I would like to receive some information regarding the 4 type 33 liquor licenses in the township. Any information on what any of the licenses may have sold (dollar value) for would be appreciated. Between 3-5 years ago. After 5 years, it's just too long to be relevant.

Also, which other 33 license is inactive? The ABC list shows all the licenses as active, which we are working from. Do you have any contact information for that license? Name, address & telephone would be appreciated.

The Custodian is not in possession of any records responsive to your request.

Dear Larry,

Per your OPRA request, below are the links for the tax maps etc. and attached is the most recent zoning map, dated November 19, 2003 and this also has the engineer's information on it that drew it up.

The tax maps can be found at <https://user-gbcbfyns.cld.bz/Map-Book-Frelinghuysen1>.

Our township engineer is on our website www.frelinghuysen-nj.us. We use Maser Consulting.

I am not aware of any dates that these maps (the zoning and tax maps) will be updated but it has been discussed that it needs to be done.

If you should have any questions or concerns, please do not hesitate to contact my office at the above phone number.

Hello Donna,

Thank you for your response. I'm very sorry for the delay. If it's possible, we will take both 3rd Party liens and township held liens. If you can't provide both, we can take whatever you have available. 2015 and 2016 is fine, and any format you can provide to us is fine. Any and all information you can provide, we will take. Thank you for your time and help.

Subject: Re: Lumentum LLC - Tax Sale Data Request

>Dear RJ,

In response to your request for information with regard to tax liens, do you want Township held liens, 3rd party liens or both? I do not have my tax sale until the end of the calendar year. I would only have 2015 & 2016 tax sale information. I do not have this information available on an excel sheet. We do have a website but any property with a lien is referred back to the tax office. Any information you request would be provided for each individual block and lot.

My office hours are Wednesdays from 9:00 to 11:30am. We are a very small municipality.

Donna

Dear Custodian,

Please consider this a formal OPRA request for the unredacted Use of Force reports for incidents occurring in the calendar years 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015 and 2016 from your municipality's police department.

We are entitled to these unredacted reports under N.J.S.A. 47:1A3(b) as a result of the state Supreme Court ruling on July 11, 2017, in the case North Jersey Media Group v. Lyndhurst.

The court wrote in its opinion, "The law calls for disclosure of 'the identity of the investigating and arresting personnel' and adds that the exception on which defendants rely 'shall be narrowly construed.'"

Under that ruling, the court also ruled that "OPRA's criminal investigatory records exception does not apply to records that are 'required by law to be made, maintained or kept on file.' N.J.S.A. 47:1A-1.1. As a result, the exemption does not cover Use of Force Reports, which the Attorney General requires officers to prepare after the use of deadly force."

Therefore, this request cannot be denied under the exemption of an "ongoing investigation" since they are required under the Attorney General's Use of Force Policy, which has "the force of law for police entities." (NJMG v. Lyndhurst)

If your agency chooses to deny, citing safety concerns, please provide a statement for each incident stating why officer or officers' names "will jeopardize the safety of any person . . . or any investigation in progress" or "would be harmful to a bona fide law enforcement purpose or the public safety." (NJMG v. Lyndhurst)

Please email scanned digital copies of the unredacted original Use Of Force forms as PDFs. If the file is too large, we will accept a CD with the requested documents mailed to the address above.

Under penalty of N.J.S.A. 2C:283, I certify that I have not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in the United States.

Please note, this request clearly notes New Jersey's Open Public Record Act, therefore does not need to be on local OPRA forms.

We reserve the right to appeal your decision to withhold any information.

I look forward to your reply via email. We request all correspondence referencing this OPRA be via email.

Thank you for your assistance.

Subject: SmartProcure OPRA Request - Reminder for Township Of Frelinghuysen

Dear Donna or Custodian of Public Records,

SmartProcure submitted an OPRA request on 2017-07-21 and has not received a response or acknowledgment, therefore the original request is being submitted again. If the original request is located, please disregard this request.

SmartProcure is submitting an OPRA request to the Township Of Frelinghuysen for any and all purchasing records from 2017-04-19 to current. The request is limited to readily available records without physically copying, scanning or printing paper documents. Any editable electronic document is acceptable.

The specific information requested from your record keeping system is:

1. Purchase order number. If purchase orders are not used a comparable substitute is acceptable, i.e., invoice, encumbrance, or check number
2. Purchase date
3. Line item details (Detailed description of the purchase)
4. Line item quantity
5. Line item price
6. Vendor ID number, name, address, contact person and their email address

The attached document may be helpful as a reference to fulfill this request if the Township Of Frelinghuysen stores the records using any of the pre-programmed software reports, but the records request is not limited to the reports listed.

Please email the information or use the following web link. There is no file size limitation:
