144 Crash Diagram (NOT TO SCALE)

145 Crash Description/Narrative

V1 was traveling west on Lacey Road, when V2 attempted to execute a left turn from the eastbound lane of Lacey Road, onto Shodda Place (Northbound). V1 struck V2 resulting in disabling damage to the rear, Passenger's Side of V2, and moderate damage to the front, Passenger's Side of V1.

It should be reported that although all three (3) occupant of V1 initially reported no injuries at the time of the call, all three (3) later reported complaints of pain to the neck/back, and were transported to Southern Ocean Medical Center by Lacey Township EMS.

Further police investigation revealed that driver inattention and failure to yield to the right of way to a vehicle, committed by D2, were the main contributing factors leading to the crash.

Surveillance footage later obtained from Layton's Funeral Home confirms the above stated sequence of events, and has been submitted into police property records as evidence.

****BOX 136, 137: Summons (#A-105538) issued to D2 pursuant to 39:4-97, Careless Driving.****

END OF REPORT.
