Please accept this request pursuant to OPRA and the common law right of access:

I would like a copy of your OPRA Log for 2017, 2018, and 2019 (i.e. a log of all OPRA requests your agency received since January 1, 2017). If you do not keep a log of your OPRA requests, then I will need to log them myself and therefore ask for a copy of all OPRA requests received by your agency since January 1, 2017.

Dear Mr. Wronko:

The Borough of Allenhurst and the official Records Custodian received your Open Public Records Act (OPRA) request on November 14, 2019. As such, the seven (7) business day deadline to respond to your request is November 25, 2019. This response to your request is being provided to you on the sixth business day after the custodian's receipt of said request.

Your OPRA request sought a copy of the following:

1. A copy of your OPRA Log for 2017, 2018, and 2019 (i.e. a log of all OPRA requests your agency received since January 1, 2017).
2. If you do not keep a log of your OPRA requests, then a copy of all OPRA requests received by your agency since January 1, 2017.

Please be advised that the Borough of Allenhurst does not maintain any documents responsive to your request for an OPRA Log for the years 2017, 2018, and 2019. In response to your request for all OPRA requests received by the Borough of Allenhurst since January 1, 2017, please see the attached.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Borough of Allenhurst to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Donna M. Campagna, RMC

Woodbridge Corporate Plaza

485 Route 1 South, Building E, Suite 300

Iselin, NJ 08830-3009

Dear Custodian,

Please consider this a formal request under the Open Public Records Act and common law right to know for the following:

- the unredacted **Use of Force reports** for incidents occurring in the calendar years **2017 and 2018** from your municipality's police department
- **annual use of force reports** (or each quarterly reports for the entire year, if annual is not required) as submitted to the county prosecutor's office
- **professional standards annual reports** (or each quarterly reports for the entire year, if annual is not required) as submitted to the county prosecutor's office

We are entitled to these unredacted reports under N.J.S.A. 47:1A3(b) as a result of the state Supreme Court ruling on July 11, 2017, in the case North Jersey Media Group v. Lyndhurst.

The court wrote in its opinion, "The law calls for disclosure of 'the identity of the investigating and arresting personnel' and adds that the exception on which defendants rely 'shall be narrowly construed.'"

Under that ruling, the court also ruled that "OPRA's criminal investigatory records exception does not apply to records that are "required by law to be made, maintained or kept on file." N.J.S.A. 47:1A-1.1. As a result, the exemption does not cover Use of Force Reports, which the Attorney General requires officers to prepare after the use of deadly force."

Therefore, this request cannot be denied under the exemption of an "ongoing investigation" since they are required under the Attorney General's Use of Force Policy, which has "the force of law for police entities." (NJMG v. Lyndhurst)

If your agency chooses to deny, citing safety concerns, please provide a statement for each incident stating why officer or officers' names "will jeopardize the safety of any person . . . or any investigation in progress" or "would be harmful to a bona fide law enforcement purpose or the public safety." (NJMG v. Lyndhurst)

Please email scanned digital copies of the unredacted original Use Of Force forms as PDFs. If the file is too large, we will accept a CD with the requested documents mailed to the address above. We will not accept paper records.

We understand subject information may be subject to redactions if their information is protected under other statutes, such as HIPPA or juveniles.

Under penalty of N.J.S.A. 2C:283, I certify that I have not been convicted of any indictable offense under the laws of New Jersey, or any other state, or in the United States.

Please note, this request clearly notes New Jersey's Open Public Record Act, therefore does not need to be on local OPRA forms. We reserve the right to appeal your decision to withhold any information.

I look forward to your reply via email. We request all correspondence referencing this OPRA be via email.

Thank you for your assistance.

Licenses

To: <dcampagna@allenhurstnj.org>

December 13, 2018

To Whom It May Concern:

Pursuant to the New Jersey Open Public Records Act, I hereby request the following records:

Any and all available dog licensing and registration data for dogs within your jurisdiction (all dogs actively registered for 2018, I am not seeking historical records)

Please include all available segregable data, including but not limited to:

- the breed of the dog
- the color of the dog
- the dog's date of birth
- the dog's name
- the owner's name
- the owner's address and applicable zip code
- any other available notes (rabies vaccine status, spay/neuter status, license #)

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment (excel preferred) if available or CD-ROM if not. If your pet licensing is all in one database (cats, dogs) I am happy to receive it all and remove the non dog data on my side to save you time.

