Re: OPRA Request dated December 6, 2019

Dear Mr. Dooley:

This office received your records request dated December 6, 2019 via mail on December 10, 2019 and it was received by the records custodian on the same date. A response is due by December 19, 2019. You requested "Court documents pertaining to the 9-20-2019 assault on Route 33 Neptune in Which Wayne Jones died."

Please be advised the incident you reference is still under an active criminal investigation and no records or further information can be released at this time. See N.J.S.A. 47:1A-3a and b; Gannett New Jersey Partners, LP v. County Of Middlesex, 379 N.J. Super. 205, 214 (App. Div. 2005); Loigman v. Kimmelman, 102 N.J. 98, 107 (1986).

What is more, no arrests have been made. Accordingly, this office does not have any public "court documents" to be produced at this time. Back v. Tp of River Vale, GRC Complaint No. 2005-209, Analysis (Feb 2006) (Custodian's certification that she did not provide a list of all township employees and a list of all department heads, titles, and responsibilities because these documents did not exist was sufficient to meet Custodian's burden to prove denial of access was lawful pursuant to N.J.S.A. 47:1A-6).

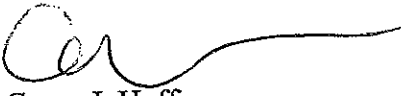

Furthermore, all records this office does have at this time pertaining to this incident are criminal investigatory records not subject to OPRA. N.J.S.A. 47:1A-1.1 defines a criminal investigatory record: A record which is not required by law to be made, maintained or kept on file that is held by a law enforcement agency, which pertains to any criminal investigation. "Criminal investigatory files include records involving all manner of crimes, resolved or unresolved, and include information that is part and parcel of an investigation, confirmed or

unconfirmed." Janeczko v. New Jersey Department of Law and Public Safety, GRC Complaint Nos. 2002-79 and 2002-80, Analysis and Conclusion; Nance v. Scotch Plains Township Police Department Custodian of Record, GRC Complaint No. 2003-125. Police reports are not part of public record. R. 1:38-3(f)(3). Criminal investigatory records are exempt from disclosure in response to an OPRA request. N.J.S.A. 47:1A-1.1(1). North Jersey Media Group, Inc. v. Township of Lyndhurst, 229 N.J. 541 (July 11, 2017).

Therefore, this office does not have any public records responsive to your request. You may wish to resubmit your request at a future date.

Yours Truly,

Chris,

Am I correct that the Wayne Jones homicide MCP1900540 is still an active investigation?

I have an OPRA request for court documents about it. Am I correct to say the following?

"There are no public court documents at this time. It is an active criminal investigation. Criminal investigatory records are not subject to an OPRA request."

I just need to know if there have been any search warrants to also cite to the fact that they are confidential.

Thanks,

Carey

Re: OPRA request dated December 10, 2019

Dear Ms. Kim,

This office received your records request dated December 10, 2019 via fax on December 10, 2019 and it was received by the records custodian on the same date. You requested the following regarding Matthew Pugh, Indictment No. 96-08-1382:

I am writing to request DA documents (e.g. synopsis sheet/investigation report/complaint/detailed arrest report/etc.) that detail the facts of the following Monmouth County case. Anything that provides a factual narrative of what happened leading to the arrest will suffice. This is to aid in the prosecution of the defendant's pending New York County matter.

Your request cannot be fulfilled. The records were destroyed in 2010 in the ordinary course of doing business pursuant to the New Jersey Division of Archive Records Management schedule. See Back v. Tp of River Vale, GRC Complaint No. 2005-209, Analysis (Feb 2006) (Custodian's certification that she did not provide a list of all township employees and a list of all department heads, titles, and responsibilities because these documents did not exist was sufficient to meet Custodian's burden to prove denial of access was lawful pursuant to N.J.S.A. 47:1A-6). You may wish to submit your request to another agency which may be subject to a different retention schedule.

In the event of a clarification or appeal, this office reserves the right to raise any other ground for denial not raised in this response. The failure of this office to assert an exception or privilege at this time does not act as a waiver of any grounds for denial.

Very truly yours,

Procedure for Submission:

Members of the public who are requesting copies of records are encouraged to complete this Request for Public Records form. Renna v. County of Union, 407 N.J. Super. 230 (App. Div. 2009). The form or other written request must be placed in an envelope addressed to:

Monmouth County Prosecutor's Office
132 Jerseyville Avenue
Freehold, New Jersey 07728
Attn: OPRA Custodian of Records

and either mailed or taken directly to the Prosecutor's Office. This office also accepts requests by fax when clearly addressed to the attention of the "OPRA Custodian of Records." This office accepts requests by email **ONLY** at the following address: opra@mcponj.org. See Paff v. City of East Orange, 407 N.J. Super. 221, 227-28 (App. Div.), certif. denied, 200 N.J. 476 (2009). When a request is received by email, a confirmation of receipt will be sent in reply; until and unless a reply confirmation is received, requestors should not assume their email request was received by the records custodian. Ibid. Requests sent to other email addresses and/or not addressed to the OPRA Custodian of Records may not be received by the Custodian.

A Right to Discovery is Separate and Distinct from a Right to Access Public Records.

OPRA is a public disclosure statute and is **not** intended to replace or supplement the discovery of private litigants. Constantine v. Township of Bass River, 406 N.J. Super. 305, 324-25 (App. Div. 2009), certif. denied, 200 N.J. 208 (2009); MAG Entertainment, LLC v. Division of Alcoholic Beverage Control, 375 N.J. Super. 534, 545-46 (App. Div. 2005). Requests for discovery of materials that are not public government records should be made in accordance with the applicable Court Rules.

Procedure for Filing an Appeal.

A person who is denied access to a government record by the custodian of the record, at the option of the requestor, may:

Institute a proceeding to challenge the custodian's decision by filing an action in Monmouth County Superior Court which shall be heard by a Superior Court Judge who has been designated to hear such cases because of that judge's knowledge and expertise in matters relating to access to government records;

Or in lieu of filing an action in Superior Court, file a complaint with the Government Records Council established in subsection 8 of P.L.2001, c.404 (C.47:1A-7).

The right to institute any proceeding under this section shall be solely that of the requestor. Any such proceeding shall proceed in a summary or expedited manner. The public agency shall have the burden of proving that the denial of access is authorized by law. If it is determined that access has been improperly denied, the court or agency head shall order that access be allowed. A requestor who prevails in any proceeding shall be entitled to a reasonable attorney's fee.

Dear Custodian of Records:

This is a request for information pursuant to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq., and the common law right of citizens of the state to obtain access to public documents. (South Jersey Publishing Co. v. New Jersey Expressway Auth., 124 N.J. 478, 487-89 [1991]). Please note that this letter contains the statutory requirements for a written OPRA request and I am not required to fill out an official form. (Renna v. County of Union, 407 N.J. Super. 230 [App. Div. 2009]).

The documents I seek:

—A copy of 911 calls or emergency calls related to the Stephanie N. Parze missing person case. Parze was reported missing after Oct. 30, 2019.

I prefer delivery of records by email. If that is not possible, please contact me to schedule a time for an on-site inspection of documents. Access to electronic records shall be provided free of charge. (N.J.S.A. 47:1A-5[b])

The reasons offered by a custodian for denying access to a document must be specific. (Communications Workers of America v. McCormac, 417 N.J. Super. 412, 442 [2008])

Under penalty of NJSA 2C:28-3, I certify that I HAVE NOT been convicted of any indictable offense.
