal law enforcement on reporting instances in which an officer uses force and fills out corresponding form.

Under the Attorney General's directive: "For all situations involving the use of physical, mechanical or deadly force, county and municipal law enforcement agencies shall report at least annually to the county prosecutor in a manner established by the prosecutor."

Additionally, if an annual summary of the use of force forms are sent from the departments to the prosecutor's office, we request the annual summaries for 2016.

Please email scanned digital copies of the unredacted forms as PDFs. If the file is too large, we will accept a CD with the requested documents mailed to the address above.

Under penalty of N.J.S.A. 2C:283, I certify that I have not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in the United States.

We reserve the right to appeal your decision to withhold any information.

I look forward to your reply via email. We request all correspondence referencing this OPRA be via email.

Thank you for your assistance.

Hi Jennifer,

The documents we are requesting are for the murder of WALTER PATTERSON for which GEORGE EDWARD WRIGHT, WALTER MCGHEE, JULIO DE LEON LAVOY and ELIZABETH ROWELL were all charged. The years were 1962 and 1963.

We were told the title of the document is "George Edward Wright XR PKG (NJ)" "Title: 5432."

If you are unable to locate these documents, do you have any other information as to where we may be able to locate these documents?

Thank you,
Evan

I have searched every combination of that name and cannot find any extradition/fugitive files involving a George Edward Wright. Any other information? Town, year, charges, other names involved in the case? Are you sure it was Monmouth County, NJ?
