* These issues are only applicable to cases reviewed under Patterson standard (mental/mental). The Russo Decision requires reasonable person/terrifying horror-inducing to be analyzed as one factor.
** Only applicable to cases filed beyond 5 years of the date of the incident

- #1) T/P = permanently and totally disabled mentally or physically, from performing the regular assigned work duties and any other available job duties
#2) The disability is a direct result of a traumatic event that is: a) identifiable as to time and place, b) undesignated and unexpected, and c) caused by a circumstance external to the member (not the result of pre-existing disease that is aggravated or accelerated by the work).
If the event was non-physical, the member must also establish d) that the event that forms the basis for an accidental disability was objectively capable of causing a reasonable person in similar circumstances to suffer a disabling mental injury, based on a finding that the disability resulted from "direct personal experience of a terrifying or horror-inducing event that involves actual or threatened death or serious injury, or a similarly serious threat to the physical integrity of the member or another person."
#3) The event occurred during and as a result of the performance of the member's regular or assigned duties.
#4) The disability was not the result of the member's willful negligence; and
#5) The member is mentally or physically incapacitated from performing the usual or any other duty.

DM = Delayed manifestation (due to the delayed manifestation of the disability or circumstances beyond the control of the member) cases must be considered on those applications filed beyond five years of the accident date, if the application was filed within a "reasonable time" following manifestation of the disability, based on the totality of the facts and circumstances of the case

OPEN SESSION

HONORABLE SERVICE

(A motion was made by Trustee Favinger to adopt Resolution B and enter into Executive Session; seconded by Trustee Savicky. A motion was made to enter back into Open Session by Trustee Favinger; seconded by Trustee Yaruslinsky.)

Patricia Taliaferro – Paterson BOE – The Board considered the personal statements of attorney Harold N. Springstead, Esq. and those of his client, Patricia Taliaferro, his submissions and all of the documentation in the record regarding the issue of honorable service, to determine what impact, if any, it may have on Ms. Taliaferro's Service retirement benefits, in accordance with N.J.S.A. 43:1-3. N.J.S.A. 43:1-3 establishes 11 factors, which the Board is to consider and balance in view of the pension statutes when determining whether forfeiture or partial forfeiture of the pension service credit is appropriate. These factors are:

1. The member's length of service;

Patricia Taliaferro has 13 years of service credit in the TPAF;

2. The basis of retirement;

On May 15, 2013, the Division of Pensions and Benefits received Patricia Taliaferro's application for a Service retirement. On June 6, 2013, the TPAF Board approved her Service retirement effective July 1, 2013, under Option 1. When the TPAF Board approved Patricia Taliaferro's application, it was unaware of any administrative charges filed against her;

3. The extent to which the member's pension has vested;

Patricia Taliaferro was vested in the TPAF and was 61 years of age as of the date of her last pension contribution;

4. The duties of the particular member;

Patricia Taliaferro held the position of Teacher;

5. The member's public employment history and record covered under the retirement system;

Patricia Taliaferro was enrolled in the TPAF on September 1, 2000, as a result of her employment as a Teacher with the Waldwick Board of Education. On September 2, 2003, she transferred to the Paterson Board of Education. She remained with this employer and in the position of Teacher as of the date of her retirement on July 1, 2013. The record indicates that pension contributions were remitted through June 30, 2013;

6. Any other public employment;

Patricia Taliaferro had two months of previous service credit with the Hawthorne Board of Education from May 1, 1983 through June 30, 1983. Her membership in this account was canceled, as the balance was less than the minimum required;

7. The nature of the misconduct or crime, including the gravity or substantiality of the offense, whether it was a single or multiple offense and whether it was continuing or isolated;

The Department of Children and Families Institutional Abuse Investigation Unit (IAIU) and the State-Operated School District of Paterson provided information to the New Jersey Department of Education, State Board of Examiners (Board of Examiners) regarding Patricia Taliaferro; Specifically, in September 2013, the IAIU established findings of Physical Abuse, Substantial Risk of Physical Injury, and Environment Injurious to Health and Welfare regarding Patricia Taliaferro's actions. According to the report, an eleven-year-old student of Patricia Taliaferro's threw a basketball that ricocheted off a basketball rim and hit her in the face. Patricia Taliaferro then grabbed the student, pushed him against the wall, and punched him in the jaw. The student complained of a headache and was sent to the nurse's office. He received an ice pack as a result of the punch.

