NUMBER OF ANIMALS AT THE FACILITY (List of species and numbers)

Species dogs No. 27 Species _____ No. 0 Addtl? ☐

Additional Remarks

The facility is currently operating in satisfactory condition. I observed no adverse conditions during my inspection of the facility. Stored food and bedding is kept in a controlled environment. All dogs observed appear active and healthy. The primary housings are of adequate size and are free from any adverse conditions as generated by the animals. All certificates and licenses are posted in view of the public and are up to date.
