Monmouth County Prosecutor's Office

Oct. 21, 2019

Please consider this a formal request under OPRA and common law for the following public records regarding the death of Domingo Merino Rafael, who was discovered dead Friday, Oct. 18, around 3:46 p.m. on Hurley Pond Road in Howell Township:

- CAD dispatch reports or logs
- Audio recordings of all 911 or other calls to police about the incident
- All body and dashboard camera footage of the police response to the incident between when the first officer began responding to the scene and 4:46 p.m., or when the last camera was switched off:
- Report of the Investigating Medical Examiner (RIME) or Abstract of Death Certificate Information for Domingo Merino Rafael, with redactions as appropriate.

Please consider the following reasons these records should be produced under OPRA: Courts and the GRC have held that because 911 calls do not pertain to an investigation when they were created, they cannot be denied under the criminal investigatory exemption. 911 calls are not created as part of investigations and in fact pre-date the start of the investigation. Specifically, the OPRA statute says: "This provision shall not be construed to allow any public agency to prohibit access to a record of that agency that was open for public inspection, examination, or copying before the investigation commenced."

We are entitled to body camera videos under N.J.S.A. 47:1A3(b) as a result of the state Supreme Court ruling in North Jersey Media Group v. Twp of Lyndhurst (A-35-15) (076184). The Court said that "to qualify for OPRA's criminal investigatory records exception—and be exempt from disclosure—a record (1) must not be 'required by law to be made,' and (2) must 'pertain[] to a criminal investigation.'"

Therefore, this request cannot be denied under the exemption of an "ongoing investigation" since the video recordings are required by Attorney General directive to be maintained and kept by the police department.

Please consider the following under common law:

My interest, as a news reporter, in obtaining these records and video footage is to report any matters of public importance rising from this incident to citizens of New Jersey. The public has real interest in understanding the circumstances of homicides in their community, and the media is the main way that they obtain that information.

Lastly, I am able to pick up these records if it is not possible to send them electronically.

Thank you,

Rebecca Everett

Subject: OPRA / Ritchie, Troy

This is an Official Request Pursuant to the Provisions of the Open Public Records Act (OPRA)

I am requesting copies of the arrest report and pre-sentence report of Troy Ritchie, date of birth 11/02/1968. He was arrested by the Howell Township Police Department on 9/5/2012 for burglary and criminal attempt/burglary and he was subsequently sentenced to state prison. This matter has AOC No. MON12004078-001.

I am specifically seeking to determine what address Troy Ritchie was using at that time.

I am also requesting these records under common law. My interest in the requested records is that I am a Licensed NJ Private Detective, License No. 5950, and the records being sought are material to a lawful private investigation that I have been retained to conduct.

I have **NOT** been convicted of an indictable offense.

These records can be emailed to me at jclark@atinj.com.

Thank you in advance for your time and effort in this matter.

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "OPRA" and the name of your agency in the subject line of all email correspondence.

In reference to a police vehicle pursuit(s) that resulted in a fatality in the following towns/dates:

Howell	4/23/2017
Tinton Falls	9/12/2012

- NJTR-1 reports
- Computer assisted dispatch reports
- Vehicle mounted and body worn video recordings
- Police incident reports
- Police arrest reports
- Complaints and summonses issued
- 911 and non-emergency call recordings
- Reports sent to the county prosecutor reflecting the agency's determination as to whether the collision could have been prevented.

For background, the New Jersey Attorney General's Office Vehicular Pursuit Policy states:

"Every law enforcement agency shall conduct an investigation when one of its vehicles collides with another vehicle or any other object during the course of a pursuit. The investigation shall determine whether the collision could have been prevented. A copy of the report shall be made available to the county prosecutor. In every case where the collision could have been prevented, the report shall set forth the actions taken by the agency to address the cause or causes of the collision (e.g. remedial training, revision of department policy, disciplinary action, etc.)"

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannettnj.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt and the legal provisions you contend apply, and release the remainder of such records, redacting only the portion or portions you claim are exempt.

Subject: OPRA Request, Monmouth

Good afternoon,

Under both OPRA and common law, I am requesting the following public records:

1. Salary information for all assistant prosecutors for the past 5 years (2015 to 2019 y.t.d.). Pursuant to N.J.S.A. 47:1A-5(d), I would ask that if your agency possesses these records in Microsoft Excel or other spreadsheet formatting, that this be the medium you provide this record to me. If you agency does not maintain this record in spreadsheet formatting, please indicate same in writing and I will accept this in PDF or Microsoft Word formatting instead.
2. A copy of any employment contracts detailing the employment agreement between your office/county and the assistant prosecutors in your organization. This includes both collective negotiations agreements and individual employment contracts for each individual assistant prosecutor.
3. If no such contract or agreement exists in #2 above, I would request any other documents detailing the pay scheme and benefits of assistant prosecutors. This could include, for example, an internal office memo, prosecutor's directive, or other intra-office records that includes the information normally included in an employment contract.
4. A copy of your office's operating budget for the past 3 full years (2016, 2017, 2018).