 OPEN SESSION

HONORABLE SERVICE (continued)**Patricia Taliaferro – Paterson BOE – (continued)**

Patricia Taliaferro confirmed hitting the student in her written incident report. She stated in her written report, "I did punch him in the jaw exactly where he hit me." However, Patricia Taliaferro later denied punching the student in the jaw;

On October 30, 2015, the Board of Examiners issued Patricia Taliaferro an Order to Show Cause as to why her certificates and credentials should not be revoked;

8. The relationship between the misconduct and the member's public duties;

Direct; the incident occurred with a student during the workday.

9. The quality of moral turpitude or the degree of guilt or culpability, including the member's motives and reasons, personal gain and similar considerations;

The Board found that Ms. Taliaferro's actions were extremely inappropriate and she showed a momentary lapse of judgment during a fit of anger. The Board determined there was no personal gain.

10. The availability and adequacy of other penal sanctions;

On December 3, 2015, the Board of Examiners and Patricia Taliaferro mutually agreed that the relinquishment of her Teacher of Health and Physical Education Certificate will be deemed a revocation and will have the same force and effect as a revocation and will be subject to all of the attendant consequences. Patricia Taliaferro also agreed to waive any opportunity to reapply to the Board of Examiners for certification for employment in public schools of this State, waive all hearings in which she is entitled, and will not oppose the relinquishment of her certificate in any forum. Patricia Taliaferro did not admit or concede the truth of the allegations in the Order to Show Cause. The Consent Order resolved all issues between the parties arising from the Board of Examiners' October 30, 2015 Order to Show Cause;

On January 21, 2016, an Order of Revocation was issued in which the Board of Examiners voted to accept Patricia Taliaferro's relinquishment of her teaching certificate with the force and effect of a revocation effective immediately;

11. Other personal circumstances relating to the member which bear upon the justness of forfeiture;

The Board noted the statements and submissions of Harold N. Springstead, Esq. on behalf of Ms. Taliaferro.

The record before the Board reveals that Ms. Taliaferro was enrolled in the TPAF effective September 1, 2000, as a result of her employment with the Waldwick Board of Education as a Teacher. On September 2, 2003, she transferred to the Paterson Board of Education. At the time Ms. Taliaferro separated from employment as of June 30, 2013, she was 61 years of age and had 13 years of service credit in the TPAF. Thus, she was vested and was eligible for a Service retirement benefit. On May 15, 2013, the Division received Ms. Taliaferro's application for Service retirement benefits effective July 1, 2013, under Option 1. On June 6, 2013, the Board approved Ms. Taliaferro's application for Service retirement benefits effective July 1, 2013. However, at the time of its approval the Board was unaware of any administrative charges against Ms. Taliaferro. In September 2013, the Department of Children and Families Institutional Abuse Investigation Unit (IAIU) establishing findings of Physical Abuse, Substantial Risk of Physical Injury, and Environment Injurious to Health and Welfare regarding Ms. Taliaferro. According to the report, an eleven-year-old student of Ms. Taliaferro threw a basketball that ricocheted off a basketball rim and hit her in the face. Ms. Taliaferro then grabbed the student, pushed him against the wall, and punched him in the jaw. The student complained of a headache and was sent to the nurse's office. He received an ice pack as a result of the punch.

