This is a request for public records pursuant to the Open Public Records Act (OPRA), N.J.S.A. 47:1A-1 et seq., and the common law right of citizens of the state to obtain access to public documents. South Jersey Publishing Co. v. New Jersey Expressway Auth., 124 N.J. 478, 487-89 (1991). Please note that this letter contains the statutory requirements for a written OPRA request and we are not required to fill out an official form. Renna v. County of Union, 407 N.J. Super. 230 (App. Div. 2009)- We have already sent a similar request to The Director of the New Jersey Division of Elections who directed us to request the documents from each of the state's counties. Section 8 of the National Voter Registration Act requires states to conduct a "general program that makes a reasonable effort to remove the names of ineligible voters" from the official voter list by reason of death or a change of residence. 52 U.S.C. § 20507(a). The same section provides that states .. are not precluded" from removing voters from the official registration list due to (1) the request of the voter; (2) death; (3) criminal conviction; or (4) mental incapacity. To investigate the implementation of this process, we request> pursuant to OPRA, that your office produce the following materials: (1) All copies of policies or procedures utilized from January 1, 2012, to the present concerning any and all processes for voter roll maintenance) i.e., periodic removal of ineligible voters from the official registration list. This includes, but is not limited to: (a) Documents identifying the beginning and end dates of any' such removal processes undertaken since January 1, 2012; (b) Documents concerning any and all processes for identifying whether individuals on the official voter registration list have moved outside their county and/or state of residence; (c) Documents concerning any and all procedures for removing voters on the basis of voter's death; (d) Documents concerning any and all procedures for removing voters on the basis of felony criminal conviction, if such removal is required by state law; (e) Documents concerning any and all voters who have been challenged at their polling place, including affidavits prepared by the challenger and challenged voters and other records prepared by any Board of Elections related to challenged voters. (2) Documents from January 1, 2012, to the present concerning the number of voters removed from the official voter registration list through any of the processes encompassed in Request Number 1, including a numerical break-down of the total voters removed, by reason for removal from the rolls; county of residence; and race if applicable. (3) Documents listing the voters removed from the official voter registration list through any of the processes encompassed in Request Number 1, including each removed voter; s address, date of registration, date of cancellation, race if available, the reason for the voter's removal, the voter's state-issued "Voter Identification" number (if applicable), and any other contact information, excluding only that information that is required to be redacted pursuant to OPRA. (4) Documents from January 1, 2012, to the present concerning the number of notices sent in total in your county to individuals pending removal for any reason, including, but not limited to, a suspected change in address, pursuant to 52 U.S.C. § 20507. (5) Documents listing the voters in your county who were sent confirmation notices pending removal as described in Request Number 4, including each voter's address, date of registration, date of notice, race if available, the voter's state-issued "Voter Identification" number (if applicable), any other contact information, the reason for the notice, and the reason for the voter's removal. In accordance with OPRA, we look forward to receiving a response to this request within seven business days. If you determine that any portion of the requested materials are exempt from release, please redact only that which you believe is exempt and provide the remaining, nonexempt portions. See N.J.S.A. 47:1A-5(g). Also, please send us the required index detailing the specific exemptions that justify each redaction or withheld document. See Paffv. NJ. Dep't of Labor, 392 N.J.
