Demi,

For #2 you can contact the Ocean County Board of Health at 732-341-9700. As far as #1, what kind of Health Inspection reports are you looking for? I have the Risk-Based Inspection Reports that the County send to me also. They are for the restaurants and schools primarily. They are all satisfactory.

Thank you.

Sincerely,

Lisa Monbleau

Demi,

In reference to the below OPRA request, the Township does not have VPH-3 forms. You can contact the Ocean County Board of Health and maybe they have the information you are looking for.

Thank you.

The Township of Lacey would have to have copies in order to issue their yearly business licenses. Please supply me with the paperwork requested.