Ms. Taliaferro confirmed hitting the student in her written incident report. She stated in the written report, "I did punch him in the jaw exactly where he hit me." However, she later denied punching the student. On October 30, 2015, the Board of Examiners issued Ms. Taliaferro an Order to Show Cause as to why her certificates and credentials should not be revoked. Prior to a hearing on this matter, Ms. Taliaferro presented a proposal to the Board of Examiners in which she would agree to the relinquishment of her certificate with the force and effect of a revocation. On December 3, 2015, the Board of Examiners agreed to this proposal. Ms. Taliaferro also agreed to waive any opportunity to reapply to the Board of Examiners for certification for employment in public schools of this State, waive all hearings in which she is entitled, and will not oppose the relinquishment of her certificate in any forum. She did not admit or concede the truth of the allegations in the Order to Show Cause. The Consent Order resolved all issues between the parties arising from the Board of Examiners' October 30, 2015 Order to Show Cause. The record indicates that her Teacher of Health and Physical Education Certificate was relinquished with the same force and effect as a revocation effective January 21, 2016. The Board determined there was a direct relationship between the misconduct and Ms. Taliaferro's duties as the incident involved a student during the workday. The Board found that Ms. Taliaferro's actions were extremely inappropriate and she showed a momentary lapse of judgment during a fit of anger. The Board further determined there was no personal gain. After considering the aforementioned statutory factors, the Board determined that in accordance with N.J.S.A. 43:1-3, a partial forfeiture of Ms. Taliaferro's retirement benefit was appropriate. Pursuant to N.J.A.C. 17:1-6.1 (c), the Board imposed a forfeiture of her final year of service and salary credit. The Board found that after balancing the statutory factors and its authority under the regulation, this reduction was calculated to impose a reasonable forfeiture that reflects the nature and gravity of her misconduct. The reduction is on a prospective basis. (Motion made by Trustee Favinger; seconded by Trustee Savicky.)

Susan Bechelli was enrolled in the TPAF effective April 1, 1993 with the Rahway City Board of Education as a result of her employment as a Teacher. She remained with this employer and in this position at the time of her resignation;

On May 9, 2013, the Union County Office of Education (County) conducted a Preliminary Investigation into an alleged security breach of the New Jersey Assessment of Skills and Knowledge Grade 5 Test (NJ ASK 5), reported to them by the Principal of the Grover Cleveland Elementary School where Susan Bechelli was teaching. Specifically, during the 2010-2011 and 2011-2012 school years Susan Bechelli administered the standardized assessment known as the NJ ASK 5. On or about April 19, 2013, it came to the County's attention that Susan Bechelli may have breached the NJ ASK 5 security protocols, which was reported to the Office of Assessments and subsequently became the subject of an investigation by the New Jersey Department of Education (DOE), Office of Fiscal Accountability and Compliance (OFAC). Primarily, codes and/or signals were used during the administration of the exam to alert students of the correct answer during multiple-choice sections. For example, "Tomorrow I will be late," and "I will see you later," signified the answers B and C respectively. When the data on student performance was examined, it revealed that students who were administered the NJ ASK 5 by Susan Bechelli in 2011 saw an average increase of 41 points in Language Arts Literacy (Language) from 2010 to 2011. The students also saw an average increase of 61 points in Mathematics (Math). These same students experienced 25 and 40 point decreases in Language and Math respectively from 2011 to 2012 when Susan Bechelli did not administer the exam. Subsequently in 2012, the average increase was 38 points in Language and 40 points in Math. The same students experienced a 23 and 47 point decrease in these subjects from 2012 to 2013 when Susan Bechelli did not administer the exam. During the 2012-2013 NJ ASK 5 Test administration, Susan Bechelli became aware she was under investigation. As a result, her students yielded much different test results of only an increase of 2.63 points on average. Test results for Susan Bechelli's class during the 2010-2011 year yielded scores of 100% in Language and 94.4% in Math. Compared to the rest of the fifth graders, which scored 49.05% in Language and 82.2% in Math. For the 2011-2012 NJ ASK 5 results, Susan Bechelli's students scored 79.1% in Language and 83.3% in Mathematics. On the other hand, the rest of the fifth graders scored 47.08% in Language and 81.2% in Math. Susan Bechelli attended the NJ ASK 5 Security Meetings prior to the administration of the exams, which informed her of the proper Security Procedures regarding administering the exams;
8. **The relationship between the misconduct and the member's public duties;**
Direct; Ms Bechelli gave answers to students under her supervision while administering a State exam.