Thank you in advance for your anticipated cooperation in this matter.

I look forward to receiving your response to this request within 7 business days, as the statute requires.

Sincerely,

Savannah St. John

Subject: OPRA request

Hi there,

Please see the OPRA request below. Please confirm receipt of this request, and feel free to call me at 732-643-4061 with questions.

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please include "OPRA" and the name of your agency in the subject line of all email correspondence.

1. 911 and non-emergency call recordings placed by Terrence McGhee from 2010 to present.
2. Incident reports and supplemental reports naming Terrence McGhee as a party from 2010 to present.
3. Computer assisted dispatch reports naming Terrence McGhee from 2010 to present.
4. Arrest reports naming Terrence McGhee from 2010 to present.
5. Criminal charges against Terrence McGhee from 2010 to present.
6. 911 and non-emergency call recordings placed by Lorraine McGhee from 2010 to present.
7. Incident reports and supplemental reports naming Lorraine McGhee as a party from 2010 to present.
8. Computer assisted dispatch reports naming Lorraine McGhee from 2010 to present.
9. Arrest reports naming Lorraine McGhee from 2010 to present.
10. Criminal charges against Lorraine McGhee from 2010 to present.

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (kkachmar@app.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt and the legal provisions you contend apply, and release the remainder of such records, redacting only the portion or portions you claim are exempt.

Thank you for your time and consideration. Don't hesitate to email or call with questions.

Sincerely,

Kala

From: Freida Shalam <fshalam@aol.com>

Cc: Donna Campagna
Subject: Allenhurst beach club issues

Hi Ronni & Donna ,

I am reaching out to both of you so we have an email thread of my requests below.

Please Can you share this email with the commissioners and our borough attorney .

1-I need the exact reasoning, quoting the bylaws ,as to why the town is now not allowing me to have a co- principal on my cabana?

My daughter Haley Shalam has been a member with me since the day she was born - i chose her as my youngest to be my co- principal because that specific year of my request - an abc representative - told me "if you die FRIEDA ,the Cabana goes back into the pool" . This was the same year my Cabana was graffitied with Jewish stars & hitler signs and all my alcohol and belongings were stolen . I reported the harassment , comments and threat to Lori & chief richter at the time . I was shaking, thinking someone was wishing me dead and wanted my youngest child to be my co-principal - figuring they wouldn't kill her too.

I would like to know why this is still an issue today ? We need the exact paragraph in the bylaws supporting the decision NOT to grant my daughter ,who goes to school and lives with me @ 120 Spier Ave since the day she's born , as my co-principal?

Please i need copies of the minutes from the last commissioner meaning when this was denied plus the exact bylaws supporting their decision.

2- I also need the minutes from the commissioners meeting when they decided to take my son Maurice Shalam off the Cabana list at the number 32 position and decided to place him on the bottom of the Cabana list when my children clearly after many documented emails - bought 205 page Ave before the new amendment was put into our law books . This amendment was regarding the Cabana waitlist , where each person on the waitlist would Now need their "own" separate residence in Allenhurst in order to stay on the Cabana waitlist .

We had sent in all supporting documents proving my children's purchase and closing of 205 Page Ave BEFORE the deadline and BEFORE the amendment became part of the bylaws . Maurice Shalam had the legal right to remain at the #32 position on the Cabana waitlist and not to be placed on the bottom of the list .

So Please can we have copies of the exact section in the bylaws that supported their decision to remove Maurice from #32 and the rationale from the bylaws supporting the placement of putting Maurice Shalam on the bottom of the Cabana list as well as the minutes of that meeting .

*Most importantly , In this day an age of the #me-too movement and the public stances the world is taking against race discrimination , I would think we ,as a collective town , would stop judging and be a little more loving .

Whether it's because i am a woman or because of my religion as a Syrian Jew i still shouldn't be treated or judged differently than other Residents in our small town we all call home .

I am saddened ,after all these years , I'm STILL not treated and looked at by the borough commissioners as an integral allenhurst neighbor where all the by- laws and decisions should apply universally & equally to everyone .

