Dear Mr. Kostecki,

As discussed this date, I represent the Sellers, Mr. and Mrs. Charles Bench, with relation to the sale of their home located at 29 Tilton Avenue, South Tom River. As further discussed, the attorney for the Buyer has requested copies of construction permits for improvements made upon the property by the Sellers well more than 10 years ago. In our conversation you advised that records of South Toms River construction/construction permits had been kept with the County and that same were destroyed in a fire, causing all such construction records/permits preceding said fire to be now destroyed/unavailable. As requested, would you please provide me with your correspondence beneath your letterhead confirming this fact and, if you are able, include in same the approximate date only from which such construction records/permits may now be acquired.

Please give your earliest attention to this request.

Please call with any questions.

Thank you,

John Reilly

Opra request, please send by email the 1958 master plan for Lakewood township.

I have requested the 1958 master plan from the Lakewood township clerk directly, however they cannot locate it. Besides the township itself, a copy of the master plan is submitted to the county, therefore I'm now filing this opra request with the country.
