- 7/17/18 Clover Reprogramming Fees Reference 7430 in the amount of \$235.00

OPRA requires that custodians must ordinarily grant immediate access to budgets, bills, vouchers, contracts (including collective negotiations agreements and individual employment contracts), and public employee salary and overtime information. N.J.S.A. 47:1A-5.e. Immediate access means at once, without delay.

I am requesting this information because you refused to respond to the immediate access request from my fellow advocate that was requested on 12/27/18. Since this is now 12/31, I am attempting to secure these documents before yet another law suit is filed.

You can not continue to ignore these requests and not expect more law suits and are costing the residents of this township unnecessary unbudgeted costs. So far, as the official "keeper of the records" you have cost the township cost to \$10K and counting.

Subject: Request from Sam Redlich Law - Drug Free School Zone Map
Attachments: Scan_0014.pdf

Hello,

I am contacting you on behalf of Sam Redlich Law to request a map of your towns drug free school zones. I understand you do not accept requests by fax and require an OPRA form however, the form on your towns website does not seem to be functioning properly. I have attached what is happening to the form, when printed. I have a generic OPRA form prepared, if that is acceptable. I can scan it to you as an attachment, if that is acceptable.

Please advise how I can proceed requesting this from your office in a way that is most convenient for you.

Thank you,

Be More Specific

Dear Mr. Williams

My name is Pedro Pizarro, a resident of this town. Under the New Jersey Open Record Act, N.J. S. A. 47:1A-1 et seq., I am requesting an opportunity to inspect and/or obtain copies of the public records that pertain to the canals built in and around the Township of Hamilton.

The information that I seeking is the following;

All the inspection reports by the Army Corp of Engineers pertaining to the canals we do not have

The original proposal of the canal and any changes thereafter we do not have

The approval process for the canal US Dept of Agriculture

What is the purpose of the canal and what problem was it supposed to solve?

- Construction plans of the canal and a list of the properties affected. Must visit office to determine what is requested.
- The FEMA reports pertaining to the areas that the canals pass through. (Need more clarification) - what reports?
- The New Jersey Open Public Records Act requires a response time of seven business days. If access to the records I am requesting will take longer than this amount of time, please contact me with the information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures to me under the law.

Thank you for considering my request

Dear Custodian,

Please consider this a formal request under the Open Public Records Act and common law right to know for the following:

- the unredacted **Use of Force reports** for incidents occurring in the calendar years **2017 and 2018** from your municipality's police department
- **annual use of force reports** (or each quarterly reports for the entire year, if annual is not required) as submitted to the county prosecutor's office
- **professional standards annual reports** (or each quarterly reports for the entire year, if annual is not required) as submitted to the county prosecutor's office

We are entitled to these unredacted reports under N.J.S.A. 47:1A3(b) as a result of the state Supreme Court ruling on July 11, 2017, in the case North Jersey Media Group v. Lyndhurst.

The court wrote in its opinion, "The law calls for disclosure of 'the identity of the investigating and arresting personnel' and adds that the exception on which defendants rely 'shall be narrowly construed."

Under that ruling, the court also ruled that "OPRA's criminal investigatory records exception does not apply to records that are 'required by law to be made, maintained or kept on file.' N.J.S.A. 47:1A-1.1. As a result, the exemption does not cover Use of Force Reports, which the Attorney General requires officers to prepare after the use of deadly force."

Therefore, this request cannot be denied under the exemption of an "ongoing investigation" since they are required under the Attorney General's Use of Force Policy, which has "the force of law for police entities." (NJMG v. Lyndhurst)

If your agency chooses to deny, citing safety concerns, please provide a statement for each incident stating why officer or officers' names "will jeopardize the safety of any person . . . or any investigation in progress" or "would be harmful to a bona fide law enforcement purpose or the public safety." (NJMG v. Lyndhurst)

Please email scanned digital copies of the unredacted original Use Of Force forms as PDFs. If the file is too large, we will accept a CD with the requested documents mailed to the address above. We will not accept paper records.

We understand subject information may be subject to redactions if their information is protected under other statutes, such as HIPPA or juveniles.

Under penalty of N.J.S.A. 2C:283, I certify that I have not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in the United States.

Please note, this request clearly notes New Jersey's Open Public Record Act, therefore does not need to be on local OPRA forms. We reserve the right to appeal your decision to withhold any information.

I look forward to your reply via email. We request all correspondence referencing this OPRA be via email.

Thank you for your assistance.

Good Morning Hamilton Township Municipal Clerk/Records Custodian (Hi Eileen and Happy New Year to you!)

Please consider this an official OPRA request.

I am requesting a copy of the list as kept and maintained by the Township of Hamilton, of the parcels currently being charged vacant property registration fees.

I would respectfully ask that you direct this OPRA request to the Township's Division of Housing, as we have been told they are the department handling the vacant property registration fees.

Please scan and email this same list to my email address noted above

Any questions concerning this request please contact me as I can then discuss this with you.

Thank you!
Best,

PETA
FOUNDATION

January 10, 2019

Custodian of Records
Hamilton Township Clerk
Via email: BCalderone@Hamiltonnj.com

PEOPLE FOR
THE ETHICAL
TREATMENT
OF ANIMALS
FOUNDATION

Dear Records Custodian:

On behalf of People for the Ethical Treatment of Animals, Inc. and pursuant to the Open Public Records Act ("OPRA"), codified at N.J. Stat. Ann. §§ 47:1-1 to 47:1A-13, I am requesting copies of the following public records:

- All records with the Hamilton Township Health Department relating to the possession of capuchin monkeys by Hamilton Dental Associates, located at 2929 Klockner Rd., Hamilton Twp (Trenton), NJ 08690

If any of the documents described above are considered to be exempt from release, please: 1) redact the portions to which you are asserting an exemption and provide access to all reasonably segregable non-exempt portions; 2) specify the specific legal authority exempting such record(s) from disclosure; and 3) state with particularity the reasons that such records are deemed exempt in the location where any such redaction is made. See Southern New Jersey Newspapers Inc. v. Township of Mt. Laurel, 141 N.J. 56, 77, 660 A.2d 1173 (1995).

We respectfully request that production of the responsive documents be fulfilled without charge in light of PETA's non-profit status and the fact that releasing the requested records is in the public interest. PETA will synthesize the information obtained from this request and educate the public about the township's regulation of exhibitors of wild and potentially dangerous animals.

If this request for a waiver or reduction of fees is denied and fees are expected to exceed \$25.00, please notify me to this effect by telephone or electronic mail before this request is processed. To conserve public resources, please provide the requested records, to the extent possible, via facsimile to 757-628-0784, or electronic mail attachment to KateP@petaf.org. N.J.S.A. 47:1A-5(d). I look forward to hearing from you within seven (7) business days. See N.J. Stat. Ann. Sec. 47:1A-5(i).

Thank you for your assistance.
