Block profiles and Pages

Once you block a profile or Page, your Page can no longer interact with each others' timelines, posts, comments or messages. This doesn't include apps, games or groups you both participate in. If your Page currently is connected with that profile or Page, blocking it will unlike and unfollow it.

Hidden Words

Unwanted comments and message requests

Hide comments

Comments that are potentially offensive, misleading or spam will be moved to a separate section. Anyone can see these comments, and you can unhide comments on your own posts at anytime. [Learn more](#)

Advanced comment filtering

Even more comments that meet our criteria will automatically be hidden.

Hide message requests

Message requests that may be offensive, spam or scams will be moved to the Hidden requests folder. We'll also filter notifications for these messages. This feature is not currently supported on web or Meta Quest.

Custom words for messages and comments

Manage custom words and phrases

Hide comments

Comments that contain words, phrases or emojis on your custom list and similar misspellings will be filtered out so they are only visible to the authors.

Hide message requests

Message requests that contain words from your list will be hidden. This feature is not currently supported on web or Meta Quest.
