Quotation

Atlantic County County Radio System P25 Project Quotation - Phase V for 2015 October 13, 2015

Description

This quotation represents the fifth phase of the infrastructure build out of the Atlantic County Radio System to P25. The systems to be upgraded include the completion of the Egg Harbor System and the Atlantic City Site which will be migrated to 7 channels. This quotation is based on NJSC 83932.

This quotation is inclusive of all infrastructure material, microwave system upgrades, engineering, and implementation services.

Tactical Public Safety appreciates the opportunity to be of service to Atlantic County New Jersey.
