145. Crash Description/Narrative

On January 21, 2025, at approximately 0905hrs, North Brunswick Police Dispatch received a 911 call regarding a male that was involved in a motor vehicle crash and was currently having some type of seizure. Police units arrived on scene and observed bystanders attempting to make entry into a white Middlesex County Ram pickup. The only occupant of the vehicle was a male later identified as David Rosenthal who was observed having a medical episode. Entry to the vehicle was eventually made through the rear window, and Rosenthal was removed from the vehicle. CPR was started and an AED was utilized. North Brunswick First Aid and North Brunswick Police began transporting Rosenthal to the hospital and met ALS on the way. Rosenthal was brought to RWJ University Hospital in New Brunswick for further treatment. Rosenthal was pronounced deceased at 1001Hrs by Dr Catherine Yu.

The North Brunswick Traffic Division responded to the scene located at Apple Orchard Lane. Sgt. Zier and I observed a white pickup truck that was off the road. The vehicle came to a stop resting on a telephone pole's guide wire. The crash caused damage to the front grill and hood. The driver's side door was open and the back window was smashed out. Tire marks could be seen in the snow starting just off the roadway and leading up to the tires of the stopped vehicle. No markings or debris were observed in and around the roadway. Officers on scene spoke with Middlesex County personnel and it is believed that he was leaving the Middlesex County Property heading towards Apple Orchard Lane. It is believed he continued through the stop sign, diagonally crossed over Apple Orchard Lane and ran off the road coming to a stop against the guide wire. The personnel believe he may have suffered from a medical condition causing the crash.

The scene was processed and photographed. George Logans Towing was notified and towed the vehicle. The Middlesex County Medical Examiner's Office contacted us and advised that Rosenthal had passed away. It should be noted that Rosenthal was employed by and working on duty for the County of Middlesex at the time of the crash and was driving a department issued vehicle. The Middlesex County Medical Examiner determined that the cause of death was an acute myocardial infarction (heart attack) .
