Re: Open Public Records Act ("OPRA") Request: "Ordinance [R]estricting [R]esidential [B]uilding"
Date of Request: August 28, 2018
Date Received: August 29, 2018

Dear Ms. Rossi:

Please be advised this office represents the County of Monmouth ("County") in the above-referenced matter. The County is in receipt of your request and timely responding within the seven (7) business day deadline.

For ease of reference, the County notes that your OPRA request seeks the following:

"Any ordinance restricting the building of residential properties that would further burden the schools with an increase in student enrollment."

Per your request, the County does not pass ordinances to change the zoning within any municipality. The Municipal Land Use Law ("MLUL"), N.J.S.A. 40:55D-1 et seq., authorizes municipalities to adopt/amend its zoning ordinances. As such, records may be available with the municipalities' planning boards.

Your OPRA request is now deemed answered and closed. Thank you for your attention to this matter.

Very truly yours,

/s/ Catherine Kim
