fees for the processing of this request in an amount not to exceed \$50.00. However, please notify me prior to your incurring any expenses in excess of that amount.

If this request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the Act. MUNICIPAL BUILDING

Municipal Clerk
OPRA Office
51 West Main Street
Freehold, NJ 07728

December 13, 2018

To Whom It May Concern:

Pursuant to the New Jersey Open Public Records Act, I hereby request the following records:

Any and all available dog licensing and registration data for dogs within your jurisdiction (all dogs actively registered for 2018, I am not seeking historical records)

Please include all available segregable data, including but not limited to:

- the breed of the dog
- the color of the dog
- the dog's date of birth
- the dog's name
- the owner's name
- the owner's address and applicable zip code
- any other available notes (rabies vaccine status, spay/neuter status, license #)

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment (excel preferred) if available or CD-ROM if not. If your pet licensing is all in one database (cats, dogs) I am happy to receive it all and remove the non dog data on my side to save you time.

Thank you in advance for your anticipated cooperation in this matter.

I look forward to receiving your response to this request within 7 business days, as the statute requires.

Sincerely,

Savannah St. John

Subject: Request: Building Permit Records

BOROUGH OF FREEHOLD
RECEIVED

2018 DEC 14 P 5:07

MUNICIPAL BUILDING

To whom it may concern,

I am writing to request permit records from Freehold borough, New Jersey on behalf of Buildzoom.

BuildZoom helps people hire the best local contractors, and we strive to give consumers a clear picture of contractors' track records. In particular, we post information on building permits pulled by every contractor online as a free service to the public.

We do business in Freehold borough and would like to provide the service to its residents.

Can you please provide us with a report of all building permits processed by your department since Oct 31, 2018?

Such reports typically:

- Are referred to as a Permit Activity Report, a Permit Fee Log or a Monthly Permit Report.
- Include all permits broadly related to work on new and existing structures, such as structural, electrical, plumbing, mechanical, demolition, solar, HVAC, and gas permits, as well as any other kind of permit related to construction, renovation and maintenance.
- Contain (i) property address fields, (ii) permit type fields, (iii) a permit value or estimated job value, (iv) a permit status field and (v) dates associated with the permit, such as an application date, an issue date and an expiry date, as well as (vi) the details of the contractor(s) who performed the work and, of course, (vii) a description of the permitted work.

We would like to request the records either via FTP or email delivery. An Excel or CSV format would be ideal, but a PDF or scanned file would also work.

Please feel free to email me or call Vidhan Agrawal, the Product Manager for our Data Platform at (415) 890-3706.

We greatly appreciate your help and thank you in advance for your assistance!

Regards,
Janine Rugas
