Re: June 14, 2025 OPRA Request

Dear Sir/Madam:

Please accept this correspondence by way of response to the Open Public Records Act ("OPRA") request June 14, 2025. Governmental agencies are required to respond to OPRA requests within seven business days. As government agencies must respond to OPRA requests within seven (7) business days of receipt of the request, this response is timely. Your request sought the following documents/records:

Full content of emails referencing "Heaven" or "Heaven Davenport" sent to any staff member of Wallkill Valley Regional High School and responses to those emails since January 1, 2025.

Your OPRA request is granted. Responsive documents are attached hereto.

Redactions marked "ACP" refer to materials/information subject to attorney-client privilege.

Redactions marked "ACD" refer to materials subject to the OPRA exemption for materials that are "advisory, consultative or deliberative." In general, this applies to materials that contain opinions, advice, recommendations, and other subjective information generated before an official decision is made. It includes communications within a given government agency and communications between government agencies.

Redactions that are not marked or are marked "student," contain student identifiers or information. In this instance, all such redactions pertain to choosing the scholarship winners.

Sincerely yours,

Joseph P. Hurley Jr.
