Good Morning,

Please accept this e-mail as my request for government records under both the Open Public Records Act and the common law right to access public records:

Please provide each request in a separate file and in excel format via email if possible:

1. A list of residential properties that currently have water shut off.
2. A list of currently abandoned/vacant properties.
3. A list of properties that have received damage from fire since January 1, 2019
4. Police blotter for all arrests in the previous 3 months. Blotter should have the location of arrest, the name of the suspect, suspects' current address, and charges filed against the said suspect.

Thank You, I appreciate it!

Kind regards,

John Romano