- 9. The quality of moral turpitude or the degree of guilt or culpability, including the member's motives and reasons, personal gain and similar considerations;**

High degree of moral turpitude; the Board found Ms. Bechelli's motivation was for her Students to get higher scores so that she would appear as a better teacher. Further, her actions caused other staff members to be looked at unfavorably because their students had lower scores. The Board also found that by Ms. Bechelli giving answers to students, she showed them how to beat the system.

- 10. The availability and adequacy of other penal sanctions;**

On April 1, 2015, the OFAC initiated an Investigation into the alleged security breach of the NJ ASK 5 Test due to Susan Bechelli's misconduct. The OFAC Investigation concluded on or about November 6, 2015. The Investigation involved reviewing the County's Preliminary Investigation, statements from individuals involved, documents relevant to testing, and conducting interviews with individuals thought to have knowledge relevant to the incident. The OFAC investigators interviewed forty students, seven staff members, and one former intern who served as a proctor during testing. The OFAC concluded that Susan Bechelli breached security of the test during the administration of the 2011 and 2012 NJ ASK 5 exams. The Investigation Report was then forwarded to the New Jersey State Board of Examiners (Board of Examiners) for further review and further action if deemed appropriate. On April 19, 2016 Before the Board of Education of the Rahway Public School District/Commissioner of Education, Sworn Tenure Charges of Unbecoming Conduct and Other Just Cause were issued against Susan Bechelli. The charges are as follows:

-Count One - Susan Bechelli knowingly and willfully breached the NJ ASK Testing protocol by (1) reading, rewording, explaining, and/or simplifying questions; (2) providing students with answers to test questions verbally and/or in writing; and/or (3) assisting students by using "code" words to suggest the correct answer. Susan Bechelli's knowing and willful breach of the NJ ASK testing protocols constitutes a dereliction of her duties as a certified teaching staff member;

-Count Two - During the 2010-2011 and 2011-2012 NJ ASK, Susan Bechelli breached the Security Procedures specified in the New Jersey Assessment of Skills and Knowledge Spring 2012 Grades 3-8 Test Coordinator Manual ("Manual"). Specifically, Susan Bechelli breached the Security Procedures on Page 13 of that Manual;

-Count Three - During the 2010-2011 and 2011-2012 NJ ASK, Susan Bechelli breached the Security Procedures specified in the New Jersey Assessment of Skills and Knowledge Spring 2012 Grades 3-8 Test Coordinator Manual ("Manual"). Specifically, Susan Bechelli violated the Security Procedures on Page 73 of the Manual;

All three counts outlined Susan Bechelli's knowing and willful conduct in breaching the NJ ASK Security Protocols which constitutes conduct unbecoming a certified staff member and other cause warranting her termination from her tenured employment.

Susan Bechelli engaged in behavior and misconduct so egregious that it reflects her inability to serve as an employee of the Rahway Board of Education (BOE) and warrants her immediate dismissal from her tenured employment. On or about July 12, 2016, Susan Bechelli and the Rahway BOE entered into a Settlement Agreement and General Release. Both parties agreed that Susan Bechelli would be placed on paid administrative leave through January 31, 2017. In addition, she would submit an Irrevocable Letter of Resignation effective February 1, 2017, her employment would automatically cease with the BOE on January 31, 2017, and the Tenure Charges would be deemed withdrawn. The New Jersey Department of Education, Board of Examiners, issued Susan Bechelli an Order to Show Cause on May 12, 2017. On July 30, 2021, the Board of Examiners issued an Order of Suspension. The Board of Examiners accepted Susan Bechelli's proposal to suspend her Teacher of Elementary Grades K-8 Certificate for one month;

