Re: Civil Discovery Request
MCPL Investigation No.: MCP1800869
Our Client.: The Estate of Vanel Romulus
Date of Accident: December 21, 2018

Dear Ms. Doyle:

Attached is my office's letter to you dated February 4, 2019 and your response. Please consider this a follow-up request pursuant to the Freedom of Information Act and the Open Public Records Act (NJSA 47:1A-1, et seq.). I would like to avoid following-up with the Government Records Council (GRC) to file a "denial of access" complaint. This accident happened nearly 6 months ago. It has been rumored that the Defendant driver is a police officer. It seems that this case is being treated differently than other cases in which I have requested similar information.

I would appreciate it if you would contact me with regard to this issue at your earliest convenience. Thank you.

Very truly yours,

4-30-2019

Hello,

Under OPRA and my common law right of access to public records, I request every written report of the death of an inmate required under the New Jersey Administrative Code 10A:21-4.1.

§ 10A:21-4.1 (b) states: Written reports of the death of an inmate shall be provided to the prosecutor of the county from which the inmate was committed by the Administrator or designee of the correctional facility that maintains the inmate's classification and medical files as soon as possible on the next business day after the death of the inmate.

I request these notifications from Jan. 1, 2009 through Jan. 1, 2019. I seek them since they could be used in news coverage.

I certify under penalty of NJSA 2C:28-3 that I have not been convicted of an indictable offense.

Sincerely,

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "Pursuit policy OPRA" and the name of your agency in the subject line of all email correspondence.

1. Policies issued by the prosecutor's office since 2009 related to police vehicle pursuits.

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannettnj.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt and the legal provisions you contend apply, and release the remainder of such records, redacting only the portion or portions you claim are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Description of Record(s) Requested:

Please consider this a request under OPRA and common law.

I would like copies of any and all video concerning an incident that occurred between Feb. 1 and Feb. 2, 2019 at Jack's Goal Line Stand in Long Branch, where a man named Patrick D Joyce (who at the time was a Long Branch police officer) allegedly groped a 21-year-old woman.

The video should include, but not be limited to, any footage taken by the restaurant.

Video of the incident should no longer be considered a "criminal investigatory record," since the criminal case has since resolved.

If possible, please email an electronic copy of the video to bnelson@njadvancemedia.com. If that doesn't work, a CD of the video can be mailed to the physical address above. Please let me know, however, if any costs will exceed \$20, because I will need to receive approval from my editor before I can pay that.

Procedure for Submission:

Members of the public who are requesting copies of records are encouraged to complete this Request for Public Records form. Renna v. County of Union, 407 N.J. Super. 230 (App. Div. 2009). The form or other written request must be placed in an envelope addressed to:

Monmouth County Prosecutor's Office
132 Jerseyville Avenue
Freehold, New Jersey 07728
Attn: OPRA Custodian of Records

and either mailed or taken directly to the Prosecutor's Office. This office also accepts requests by fax when clearly addressed to the attention of the "OPRA Custodian of Records." This office accepts requests by email **ONLY** at the following address: opra@mcponj.org. See Paff v. City of East Orange, 407 N.J. Super. 221, 227-28 (App. Div.), cert. denied, 200 N.J. 476 (2009). When a request is received by email, a confirmation of receipt will be sent in reply; until and unless a reply confirmation is received, requestors should not assume their email request was received by the records custodian. Ibid. Requests sent to other email addresses and/or not addressed to the OPRA Custodian of Records may not be received by the Custodian.

A Right to Discovery is Separate and Distinct from a Right to Access Public Records.

OPRA is a public disclosure statute and is **not** intended to replace or supplement the discovery of private litigants. Constantine v. Township of Bass River, 406 N.J. Super. 305, 324-25 (App. Div. 2009), cert. denied, 200 N.J. 208 (2009); MAG Entertainment, LLC v. Division of Alcoholic Beverage Control, 375 N.J. Super. 534, 545-46 (App. Div. 2005). Requests for discovery of materials that are not public government records should be made in accordance with the applicable Court Rules.

Procedure for Filing an Appeal.

A person who is denied access to a government record by the custodian of the record, at the option of the requestor, may:

Institute a proceeding to challenge the custodian's decision by filing an action in Monmouth County Superior Court which shall be heard by a Superior Court Judge who has been designated to hear such cases because of that judge's knowledge and expertise in matters relating to access to government records;

Or in lieu of filing an action in Superior Court, file a complaint with the Government Records Council established in subsection 8 of P.L.2001, c.404 (C.47:1A-7).

The right to institute any proceeding under this section shall be solely that of the requestor. Any such proceeding shall proceed in a summary or expedited manner. The public agency shall have the burden of proving that the denial of access is authorized by law. If it is determined that access has been improperly denied, the court or agency head shall order that access be allowed. A requestor who prevails in any proceeding shall be entitled to a reasonable attorney's fee.
