Subject: Use of Force OPRA request

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "Use of Force OPRA request" and the name of your agency in the subject line of all email correspondence.

1. Use of Force reports received by the prosecutor's office from 2010 to the date of this request from agencies within the prosecutor's office jurisdiction.
2. Annual summary reports on use of force by law enforcement officers within the prosecutor's office jurisdiction from 2010 to the date of this request.
3. Electronic data on use of force by law enforcement officers aggregated from use of force reports received by the prosecutor's office from 2010 to the date of this request, including: time, date, day of week, location, incident number, type of incident, officer name, badge number, sex, race, age, whether the officer was injured or killed, rank, duty assignment, years of service, on-duty status, uniform status, subject names, sex, race, age, weapon, under the influence or other unusual condition, arrested, charges, whether the subject was injured or killed, subject's actions, officers use of force, name of the supervisor who signed the report and date it was approved.

Please see New Jersey Supreme Court decisions *North Jersey Media Group v. Lyndhurst* and *John Paff v. Galloway Township*.

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannett.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If the agency claims any portion of the above public records are exempt from disclosure under the law, in writing please (1) identify which portion or portions it claims are exempt and the legal provisions it contends apply; (2) set forth the reasons for its conclusion that such portion or portions are exempt; and (3) release the remainder of such records, redacting only the portion or portions it claims are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Sincerely,

Andrew Ford
