Treasury	PwC's Request for Records - County of Gloucester Hello: Pursuant to the state open records law N.J. Stat., on behalf of PricewaterhouseCoopers LLP ("PwC"), I am writing to request copies of the County of Gloucester's fiscal records concerning all unclaimed, undeliverable, overdue and/or outstanding funds or obligations, (i.e. deposits or obligations NOT currently held by your State's Unclaimed Property Department) in the amount of \$1,000.00 or greater, currently held in accounts managed by the County of Gloucester, including any and all: 1. Checks or warrants issued by the County of Gloucester for payments on obligations incurred by any County of Gloucester agency, department, office, court, college or other authorized authority that have remained outstanding for a period of six months or longer; AND the payee retains the right to claim the funds. (i.e. The payment has not been replaced, was not issued in error, and/or the obligation to the payee has not been voided by law.) 2. Called, matured, and/or currently redeemable municipal bonds or other securities issued by any County of Gloucester agency, and any outstanding or uncashed dividend payments associated with these securities. 3. Amounts on deposit with the County of Gloucester that are held in trust for recipients whose whereabouts are unknown, including instances in which payment was never attempted, payment was never requested, and/or instances when payments were returned as undeliverable. Such amounts may relate to (but are not limited to) tax refunds, tax overpayments, cash deposits, cash escrows, cash securities, performance bonds, sheriffs bonds, eminent domain, matured government bonds, real estate foreclosures, vendor payments, restitution payments, proceeds from public sales of lost property, unsuccessful electronic fund transfers, and/or lost heir accounts. PwC is only interested in receiving records pertaining to non-natural persons (businesses). PwC is not seeking any records which could invoke a personal privacy exemption. Please also note, that none of the information requested by PwC will be used to solicit owners or third parties. Ideally, the released records should include the amount held on behalf of the payee/recipient, any available identifying information regarding the recipient of the funds, the date associated with the obligation, and information indicating either the account in which the funds are held or the nature of the payment. Additionally, if the County of Gloucester issued a check that was not negotiated, please provide the check number, the check date, and the address where the payment was sent, if available. Responsive documents may include the following: . Stale Dated/Un-cashed Checks Report/Register . Check/Warrant Reconciliation Report/Register . Unclaimed Checks Report . Bond History Log . Reimbursable Bond Report . Performance Bond Deposit Report/List . Active/Open Cash Deposit List . Property Tax Overpayment Log/Ledger . Property tax refund log/ledger Kindly provide this information to me, preferably in Excel, Adobe Acrobat, or Word format, via email to maya.kavtaradze@pwc.com. If your agency does not maintain these public records and/or you are not the custodian of these public records, please either forward our request to the appropriate agency(ies)/person(s) in possession of the documents we are seeking, or otherwise please provide me with the proper custodian's name and email address. (Agencies/Departments which may be in possession of the documents we are requesting include but are not limited to the Clerk, Treasury, Finance Department, Accounting Department, Auditor, Controller, Tax Collector, Public Works, Building Department, Sheriff, Comptroller, and Court(s)). Please notify me if there are any costs associated with fulfilling this request. As provided by the open records law, I will expect your response within a reasonable timeframe. If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Additionally, please provide all segregable portions of otherwise exempt material.	11/1/2017	11/14/2017
