Monmouth County Prosecutor's Office
132 Jerseyville Avenue
Freehold, New Jersey 07728
Attn: OPRA Custodian of Records

and either mailed or taken directly to the Prosecutor's Office. This office also accepts requests by fax when clearly addressed to the attention of the "OPRA Custodian of Records." This office accepts requests by email **ONLY** at the following address: opra@mcponj.org. See Paff v. City of East Orange, 407 N.J. Super. 221, 227-28 (App. Div.), certif. denied, 200 N.J. 476 (2009). When a request is received by email, a confirmation of receipt will be sent in reply; until and unless a reply confirmation is received, requestors should not assume their email request was received by the records custodian. Ibid. Requests sent to other email addresses and/or not addressed to the OPRA Custodian of Records may not be received by the Custodian.

A Right to Discovery is Separate and Distinct from a Right to Access Public Records.

OPRA is a public disclosure statute and is **not** intended to replace or supplement the discovery of private litigants. Constantine v. Township of Bass River, 406 N.J. Super. 305, 324-25 (App. Div. 2009), certif. denied, 200 N.J. 208 (2009); MAG Entertainment, LLC v. Division of Alcoholic Beverage Control, 375 N.J. Super. 534, 545-46 (App. Div. 2005). Requests for discovery of materials that are not public government records should be made in accordance with the applicable Court Rules.

Procedure for Filing an Appeal.

A person who is denied access to a government record by the custodian of the record, at the option of the requestor, may:

Institute a proceeding to challenge the custodian's decision by filing an action in Monmouth County Superior Court which shall be heard by a Superior Court Judge who has been designated to hear such cases because of that judge's knowledge and expertise in matters relating to access to government records;

Or in lieu of filing an action in Superior Court, file a complaint with the Government Records Council established in subsection 8 of P.L.2001, c.404 (C.47:1A-7).

The right to institute any proceeding under this section shall be solely that of the requestor. Any such proceeding shall proceed in a summary or expedited manner. The public agency shall have the burden of proving that the denial of access is authorized by law. If it is determined that access has been improperly denied, the court or agency head shall order that access be allowed. A requestor who prevails in any proceeding shall be entitled to a reasonable attorney's fee.

Neptune Township PD Incident No. 15NT31380
Asbury Park PD Incident No. 15AP35299
Monmouth County Sheriff's Dept. Call No. 15-512826
Criminal Case Status: Closed / No Active Leads / Unsolved

Dear Records Custodian:

Introduction:

The undersigned and his firm are licensed by the NJSP as Private Detectives pursuant to NJSA 45:19 et seq., known as the "*The Private Detective Act of 1939*" under License No. 3897.

As such, we are not ordinary requestors based upon our statutory authority to conduct civil and criminal investigations on behalf of our clients in NJ.

Also, our office serves a public policy interest in the protection of insurance carriers and their policyholders from insurance fraud when retained to investigate their claims.

Our firm has been retained to investigate captioned incident on behalf of the O'Brien-Major VFW Post #2639, their insurance carrier, and their defense counsel.

A civil lawsuit has not been filed in this case, but an insurance claim has been filed.

Case History:

Captioned case was closed on 02/01/2016, after Neptune police were unable to secure any cooperating witnesses (including victim), and exhausting all active leads.

Civil and Criminal Litigation Support • Due Diligence • Commercial / Corporate / Personal Cases

certain criminal investigative records even when cases are closed.

However, NJOPRA **does not require** exemption of criminal records from release.

The release of normally exempt records is **permissible** under NJOPRA **subject to your discretion.**

We suggest releasing these records under NJOPRA presents no negative impact to your office in this special case, and presents a fundamental positive impact to the public interest.

As you know, records in such cases are alternately discoverable by subpoena when a civil suit exists. This case is not in suit, and therefore this discovery option is not available at this time.

Acquiring your records is critical to our investigation.

We would also request an appointment for a verbal conference with the lead detective (s) to discuss the case.

Please consider these points in your response to our NJOPRA request.

Records Requested:

The following police records concerning captioned case are requested:

1. A copy of the "VFW Hall Rental Contract" secured by Neptune PD from VFW Commander Don Braxton on 11/28/2015
2. 9-1-1 Telephone recordings
3. Police radio transmission recordings
4. Investigation Reports & Supplementary Investigation Reports
5. Incident Reports & Supplementary Incident Reports
6. Towed Vehicle / Impound Reports
7. Evidence/Property Reports and Evidence/Property Vouchers
8. Laboratory Requests & Findings including Latent Prints, and DNA
9. Statements: audio/video, and/or printed of any witnesses
10. 3-D Laser Scanner Data of the Crime Scene, if applicable

11. MV Mechanical Inspection Reports of any vehicles impounded
12. Crime scene diagram (s)
13. Photos of crime scene (s), and evidence
14. Video of crime scene (s)
15. Ballistic and Trajectory Reports.

Closing Remarks:

Thank you in advance for any consideration or courtesies you may grant to this request.

Please contact the undersigned regarding our request to meet with the lead detective (s).

Please advise the undersigned of any fees associated with this request.

As always, if you have any questions, please contact the undersigned by phone, cell phone, email, text or fax.

Very truly yours,

Under the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 et seq., I am requesting copies of public records that detail the mugshot, investigation, court transcripts, arrest, arraignment, indictment, grand jury findings, witness statements and/or final plea agreement, pretrial intervention or resolution in the felony case involving Dwayne William Horner (DOB - July 6, 1969). This pretrial intervention was moved to a Texas court in 2015.

I also am requesting the name and contact information for the law enforcement officer and prosecutor who investigated the crime committed by Horner.

Horner was indicted in Monmouth County in August of 2014 on a felony count of impersonation for pretending to be a representative of some person or organization ... for the purpose of obtaining a benefit for himself or another. The criminal act occurred in June of 2013.

His arraignment took place before Superior Court Judge Ronald Lee Reisner.

More information about the arrest and indictment can be found here:

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$200.

The New Jersey Open Public Records Act requires a response time of seven business days. If access to the records I am requesting will take longer than this amount of time, please contact me with information about when I might expect copies or the ability to inspect the requested records.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

[REDACTED]
Neptune, New Jersey 07753

I am requesting record/report and all documents of my call with my call today with Mahoney in the professional responsibility and bias crime bureau.
I am requesting record and report and all documents for why Mahoney sent Neptune Township Police to my house.
I am requesting record and report and document as to why I was video recorded.
I am requesting record/report and all documents of any other law enforcement officer on any level of law enforcement that was involved with my telephone conversation and the Neptune Township Police coming to my house.

Mahoney should not be handling my records request.
I am requesting to make complaint against Mahoney. I am requesting complaint procedures.
My attempts to make complaints are violently manipulated by law enforcement for law enforcements gain.

Refusal to process my complaints is a severe threat to me and sending the Neptune Township Police is a threat the same as the threat I received Saturday by law enforcement.

No changes you made has benefitted a victim of law enforcement.
An actual victim of law enforcement.
What was done to me today by the MONmouth County Prosecutors office was to benefit the Monmouth County Prosecutors Office and their relationship with everyone they want a relationship with.

No one is going to EVER prosecute anyone for me but I better make sure I do not do anything out of place or I will lose everything I have. All I have is about \$0.25 cents so it nots so hard to take what I have. Like my time and following me to the mall to give me tickets.