For years I knew a-lot of behind closed door exceptions & decisions that were made for others at the beach club and around town and i kept these stories for a rainy day ... i thought they would be used for a movie about how we've come along way.... It's sad to say nothing has changed .

Its time to stop pulling out separate sets of rules and standards for woman and other races that are not treated equally in Allenhurst.

This is 2018 - and it's sad that i have to write this email to my fellow board members and my neighbors who i truly believed respected me the way i always do them. Today I'm sad and disappointed that the men i respected as the forefathers of our town don't respect me. I have been a pro-active resident spreading love and positive energy for the greater causes of Allenhurst since 1990.

After selflessly running decades of fundraisers for our town , building playgrounds, making dog parades for the fire Dept, and my two decades of volunteer service from historic preservation commission to the decades of planning board service ... how sad that there's still an old boys club society and i am not looked at as an equal integral part of Allenhurst....

Even sadder is why in this day an age , anyone is categorized by gender or selectively discriminated against by race or religion instead of being embraced as equal residents of our Allenhurst community....

Please let me know the cost of the copies requested above and when i can pick this all up .
Thank you in advance , & wish only good things and happy holidays to all, Frieda Shalam

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannett.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt and the legal provisions you contend apply, and release the remainder of such records, redacting only the portion or portions you claim are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Sincerely,

Andrew Ford

Subject: Freedom of Information Act Request: Building Permit Records

To whom it may concern, I am writing to request permit records from Allenhurst, New Jersey on behalf of Buildzoom. BuildZoom helps people hire the best local contractors, and we strive to give consumers a clear picture of contractors' track records. In particular, we post information on building permits pulled by every contractor online as a free service to the public. We do business in Allenhurst and would like to provide the service to its residents. Can you please provide us with a report of all building permits processed by your department to date? Such reports typically: - Are referred to as a Permit Activity Report, a Permit Fee Log or a Monthly Permit Report. - Cover at least the last ten years. - Include all permits broadly related to work on new and existing structures, such as structural, electrical, plumbing, mechanical, demolition, solar, HVAC, and gas permits, as well as any other kind of permit related to construction, renovation and maintenance. - Contain (i) property address fields, (ii) permit type fields, (iii) a permit value or estimated job value, (iv) a permit status field and (v) dates associated with the permit, such as an application date, an issue date and an expiry date, as well as (vi) the details of the contractor(s) who performed the work and, of course, (vii) a description of the permitted work. We would like to request the records either via FTP or email delivery. An Excel or CSV format would be ideal, but a PDF or scanned file would also work. We intend to ask for this data regularly: monthly for the prior month. What do you recommend as the best process to acquire this data? Please feel free to email me or call Vidhan Agrawal, the Product Manager for our Data Platform at (415) 890-3706. We greatly appreciate your help and thank you in advance for your assistance!

Regards,
Claudine Anague

Subject: Beach Access and Legal Parking

Hello,

My name is Philip Metz and I have a question in relation to legal parking and beach access for fishing.

I recently began fishing the Monmouth County area after years of living in Chicago and normally fish Sandy Hook, due to ease of legal access and parking..

As a young man, I used to drive down seemingly every side street and potential access point in Monmouth County but rarely stopped and fished for fear of violating ordinances in relation to accessing the beach and parking.

I believe Allenhurst offers public beach access to fishermen, however, I am always concerned about municipal ordinances and community respect, in relation to legal parking to access the beach.

Since I live in Phillipsburg, on the border of NJ and PA, I was wondering if someone could advise as to what and where it is legal and ethical to park to access the beach for fishing, before and after the Memorial Day through Labor Day season. I am curious about street parking, any potential lots and/or if meters are required to be funded before and after the busy, summer season.

There is so much to enjoy while fishing the Jersey Shore but for me, I can only truly enjoy my time if I know I am following the laws and know my vehicle won't be ticketed and towed and that I am being respectful of the community.

Thank you for your time and consideration and I look forward to hearing back from you.

Sincerely,

Philip Metz

Subject: Salary Information

Good Afternoon,

I would like to inquire about the salaries for the following positions: CFO, Recreation Director, Township Manager and Tax Assessor.

Furthermore, I would like to know the salary information for their predecessor's.

