145 Crash Description

V#1 was responding to an emergency call for service of a motor vehicle accident with the accused vehicle fleeing the scene traveling northbound on RTE 47. W#1 stated he observed the accused vehicle traveling northbound on RTE 47, and he turned his marked patrol vehicle around in the grass median to stop the accused fleeing vehicle. W#1 stated he began traveling northbound on RTE 47, and the accused vehicle immediately pulled over to the shoulder of the roadway, and the driver exited his vehicle. W#1 believed that the accused was attempting to fleeing the scene on foot, and he pulled V#1 in front of the accused vehicle. W#1 exited the vehicle, but never properly placed the vehicle in park. V#1 rolled driver less northbound down a slight embankment into a tree. It was later learned that the driver was not fleeing the scene, but was flagging the officer down for assistance, due to the other party involved in the accident becoming aggressive. V#1 sustained minor front end damage, and the vehicle was still operable. No one was injured in this motor vehicle crash. (Patrolman Armondo Jones is W#1 in this report) Photographs of the damage to V#1 have been uploaded into Resources. Qual-Lynx was also notified in reference to this motor vehicle accident.

145 Crash Description

V1 was attempting to make a right hand turn from its marked parking space. V2 was parked in the space next to V1 within it's marked parking space lines. While V1 was attempting its turn, V1 struck V2.

The driver of V1 stated she is not familiar with how the car operates since her normal vehicle is broken. The driver of V1 explained to me that because of this, she cut the turn to close and struck V2.

The driver of V2 stated, while his vehicle was parked V1 struck his vehicle.

Box 124* & 125*: Marked parking space lines.

Box 118a*: The driver of V1 failed to realize how close it was to V2.

145 Crash Description

Vehicle 1 was parked facing south along the front of the motel rooms. Vehicle 2 was backing east out of the parking lot and struck the rear passenger bumper of vehicle 1 with the driver side bumper/rear quarter panel of vehicle 2. I was able to view surveillance footage of the accident that was recorded from the main office which showed the above events occur. The footage was too grainy to make out the driver. Driver 2 stated he did "push" the car but that he was not driving. Shirley Phillips, a resident at 405 Rte 147 (Room 4) told the victim that she saw Mr. Rojas drive the vehicle into her car but when I asked her what happened, she stated she didn't see who was driving the vehicle.

145 Crash Description

V1 was attempting to back out of a marked parking space, heading North. V2 was parked facing East in the parking lot to 1120 Route 47 in a marked parking space. While backing out V1 struck V2, which was parked within the lines of a marked parking space. The driver of V1 then attempted to find the owner of V2 within the Rio Fire Station, but all attempts were unsuccessful. The driver of V1 then left a note with her contact information on V2 windshield. (Please see attached note).

The driver of V1 stated while backing up she struck V2 on accident, due to her brakes not working properly. The driver of V1 explained to me that she tried to find the owner of V2 and was unable to and left a note with her contact information.

The owner of V2 stated, the driver of V1 came into Rio Fire station and asked if anyone owned a black pick-up truck. The owner of V2 explained to me his truck is maroon, that is why he didn't answer during her attempts to find the vehicles owner.

Box 124* & 125 *: Marked parking space lines.
