RE: Somerset County OPRA Request

Dear Sir/Madam:

The OPRA request you submitted to the County of Somerset was forwarded to our office for response. Your request is seeking copies of all OPRA requests made to Somerset County from August 1, 2017 to November 20, 2017.

Please be advised that there is a significant volume of records potentially responsive to your request. Moreover, because these records are maintained in hard copy form and not in chronological order, a County representative will have to manually review these records to determine which are responsive to the request. This will likely cause a substantial disruption to County operations and therefore, the County of Somerset requires an additional thirty (30) days within which to respond to your request.

We will forward the requested records as soon as they become available. If you have any additional questions or require any further information, please do not hesitate to contact me. Thank you.

Very truly yours,

William Cooper, III
