1. The purpose of this report is to capture the disposition of an arrest to complete an individual's criminal history record information. The FBI number (UCN) should be indicated, if known. Asterisk indicates mandatory field, but all known data should be provided.

In the event the case goes to the prosecutor this form should be forwarded to the prosecutor with arrestee's case file.
3. The prosecutor should complete the form to show disposition at the prosecution level if the matter is not being referred for court action. If court action is required, the prosecutor must forward form with case file to court having jurisdiction.
4. The court should complete this form as to final court disposition such as when the arrested person is acquitted, case is dismissed, conviction/sentence imposed or suspended, or person placed on probation.

Subject: [EXTERNAL]NJ.com/Star-Ledger records request- Zoey Monte & Tyler Martucci

Dear Custodian of Records:

This is a request for information pursuant to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq., and the common law right of citizens of the state to obtain access to public documents. (South Jersey Publishing Co. v. New Jersey Expressway Auth., 124 N.J. 478, 487-89 [1991]). Please note that this letter contains the statutory requirements for a written OPRA request and I am not required to fill out an official form. (Renna v. County of Union, 407 N.J. Super. 230 [App. Div. 2009]).

The documents I seek:

—The complaint, preliminary law enforcement incident report, and affidavit of probable cause for Jose Carrero, who was arrested on 1/10/2020.

—The complaint, preliminary law enforcement incident report, and affidavit of probable cause for Zoey S. Monte in her January 2020 arrest. (Monte's date of birth is 6/23/1999).

—The complaint, preliminary law enforcement incident report, and affidavit of probable cause for Tyler J. Martucci. Martucci's DOB is 7/29/1997.

I prefer delivery of records by email. If that is not possible, please contact me to schedule a time for an on-site inspection of documents. Access to electronic records shall be provided free of charge. (N.J.S.A. 47:1A-5[b])

The reasons offered by a custodian for denying access to a document must be specific. (Communications Workers of America v. McCormac, 417 N.J. Super. 412, 442 [2008])

Under penalty of NJSA 2C:28-3, I certify that I HAVE NOT been convicted of any indictable offense.

Many thanks,

Subject: [EXTERNAL]Parze OPRA Request

Good morning,

My name is Keith Schubert. I am a reporter with the Asbury Park Press.

I saw an article on NJ 101.5 that stated they received two suicide notes written by John Ozbilgen, the person responsible for Stephanie Parze's death, through an OPRA request.

So with that, I would like to request any and all suicide notes written and left by John Ozbilgen after his suicide in late November of 2019.

Thank you very much.

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "OPRA" and the name of your agency in the subject line of all email correspondence.

1. Records sent in 2019 to the prosecutor's office from police departments which describe complaints against officers where a fine or suspension of 10 days or more was assessed.

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannettnj.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt and the legal provisions you contend apply, and release the remainder of such records, redacting only the portion or portions you claim are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Sincerely,

Andrew Ford

REQUEST FOR PUBLIC RECORDS

New Jersey Law (N.J.S.A. 47:1A-1. At seq.), effective July 8th, 2002, provides that certain government records shall be made available to the public for inspection, examination, and copying. A request for public records must be submitted on this form to the Monmouth County Sheriff's Office at the above address. This form will be forwarded to the Monmouth County Sheriff's Office Custodian of Records. If your request is approved, it will take some time to compile the records and make the copies requested, but they will normally be available within seven business days pursuant to statute. Fees for copying public records are established by statute as follows: first page to tenth page, \$0.75 per page; eleventh page to twentieth page, \$0.50 per page; all pages over twenty \$0.25 per page. Pursuant to N.J.S.A. 471A-5c., this office may impose a reasonable special service charge if the nature, format, manner of collation, or volume of a government record is such that it cannot be reproduced by ordinary document copying equipment in ordinary business size or involves an extraordinary expenditure of time and effort to accommodate your request.

WHY DOES NICS EXIST?

The Brady Handgun Violence Prevention Act (Brady Act) requires that background checks be conducted through the National Instant Criminal Background Check System (NICS) to determine whether a prospective firearms transfer would violate federal or state law. The Brady Act does not prohibit the transfer of a firearm after three business days unless information is received that dictates the transfer of the firearm should not take place. Please Note: A firearm may be transferred to a prohibited person if a final response is not received within three business days of the NTN creation date (initial NICS inquiry).

WHAT CAN I DO TO HELP?

Please provide the current (final or interim) disposition for the charge(s) indicated on the attached Final Disposition Report and furnish all applicable supporting documentation regarding this individual to include: full disposition, police report, court order, court docket, etc. Please return this form along with the requested documentation to the attention of the NICS Examiner and Supervisor listed above.

Thank you for your assistance.
