Date to be Available: 11/27/2017

Information Requested

Would it be possible to obtain the detailed accident report for the below listed incidents? I have attached the associated CAD reports.

We are looking for the reporting officers description of the accident.

For example if the driver struck a deer, we can provide additional animal crossing signage as part of the R-24 County Bridge Replacement Project.

If a driver could not see the oncoming car at night, additional lighting may be warranted, etc.

Information Requested

On behalf of the American Civil Liberties Union of New Jersey, I write to inquire about Hunterdon County's response to its obligations under N.J.S.A. A:9-43.18, et seq. (hereafter, "the Act"), requiring that the County establish a "Code Blue Program" for at-risk individuals experiencing homelessness, and to request information pursuant to the Open Public Records Act, N.J.S.A. 47:1A-1, et seq., and the common law right of citizens of the state to obtain access to public documents. South Jersey Publishing Co. v. New Jersey Expressway Auth., 124 N.J. 478, 487-89 (1991). As you are no doubt aware, the Act requires the County Office of Emergency Management - or its appropriate equivalent - to "coordinate with municipal emergency management coordinators in municipalities with a documented homeless population of at least 10, as noted in the most recent Annual Point In Time Count, in developing consistent Code Blue alert plans . . . that provide for emergency warning centers during implementation of a Code Blue alert plan." N.J.S.A. A:9-43.19. The OEM Coordinator must issue a Code Blue Alert "within 24 to 48 hours" in advance of: (1) "temperatures [that] will reach 25 degrees Fahrenheit or lower without precipitation or 32 degrees Fahrenheit or lower with precipitation;" or (2) a "wind-chill temperature [of] zero degrees Fahrenheit or less for a period of two hours or more." N.J.S.A. A:9-43.20. Given the strong likelihood that temperatures will drop below relevant thresholds in the coming weeks if not days, and 2017 data reflecting 130 persons currently experiencing homelessness in Hunterdon County, I request the following information:

1. All records pertaining to the Code Blue Alert Plan currently in effect in Hunterdon County;
2. A list of all municipalities within Hunterdon County that are subject to the Act pursuant to such Municipality's documented homeless population of ten (10) or more individuals, including, where possible, (a) the specific documented homeless population within such municipality; and (2) the name of such municipality's "municipal emergency management coordinator." N.J.S.A. A:9-43. J 9 3. Records reflecting the names of any organizations, groups, individuals, and/or entities with whom the County has arranged to provide emergency warming centers or shelter in the event of a future Code Blue Alert; 4. All records pertaining to agreements between the County and any "volunteer organizations," groups, individuals, and/or entities with whom the County has designated to implement the County's current Code Blue Alert Plan. N.J.S.A. A:9-43.19; 5. Any materials published, produced, or presented by the County and/or its representatives that describe or are used in implementing the County's current Code Blue Alert Plan; and 6. All records pertaining to the County's current Code Blue Alert Plan detailing the planned Provision of transportation to deliver at-risk individuals to local shelters and/or emergency Warming centers in the event of a Code Blue Alert. If you determine that any portion of the above-requested records are exempt from release, we request that you redact the portion that you believe exempt and provide us with copies of the remaining, non-exempt portions. If any or part of this request is denied, please send letter describing the material and listing the specific exemption(s) on which you rely.

If the cost of copies for this request does not exceed \$ 10, proceed without further approval and send me an invoice with the records. Otherwise, please advise me of the costs before filling the request so that we can discuss arrangements. Thank you for your attention to this matter and for your assistance. Please contact me with any questions or concerns at (973) 854-1728.

I am seeking any kind of record of arrest or indictment for ELEAZER COFFIN, circa 1795. In 1795, ELEAZER COFFIN and PHILIP BEVAN were apprehended by Hunterdon County Sheriff JOHN ANDERSON for the crime of counterfeiting. I am trying to locate some record of this within your indictments collection, RG 295, or in any other relevant collections. Thank you for your help!