Regarding common law, the public has a vested interest in knowing salary and contractual information of public employees and likewise has a vested interest in knowing the financial details of a public agency's operating budget.

I am asking for these records to be provided to me via email. If these records cannot be provided to me via email, please notify me and we can discuss other potential mediums.

If you have any questions or require clarification, please contact me.

Thank you,

John Lafferty

Please also specify the "itemized accounting of all proceeds expended [...] with particularity the nature and purpose of each such expenditure." I am also requesting the spreadsheets containing the aforementioned information. All pursuant to Law and Public Safety sections of New Jersey annual budget appropriations acts. Subject: Vehicle pursuit report OPRA

The following request for records is made pursuant to N.J.S.A. 47:1A-1 et. seq. "OPRA" and the common law on behalf of the USA Today Network and the Asbury Park Press, a daily newspaper of general circulation. Please confirm receipt of this request. Please include "OPRA" and the name of your agency in the subject line of all email correspondence.

1. Reports on collisions that occurred during police vehicle pursuits which were made available to the county prosecutor since 1/1/2009, pursuant to the New Jersey Attorney General's policy on police vehicle pursuits.

For background, the New Jersey Attorney General's policy on police vehicle pursuits states: "Every law enforcement agency shall conduct an investigation when one of its vehicles collides with another vehicle or any other object during the course of a pursuit. The investigation shall determine whether the collision could have been prevented. A copy of the report shall be made available to the county prosecutor. In every case where the collision could have been prevented, the report shall set forth the actions taken by the agency to address the cause or causes of the collision (e.g. remedial training, revision of department policy, disciplinary action, etc.)."

We ask that you release records as each becomes available for public disclosure. Please do not temporarily withhold one record that has been approved for public disclosure because you require additional time to review others.

We ask that these records be provided electronically and sent by e-mail (aford3@gannettnj.com) or through a cloud-based file storage system such as DropBox. An upload link can be provided.

We respectfully request that any fees be waived since the records will be used for newsgathering purposes and ultimately released to the public in some form to shed light on the operations of government. If the agency expects to require payment for copies, record location or other elements of the request, please provide a fee estimate before proceeding so that I may weigh the cost and consider my options.

If you claim any portion of the above public records are exempt from disclosure under the law, please provide a Vaughn index identifying which records exist, which portion or portions you claim are exempt and the legal provisions you contend apply, and release the remainder of such records, redacting only the portion or portions you claim are exempt.

Thanks for your time and consideration. If you have any questions, please feel free email or call.

Sincerely,

Recently, I spoke with Daniel Newman at the Monmouth County Prosecutors office. Daniel Newman many times has violently told me that all of my complaints are unfounded.

I am requesting record telling me why my complaints are unfounded.

I am entitled by law all information regarding investigation to my complaints to illegal mental evaluations. The deprivation of my civil rights through mental health screener and relationship with police and prosecutors office. I am entitled and it is my right to have all investigative records into mental health. I am requesting my records regarding neptune police and monmouth county prosecutors office institutionalizing me in december.

I was told by daniel newman that he had to be violent with me because of who I am. Not explaining to me what that means.

I am requesting record on why daniel newman says he has to be violent with me.

I am still waiting for my previous records requests.

I am requesting all of my records not some reply as does not rise to the occasion especially since daniel newman said all of my complaints are unfounded.

I am requesting record as to why the monmouth county prosecutors office denies all my complaints and is violent and hostile towards me when I seek opira request and understanding of why I am being treated violently.

Struggling with a way to word this I will just say it like this, It was implied that I am lying and crazy and no one attacked me in manasquan reservoir.

My understanding is law enforcement has some kind of advanced surveillance/camera system.

I need a copy of all record of visual of me in manasquan reservoir that allegedly proofs that I am a liar.

I am being treated violently and hostilely by the monmouth county prosecutors office and neptune township police department.

Violating my victim rights by claiming I am the violent and hostile one.

Violently try to scare me not to call 911 and contact police when I am enduring violence.

I need copies of all records stating that I am the violent person and all records stating I am not a victim and all records stating I have a mental illness and all records stating what that mental illness is.
