Sussex County Prosecutor

Dear Custodian of Records:

Pursuant to the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 *et seq.* ("OPRA"), the Open Public Meetings Act ("OPMA") and the common law, I am writing to request the following records:

Copy of order dismissing criminal charges against [REDACTED] from Feb. 8, 2017 and filings, if they exist, submitted on behalf of the Prosecutor's Office related to that dismissal.

I agree to pay any reasonable duplication fees for the processing of this request in an amount not to exceed \$25. If the cost will be more than this amount, please contact me as soon as possible to discuss the fee.

If there are no records responsive to this request, please notify me, in writing, of this fact. If there are portions of a record(s) which must be redacted, please identify the record that has been redacted and the legal basis for your contention that the redacted portion(s) is exempt from disclosure under OPRA. If a record(s), in its entirety, is exempt from disclosure under OPRA, kindly notify me, in writing, of the exemption under OPRA upon which you are relying. I reserve the right to appeal any decision to withhold any information and/or to dispute fees charged.

Because such information must be made readily available, I anticipate receiving it as soon as possible but, in no event, later than the seven (7) business days required by law. If you cannot make the requested documents available to me within that statutory timeframe, kindly let me know, in writing, when I can expect the documents and the reason for the delay. I prefer to have the records emailed to me at [REDACTED]

Thank you for your prompt attention to this matter.

Sincerely,

I am looking for information concerning the municipal police department agencies in Sussex County that report to the Sussex County Prosecutors Office. Specifically, I am looking to see which municipalities have police departments and which do not.

Please consider the below records request.

I am seeking copies of all records in the custody of the Sussex County Prosecutor's Office regarding [REDACTED], indictment no. [REDACTED]

Specifically, I am seeking copies of medical examiner's reports, crime scene analyses, 911 calls, recordings of interviews with the defendant.

I am requesting these records under both the Open Public Records Act and common law right of access. While OPRA contains exemptions for certain criminal investigatory records, under the common law right of access, the overwhelming public interest in disclosure of certain police records can, in certain instances, outweigh the state's interest in secrecy.

In this case, the prosecutor's office dropped charges against [REDACTED] after receiving additional evidence including expert opinions contradicting the homicide ruling.

There is an overwhelming public interest in the disclosure of the office's evidence and expert reports so the press and members of the public can compare the findings.

The contents of the reports, as well as the 911 calls and custodial interview of [REDACTED] have already been described in court proceedings and in press accounts.

Additionally, your office has indicated that while the case remains open, it is no longer pursuing criminal charges against [REDACTED]

I am seeking these records in electronic format where available. If they are only available in hard copy, I will arrange to pick them up in person.

I can be reached at [REDACTED]

Thank you,

Subject: OPRA request

Pursuant to the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 *et seq.* ("OPRA") and the common law, I am writing to request information **required to be released within 24 hours** pursuant to N.J.S.A. 47:1A-3(b) related to the following case:

- Any reports or information available – including criminal complaints, affidavits and the 24-hour notice – for a theft of \$239,000 worth of artwork from a Sparta home. The theft was believed to have occurred on July, 10, when [REDACTED] entered the home to repair a busted pipe.

As I am sure you are aware, Section 3(b) of OPRA specifically provides that when a crime has been reported but no arrest made, the following information about the crime must be provided: the type of crime, time, location, and type of weapon, if any.

If an arrest has been made, N.J.S.A. 47:1A-3(b) requires the following information, in addition to that above, to be provided: the name, address and age of any victims (with certain exceptions, such as inability to notify next of kin of any victims of injury and/or death or where release of name contrary to existing law or Court Rule); defendant's name, age, residence, occupation, marital status, and similar background information, and the identity of the complaining party unless the release of such information is contrary to existing law or Court Rule; the text of any charges; the identity of the investigating and arresting personnel and agency and the length of the investigation; the circumstances immediately surrounding the arrest, including but not limited to the time and place of the arrest, resistance, if any, pursuit, possession and nature and use of weapons and ammunition by the suspect and by the police; and circumstances surrounding bail, whether it was posted and the amount.

I agree to pay any reasonable duplication fees for the processing of this request in an amount not to exceed \$20. If the cost will be more than this amount, please contact me as soon as possible to discuss the fee.

If there are portions of a record(s) which must be redacted, please identify the record that has been redacted and the legal basis for your contention that the redacted portion(s) is exempt from disclosure under OPRA. If a record(s), in its entirety, is exempt from disclosure under OPRA, kindly notify me, in writing, of the exemption under OPRA upon which you are relying. I reserve the right to appeal any decision to withhold any information and/or to dispute fees charged.

3(b) information must be made available within 24 hours and I anticipate receiving it as soon as possible. Because the remaining records must be made readily available, I anticipate receiving them as soon as possible but, in no event, later than the seven (7) business days required by law. If you cannot make the requested documents available to me within that statutory timeframe, kindly let me know, in writing, when I can expect the documents and the reason for the delay.

I ask that you email me the documents at [REDACTED] if possible. In the event that the attached files are large, please confirm receipt. You may contact me at [REDACTED]. Thank you for your prompt attention to this matter.

Dear Sussex County Prosecutor's Office,

This is a request for public records made under OPRA and the common law right of access. I certify under penalty of NJSA 2C:28-3 that I have not been convicted of an indictable offense. Please acknowledge receipt of this message.

Records requested:

1. Copies of all records documenting the acquisition of StingRay, AmberJack, KingFish or similar cell site simulator technologies by your agency from January 1, 2011 to November 20th, 2017. I mean "acquisition" in its broadest sense, including agreements under which the county prosecutor's office or county law enforcement agencies have leased, borrowed or otherwise come into physical possession of these technologies.
2. According to a document on-line here, Harris Corp. and other vendors sometimes requires law enforcement agencies to sign an agreement requiring the agency to notify the Harris Corp if it receives an Open Public Records Act request seeking information about its products. I would like copies of any such agreements on file with this office.