Please find attached a copy of an OPRA request form for access to government records. Specifically, I am trying to find any kind of arrest or indictment records for an ELEAZER COFFIN, who, along with PHILIP BEVAN, was apprehended in 1795 by Hunterdon County Sheriff JOHN ANDERSON for the crime of counterfeiting.

(This event was recounted in the publication, "The First 275 Years of Hunterdon County, 1714-1989," and cited as an example of why New Jersey got out of printing its own money; apparently, it got counterfeited quite frequently.)

State v. Vincent R. Pasquarelli - Clinton Township - 10/14/2017 -

File No. 2017-024543 -

~All CAD reports and entries regarding the investigation, stop and arrest of Vincent Pasquarelli for DWI

I'm looking for the CAD report from a motor vehicle stop that became a DWI arrest on October 14, 2017. My client is Vincent Pasquarelli. Involved agency is Clinton Township Police Department, the officer was Patrolman Brian Dickson. The stop was on Route 22/Potterstown Road, Clinton, New Jersey on the border of Readington. Officer Woolverton of the Readington Township Police Department also arrived on scene. The stop occurred at approximately 0111 Hours.

Information Requested

Pursuant to the state open records law N.J. Stat., on behalf of PricewaterhouseCoopers LLP ("PwC"), I am writing to request copies of the County of Hunterdon's fiscal records concerning all unclaimed, undeliverable, overdue and/or outstanding funds or obligations, (i.e. deposits or obligations NOT currently held by your State's Unclaimed Property Department) in the amount of \$1,000.00 or greater, currently held in accounts managed by the County of Hunterdon, including any and all: 1. Checks or warrants issued by the County of Hunterdon for payments on obligations incurred by any County of Hunterdon agency, department, office, court, college or other authorized authority that have remained outstanding for a period of six months or longer; AND the payee retains the right to claim the funds. (i.e.

The payment has not been replaced, was not issued in error, and/or the obligation to the payee has not been voided by law.) 2. Called, matured, and/or currently redeemable municipal bonds or other securities issued by any County of Hunterdon agency, and any outstanding or uncashed dividend payments associated with these securities.

3. Amounts on deposit with the County of Hunterdon that are held in trust for recipients whose whereabouts are unknown, including instances in which payment was never attempted, payment was never requested, and/or instances when payments were returned as undeliverable. Such amounts may relate to (but are not limited to) tax refunds, tax overpayments, cash deposits, cash escrows, cash securities, performance bonds, sheriffs bonds, eminent domain, matured government bonds, real estate foreclosures, vendor payments, restitution payments, proceeds from public sales of lost property, unsuccessful electronic fund transfers, and/or lost heir accounts. PwC is only interested in receiving records pertaining to non-natural persons (businesses). PwC is not seeking any records which could invoke a personal privacy exemption. Please also note, that none of the information requested by PwC will be used to solicit owners or third parties. Ideally, the released records should include the amount held on behalf of the payee/recipient, any available identifying information regarding the recipient of the funds, the date associated with the obligation, and information indicating either the account in which the funds are held or the nature of the payment. Additionally, if the County of Hunterdon issued a check that was not negotiated, please provide the check number, the check date, and the address where the payment was sent, if available. Responsive documents may include the following: State Dated/Un-cashed Checks Report/Register, Check/Warrant Reconciliation Report/Register, Unclaimed Checks Report, Bond History Log, Reimbursable Bond Report, Performance Bond Deposit Report/List, Active/Open Cash Deposit List, Property Tax Overpayment Log/Ledger, Property tax refund log/ledger

- Flemington Free Library• Holland Free Public Library• Readington Township Library
- Frenchtown Public Library• Lambertville Free Library• Tewksbury Township Public Library

A copy of the form has been included for your review and clarity of the request.

The Rutgers-Center for State Health Policy, has been funded by the Robert Wood Johnson Foundation to explore how key community institutions (e.g., libraries) play a role in improving the health of the community. As part of this effort, we're interested in documenting the uses of public space in libraries for health-related activities. We will use this information to categorize the different types of health-related activities along with their frequency and numbers of participants. We believe that this approach will capture a unique view of the current and potential role of libraries in promoting a culture of health in their communities.
