144 Crash Diagram (NOT TO SCALE)

145 Crash Description/Narrative

V1 was traveling west on Beach Boulevard approaching the intersection of Palm Beach Drive. V1 crossed over the center line and into the east bound lane before traveling off the roadway to the left. V1 then made contact with a fire hydrant, street reflector sign, mailbox, "Hidden Driveway" street sign support, before hitting a tree. V1 struck the said tree and spun out across the front lawn of 501 Beach Boulevard before making contact with an additional tree. V1 came to rest along the side of Palm Beach Drive facing south. V1 was found to have sustained extensive damage that included the loss of the vehicle's front passenger-side tire.

It should be noted that V1's collision with the fire hydrant propelled it across the front lawn of 501 Beach Boulevard and into V2.

Skid marks were observed at the scene stemming from the west bound lane across the road and into the east bound lane towards the above listed fixed objects.

Witness Statements:

W1/W2 were traveling in the same vehicle heading east on Beach Boulevard approaching the intersection of Palm Beach Drive when they observed V1 traveling west towards their vehicle at a high rate of speed appearing to lose control. Both witnesses reported that they slowed down to a stop based on both mentioned aspects of the vehicle and subsequently witnessed V1 cross over the centerline into the above listed fixed objects directly in front of them.
