145 Crash Description/Narrative

V1 was heading east on Lacey Road when it struck V2 which had just made a left from Manchester Avenue on to Lacey Road, also heading east.

D2 indicated that she was the first car in line waiting to make a left, when the traffic signal changed displaying both a green light and green arrow for her to proceed. D2 stated tat as she completed her turn her vehicle was struck by V1 which had run the red light at the intersection of Lacey Road and Manchester Avenue.

D1 indicated that she was heading east on Lacey Road, passed through the intersection and struck V2. D1 indicated that she was unsure what circumstances lead up to the collision simply repeating that she was heading east when she struck V2.

I was unable to locate any witnesses to the incident. A canvass of the area, for surveillance footage, was also unsuccessful.

No injuries were reported at the scene.
