Quotation

Atlantic County Radio System Redundant Router Project Quote November 17, 2016

Description

This quotation provides redundant routers for the P25 Radio System that were not available until recently. The addition of redundant routers provides critical back-up to the radio network in the event of a router failure. This work can begin immediately following acceptance of this quotation

Thank you for the opportunity to be of service to Atlantic County New Jersey.

NJ State Contract 83932