I do not want to use the dreaded "O" word as I work in the Clerk's office myself. I am in graduate school and writing a research paper on pay disparity between men and women in the public sector, specifically municipal government. I have narrowed my search to municipalities in Monmouth County that have the following criteria:

- A man as the municipal clerk
- A female as the administrator
- A female as the CFO
- I have included recreation director and tax assessor as they are somewhat gender neutral positions.

I hope to take the current salary information, compare it to their predecessor, calculate the cost of living and see if there is a disparity.

I would really appreciate your assistance in this!

Subject: Asbury Park Press Sandy recover update

Good afternoon Ms. Campagna,

I hope you are well. I'm Andrew Goudsward, I'm a reporter at the Asbury Park Press. With the 5th anniversary of superstorm Sandy approaching this October, we are working on a special series about how towns in Monmouth and Ocean counties have recovered. We are looking to get information from every town and borough about new home construction and total tax revenue.

We did a similar report back in 2014. Here were the responses we received from the borough:

Pre Sandy Tax Revenues:\$3,982,576.17 **Correct**

Post Sandy Tax Revenues:\$3,864,658.80 **Correct**

PreSandy assessments: \$599,655,561 **Correct**

Post Sandy assessments: \$517,076,079 **Correct**

No homes destroyed. **Correct**

Beach Club damaged, razed and rebuilt; beachclub restaurant slated to be rebuilt **Correct**

If you could confirm the initial Sandy damage information is accurate and send the following information to both myself and LKruse@gannettnj.com, I would greatly appreciate it:

- How many Sandy-damaged homes have now been rebuilt? How many are under construction? How many were demolished? **None to all 3 questions**
- What are the borough's current tax revenues? What are the current tax assessments?
Revenues from 1/1/17 to 8/17/17 \$3,145,757.58
- How many businesses are currently operating? **82**
- What is the status of repairs to boardwalks and/or beaches? **All Complete**
- What is the status of repairs to Sandy-damaged roads and infrastructure? **We had no damage to either**

If you have any questions at all about this request please let me know.

Thanks,

Andrew Goudsward

Subject: Vacant Property Registration Fees

Municipal Clerk/Records Custodian,

Please consider this an official OPRA request.

I am requesting a copy of the list of parcels currently being charged vacant property registration fees as kept and maintained by the Township. In addition I am also requesting the specific dollar amounts currently owed/open on each of these parcels (could be on the same list or a different one). Also, please indicate which department handles such fees including a phone number, extension, and contact person. If your town does not charge such fees please simply indicate that in a return email.

Please scan and email this same list to my email address.

Any questions concerning this request please contact me as I can then discuss this with you. Please know that Signature Information does third party searches and this information will be used in that respect in an effort to report and get this registration fee paid upon closing.

Thank you very much.

Subject: Settlement OPRA

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "Settlement OPRA" and the name of your agency in the subject line of all correspondence.

1. SETTLEMENT AGREEMENTS AND GENERAL RELEASES approved by the township and/or its agents for resolving any claim(s) against the municipality regarding the police department, its employees and supervisors thereof, from 2010 to present.

Asbury Park Press v. County of Monmouth (link provided below) is an appellate decision – and subsequent affirmation by the New Jersey Supreme Court – that upholds that settlements between a government body and another party cannot be confidential.

<http://law.justia.com/cases/new-jersey/supreme-court/2010/a-8-09-opn.html>

Please provide documents in email attachments sent to aford3@gannettnj.com, including "Settlement OPRA" and the name of your agency in the subject line.

Please note that this request, which seeks settlements resolving claims, is distinct from the request for separation and termination agreements filed by the Asbury Park Press in July 2016. If you feel a document is responsive to both requests, please send the document and make a note in your response.

Please note that OPRA doesn't mandate the use of an agency form and OPRA custodians are required to respond to a written request invoking OPRA. (Renna v. County of Union, 2009 WL 1405572 (N.J. Super. A.D.))

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If the agency claims any portion of the above public records are exempt from disclosure under the law, in writing please (1) identify which portion or portions it claims are exempt and the legal provisions it contends apply; (2) set forth the reasons for its conclusion that such portion or portions are exempt; and (3) release the remainder of such records, redacting only the portion or portions it claims are exempt.

Thanks for your time and consideration. If you have any questions, please reach out.
