Please be advised that Ocean County handled construction records for the Borough of South Toms River back in the 1990s. We understand that some of these records were lost in a fire during that time period. Therefore, we do not expect any of the requested records to be found. If there are no records, kindly notate as such in written fashion to me. If you can please identify the timeframe in which files were destroyed, that would also be very helpful for any future requests. Thank you for your time. Be well.

Dear Mr. Kostecki,

As discussed this date, I represent the Sellers, Mr. and Mrs. Charles Bench, with relation to the sale of their home located at 29 Tilton Avenue, South Tom River. As further discussed, the attorney for the Buyer has requested copies of construction permits for improvements made upon the property by the Sellers well more than 10 years ago. In our conversation you advised that records of South Toms River construction/construction permits had been kept with the County and that same were destroyed in a fire, causing all such construction records/permits preceding said fire to be now destroyed/unavailable. As requested, would you please provide me with your correspondence beneath your letterhead confirming this fact and, if your are able, include in same the approximate date only from which such construction records/permits may now be acquired.

Please give your earliest attention to this request.

Please call with any questions.

Thank you,

John Reilly

Hi,

As you may know, Lakewood is poised to vote on a Master Plan that will quadruple density in parts of town on October 3rd. In September, the Lakewood Planning Board held 4 public hearings discussing the Master plan. As you can see in the below NJ MLUL ordinance, they are required to notice the neighboring towns regarding the meetings.

It is in the interests of the neighboring towns to provide legal input at the critical October 3rd meeting regarding the problems with this plan.

OPRA REQUEST: Please send me proof via email that notice was given to your township offices regarding the Lakewood Master Plan hearings.

Thank you!

40:55D-13. Notice concerning master plan.

The planning board shall give: (1) Public notice of a hearing on adoption, revision or amendment of the master plan; such notice shall be given by publication in the official newspaper of the municipality, if there be one, or in a newspaper of general circulation in the municipality at least 10 days prior to the date of the hearing;

(2) Notice by personal service or certified mail to the clerk of an adjoining municipality of all hearings on adoption, revision or amendment of a master plan involving property situated within 200 feet of such adjoining municipality at least 10 days prior to the date of any such hearing;

(3) Notice by personal service or certified mail to the county planning board of (a) all hearings on the adoption, revision or amendment of the municipal master plan at least 10 days prior to the date of the hearing; such notice shall include a copy of any such proposed master plan, or any revision or amendment thereto; and (b) the adoption, revision or amendment of the master plan not more than 30 days after the date of such adoption, revision or amendment; such notice shall include a copy of the master plan or revision or amendment thereto.

REQUEST FOR RECORDS UNDER THE COMMON LAW

If, in addition to requesting records under OPRA, you are also requesting the government records under the common law, please check the box below.

A public record under the common law is one required by law to be kept, or necessary to be kept in the discharge of a duty imposed by law, or directed by law to serve as a memorial and evidence of something written, said, or done, or a written memorial made by a public officer authorized to perform that function, or a writing filed in a public office. The elements essential to constitute a public record are that it be a written memorial, that it be made by a public officer, and that the officer be authorized by law to make it.

☐ Yes, I am also requesting the documents under common law.

If the information requested is a "public record" under common law and the requestor has a legally recognized interest in the subject matter contained in the material, then the material must be disclosed if the individual's right of access outweighs the State's interest in preventing disclosure.

Please set forth your interest in the subject matter contained in the requested material:

Note that any challenge to a denial of a request for records under the common law cannot be made to the Government Records Council, as the Government Records Council only has jurisdiction to adjudicate challenges to denials of OPRA requests. A challenge to the denial of access under the common law can be made by filing an action in Superior Court.

1. All government records are subject to public access under the Open Public Records Act ("OPRA"), unless specifically exempt.
2. A request for access to a government record under OPRA must be in writing, hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the appropriate custodian. N.J.S.A. 47:1A-5.g. The seven (7) business day response time does not commence until the records custodian receives the request form. If you submit the request form to any other officer or employee of the **Lakewood Township**, that officer or employee must either forward the request to the appropriate custodian, or direct you to the appropriate custodian. N.J.S.A. 47:1A-5.h.
3. Requestors may submit requests anonymously. If you elect not to provide a name, address, or telephone number, or other means of contact, the custodian is not required to respond until you reappear before the custodian seeking a response to the original request.
4. The fees for duplication of a government record in printed form are listed on the front of this form. We will notify you of any special service charges or other additional charges authorized by State law or regulation before processing your request. Payment shall be made by cash, check or money order payable to the **Lakewood Township**.
5. **You may be charged a 50% or other deposit when a request for copies exceeds \$25.** The **Lakewood Township** custodian will contact you and advise you of any deposit requirements. You agree to pay the balance due upon delivery of the records. Anonymous requests in excess of \$5.00 require a deposit of 100% of estimated fees.
6. Under OPRA, a custodian must deny access to a person who has been convicted of an indictable offense in New Jersey, any other state, or the United States, **and** who is seeking government records containing personal information pertaining to the person's victim or the victim's family. This includes anonymous requests for said information.
7. By law, the **Lakewood Township** must notify you that it grants or denies a request for access to government records within seven (7) business days after the agency custodian of records receives the request. If the record requested is not currently available or is in storage, the custodian will advise you within seven (7) business days after receipt of the request when the record can be made available and the estimated cost for reproduction.
8. You may be denied access to a government record if your request would substantially disrupt agency operations and the custodian is unable to reach a reasonable solution with you.
9. If the **Lakewood Township** is unable to comply with your request for access to a government record, the custodian will indicate the reasons for denial on the request form or other written correspondence and send you a signed and dated copy.
10. Except as otherwise provided by law or by agreement with the requester, if the agency custodian of records fails to respond to you within seven (7) business days of receiving a request, the failure to respond is a deemed denial of your request.
11.
