WHY DOES NICS EXIST?

The Brady Handgun Violence Prevention Act (Brady Act) requires that background checks be conducted through the National Instant Criminal Background Check System (NICS) to determine whether a prospective firearms transfer would violate federal or state law. The Brady Act does not prohibit the transfer of a firearm after three business days unless information is received that dictates the transfer of the firearm should not take place. **Please Note: A firearm may be transferred to a prohibited person if a final response is not received within three business days of the NTN creation date (initial NICS inquiry).**

WHAT CAN I DO TO HELP?

Please provide the current (final or interim) disposition for the charge(s) indicated on the attached Final Disposition Report and furnish all applicable supporting documentation regarding this individual to include: full disposition, police report, court order, court docket, etc. Please return this form along with the requested documentation to the attention of the NICS Examiner and Supervisor listed above.

Thank you for your assistance.

WHAT IF I DO NOT HAVE THE INFORMATION YOU NEED?

Should you be unable to furnish this information, please indicate below the person or agency which may be able to provide the information requested.

1. The purpose of this report is to capture the disposition of an arrest to complete an individual's criminal history record information. The FBI number (UCN) should be indicated, if known. Asterisk indicates mandatory field, but all known data should be provided.

In the event the case goes to the prosecutor this form should be forwarded to the prosecutor with arrestee's case file.

4. The court should complete this form as to final court disposition such as when the arrested person is acquitted, case is dismissed, conviction/sentence imposed or suspended, or person placed on probation.
5. When the arrested person is convicted or pleads guilty to a lesser or different offense than when originally arrested, this information should be clearly indicated.
6. Disposition Maintenance Requested explanation:

 - b. Replace: Replace existing court charge number and associated COL and CPL.

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "OPRA" and the name of your agency in the subject line of all email correspondence.

1. Guidelines developed by the attorney general to ensure the uniform exercise of discretion in making determinations regarding the waiver or reduction of a mandatory minimum term of imprisonment for public officer, employee convicted of certain crimes, as required by N.J.S.A. 2C:43-6.5.
2. Emails and written correspondence between the prosecutor's office and the attorney general's office since 2010 associated with prosecutors recommending pretrial intervention for a defendant charged with a crime that touches public office, pursuant to N.J.S.A. 2C:43-6.5.
3. Data kept by the prosecutor's office on prosecutions of crimes that touch public office for which the attorney general's office was consulted pursuant to N.J.S.A. 2C:43-6.5.

Please note that OPRA remains in effect during the present state of emergency. The recent amendment states: "the custodian of a government record shall make a reasonable effort, as the circumstances permit, to respond to a request for access to a government record within seven business days or as soon as possible thereafter." Please articulate a specific reason if you require an extension beyond seven days. Please note that this request requires neither analysis nor the exercise of judgment in identifying responsive records (See *Burke v. Brandes*, 429 N.J. Super. 169 (App. Div. 2012)). A custodian is obligated to search their files to find identifiable government records (See *Donato v. Township of Union*, GRC Complaint No. 2005-182 (February 2007)).

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannettnj.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt and the legal provisions you contend apply, and release the remainder of such records, redacting only the portion or portions you claim are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

"OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "OPRA" and the name of your agency in the subject line of all email correspondence.

1. Upon completion of the review, the county prosecutor should provide the municipal prosecutor with the signed and complete written statement of reasons accepting or rejecting waiver."
2. Statements provided by the county prosecutor's office to municipal prosecutors since April 14, 2007 pursuant to Attorney General Guidelines for Deciding Whether To Apply for a Waiver of Forfeiture of Public Office Pursuant to N.J.S.A. 2C:51-2(e) which state "if the case is pre-screened by an assistant prosecutor who learns that the defendant is a public employee before referring the case to the municipal prosecutor, the assistant prosecutor should ask the county prosecutor to review the file in order to determine if waiver is warranted. 3. Statements of reasons, complaints in lieu of prerogative writ, and waivers submitted by the county prosecutor's office to courts and defendants since April 14, 2007 pursuant to Attorney General Guidelines for Deciding Whether To Apply for a Waiver of Forfeiture of Public Office Pursuant to N.J.S.A. 2C:51-2(e).

Please note that OPRA remains in effect during the present state of emergency. The recent amendment states: "the custodian of a government record shall make a reasonable effort, as the circumstances permit, to respond to a request for access to a government record within seven business days or as soon as possible thereafter." Please articulate a specific reason if you require an extension beyond seven days.

Please note that the records in this request are clearly identified and this request requires neither analysis nor the exercise of judgment in identifying responsive records (See *Burke v. Brandes*, 429 N.J. Super. 169 (App. Div. 2012)). A custodian is obligated to search their files to find identifiable government records (See *Donato v. Township of Union*, GRC Complaint No. 2005-182 (February 2007)).

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannettnj.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.