11. Other personal circumstances relating to the member which bear upon the justness of forfeiture.

None noted;

The record before the Board establishes that Susan Bechelli was enrolled in the TPAF effective April 1, 1993, as a result of her employment with the Rahway City Board of Education as a Teacher. At the time she separated from service as of February 1, 2017, she was 63 years of age and had 23 years and 10 months of service credit in the TPAF. On September 23, 2016, the Division received Ms. Bechelli's application for Service retirement benefits effective February 1, 2017 under the Maximum option. On November 3, 2017, the Board approved her application. However, at the time of the approval the Board was unaware of any administrative charges filed against her. The record before the Board indicates that on or about November 6, 2015, the New Jersey Office of Fiscal Accountability and Compliance (OFAC) issued a report finding that Susan Bechelli breached testing protocols and security during the administration of the 2011 and 2012 NJ ASK. As a result of those findings, she was suspended with pay. On April 19, 2016, Rahway BOE served her with three counts of tenure charges for unbecoming conduct and other just cause. The three counts of tenure charges outlined her knowing and willful conduct in breaching the NJ ASK Security Protocols while administering the standardized assessments. Specifically, during the 2010-2011 and 2011-2012 school years while administering the assessment tests she breached and violated security protocols by: (1) reading, rewording, explaining, and/or simplifying questions; (2) providing students with answers to test questions verbally and/or in writing; and/or (3) assisting students by using "code" words to suggest the correct answer. On or about July 12, 2016, Ms. Bechelli and the Rahway BOE entered into a Settlement Agreement wherein both parties agreed that she would be placed on paid administrative leave through January 31, 2017, at which time her employment with the Rahway BOE would end and the tenure charges would be withdrawn. In addition, she agreed to submit an irrevocable letter of resignation effective February 1, 2017. On May 12, 2017, the New Jersey Department of Education, Board of Examiners, issued Ms. Bechelli an Order to Show Cause as to why all her certificates and credentials should not be revoked. Thereafter, on July 30, 2021, the Board of Examiners accepted her proposal and issued an Order of Suspension of her Teacher of Elementary Grades K-8 Certificate for one month. The Board determined there was a direct relationship between her misconduct and her public duties as the incidents occurred while she was administering a state exam involving students under her direct supervision. The Board found that her actions involved a high degree of moral turpitude. The Board further found that her motivation was for her students to get higher scores so that she would appear as a better teacher.

Marisa Heluk – Fair Lawn BOE – The Board originally denied the request of Marisa Heluk to transfer service credit accrued in her expired Public Employees' Retirement System account to her active TPAF account at its meeting of January 6, 2022. Ms. Heluk's attorney Edward J. Florio, Esq. filed a timely appeal of that determination on behalf on February 25, 2022. At its meeting of May 5, 2022, the Board affirmed its previous decision, and finding no genuine issue of material fact in dispute, directed the Secretary to draft a Final Administrative Determination. The Board's Findings of Fact and Conclusions of Law as outlined below were presented to and approved by the Board at its June 2, 2022 meeting.

FINAL ADMINISTRATIVE DETERMINATIONS (continued)**Marisa Heluk – Fair Lawn BOE – (continued)****FINDINGS OF FACT**

The record before the Board establishes that Ms. Heluk established membership in PERS under a Tier 1 Account on September 1, 2006, based on her employment as a Classroom Assistant with Montvale Board of Education. Ms. Heluk's PERS pension contributions with this location continued through February 28, 2007. Subsequently, she accepted a position with the County of Bergen on March 1, 2007, and contributions were remitted through September 30, 2007. On July 1, 2009, she accepted a position with Bergen County Improvement Authority (BCIA) as Coordinator of Contractual Projects and contributions with this location continued through September 30, 2010. On October 1, 2010, Ms. Heluk transferred back to Bergen County where she held the title of Executive Assistant, however she did not remain in that position long enough for contributions to be remitted. On September 1, 2011, Ms. Heluk was enrolled in the TPAF as a result of her employment with Fair Lawn BOE as a Guidance Counselor. On May 21, 2012, Ms. Heluk¹ and Bergen County were notified (Account Expiration Notice) that her PERS account was due to expire on September 30, 2012, two years from the date of her last pension contribution. On June 12, 2012, Bergen County completed and returned the Employer Certification portion of the May 21, 2012, notice signed by the Certifying Officer, noting that Ms. Heluk resigned and that her provided her last known address. On August 29, 2012, James LaBella, Benefit Coordinator, Fair Lawn Board of Education, contacted Ms. Heluk via email in response to an inquiry she made to him regarding interfund transfer. Mr. Labella instructed her to complete the applicant section and sign the form, send the form to her former employer and request that they complete and sign their section and then return it to his attention so that he could forward it to the Division for processing. On September 4, 2012, Rosemary Freeman, Pension Supervisor, County of Bergen, Department of Administration and Finance, Personnel Division, faxed Ms. Heluk the incomplete interfund transfer form and notified her that she was not at Bergen County long enough for pension contributions to be remitted and that her last deduction was with BCIA and to contact them to complete the form. Thereafter, Ms. Heluk reached out to Mr. Labella with concern that the deadline was approaching, however she did not follow through with submitting the Interfund Transfer form, completed in its entirety, prior to the expiration of her PERS account on September 30, 2012. N.J.A.C. 17:3-7.1(b) provides a TPAF member with the option to interfund transfer a PERS membership to a TPAF membership, provided the *Application for Interfund Transfer* is received within the requisite time frame. In order for the interfund transfer to have occurred, Ms. Heluk would have had to have filed an *Application for Interfund Transfer* with the Division before her PERS account expired on September 30, 2012. However, this did not occur. On September 21, 2021, the Division received an email from the Governor's Office requesting that we contact Ms. Heluk's husband Adam Silverstein, regarding her request to interfund transfer. After speaking with a counselor on September 30, 2021, Mr. Silverstein emailed Ms. Heluk's formal appeal letter and supporting documentation, which was then forwarded to the Enrollment Section. In response, on October 1, 2021, Nikki Munko, Supervising Pensions Benefits Specialist, Enrollment Section, informed Ms. Heluk that her *Application for Interfund Transfer* was received on September 21, 2021, her PERS membership account expired on September 30, 2012 and the option to transfer this account expired on September 30, 2012. She noted that Interfund transfers are optional transactions, and ultimately, the member's responsibility.

¹ The Account Expiration Notice was issued to Ms. Heluk's address on file with the Division at that time. The Board noted the New Jersey Division of Pensions and Benefits does not retain addresses for active employees.

FINAL ADMINISTRATIVE DETERMINATIONS (continued)

Marisa Heluk – Fair Lawn BOE – (continued)

In addition, she noted the application was incomplete, as it was missing the signature of the Certifying Officer's Supervisor and that had it been received prior to the expiration of her account, it would not be processed. She stated that in addition to the expiration letter, Ms. Heluk had access to the Members' Benefits Online System (MBOS) where she is able to access both her TPAF and PERS accounts and would have the ability to verify if an interfund transfer was processed. Finally, she stated that a review of the record reflected there were no telephone calls or emails to the Division regarding her interfund transfer until September 10, 2021. Ms. Munko's administrative denial letter was forwarded to the Board as part of her appeal. At its meeting of January 6, 2022, the Board affirmed the administrative determination of the Division set forth in its letter dated October 1, 2021, and denied the request of Ms. Heluk to transfer service credit from her expired PERS account to her active TPAF account. By letter dated February 25, 2022, Mr. Florio filed a timely appeal of the Board's decision. At its meeting of May 5, 2022, the Board considered his appeal and request for a hearing. The Board ultimately found that no genuine issue of material fact was in dispute and therefore directed the Board Secretary to draft detailed findings of fact and conclusion of law for review at its meeting of June 2, 2022.

CONCLUSIONS OF LAW

The issue before the Board is whether Ms. Heluk is eligible to Intrafund service credit from her expired Tier 1 PERS account into her active Tier 5 TPAF account. As noted above, the last contribution to Ms. Heluk's PERS account was on September 30, 2010, at which time her PERS membership reflected 2 years and 11 months of PERS service credit. There was no record of activity in Ms. Heluk's PERS account after September 30, 2010. N.J.S.A. 43:15A-7(e) states: "Membership of any person in the retirement system shall cease if he shall discontinue his service for more than two consecutive years." Pursuant to N.J.S.A. 43:15A-7(e), PERS membership shall cease after more than two consecutive years of inactivity. Thus, because more than two years had passed after her last PERS contributions, Ms. Heluk no longer had the option to resume contributions to her expired PERS membership account or Interfund her prior PERS service credit from that account to her active TPAF membership account. In addition, N.J.A.C. 17:3-7.1 states in pertinent part:

(b) [A] member is eligible to transfer membership from another State-administered defined benefit retirement system, provided the membership has not expired or has not been withdrawn and provided that all service eligible for participation has ceased.

1. A member desiring to transfer service credit and contributions from one State-administered defined benefit retirement system to another, must file an "Application for Interfund Transfer." This application will terminate membership in the former system when approved. (Emphasis added)

- ...
5. The member is not eligible to transfer service credit if any of the following conditions apply:

ii. The member has credit in the present system for service earned after the date of enrollment in the new system (concurrent service) unless the member meets the criteria established by N.J.S.A. 43:15A-14. N.J.S.A. 43:15A-14 provides that a member of the PERS at the time of enrollment in the TPAF may transfer the non-concurrent PERS service if the member ceased to be an active contributing member of the PERS three or less years from the date of enrollment in the TPAF. The member must apply to transfer this service no more than two years from the date of the last contribution in the PERS, or the member's PERS account has not expired due to the provisions of N.J.S.A. 43:15A-8. A member who transfers service under this provision shall receive credit for the salaries earned in both the TPAF and PERS during the period of concurrent service;

iii. The account has expired (it has been more than two years from the date of the last contribution, and the member is not vested, nor has the member's account remained active due to the provisions of N.J.S.A. 18A:66-8).

In this case, Ms. Heluk was aware that her last contribution to her PERS membership account was September 30, 2010, as indicated by her acknowledgement of receipt of the Account Expiration Notice² and subsequent actions to obtain an *Application for Interfund Transfer*, before the account expired. However, the form was never completed in its entirety and returned to the Division prior to the expiration of her account. Mr. Florio asserted that Ms. Heluk could not have been aware that another signature was necessary. Nevertheless, the form clearly says that two signatures are required. In fact, to date the Division does not have a completed *Application for Interfund Transfer* form. Ms. Heluk did not return to PERS covered employment or exercise her Interfund transfer option and her PERS membership account expired on September 30, 2012 in accordance with N.J.S.A. 43:15A-7(e). Therefore, the Board found that Ms. Heluk is not eligible to Interfund transfer service credit from her expired PERS membership account to her active TPAF membership account. (Motion made by Trustee Yarusinsky; seconded by Trustee Savicky.)

Garnell Bailey – Pleasantville BOE – The Board originally denied the request of Garnell Bailey to change her retirement type from Service to Ordinary Disability at its meeting of February 3, 2022. Dr. Bailey's attorney David A. Castaldi, Esq. filed a timely appeal of that determination on her behalf. At its meeting of May 5, 2022, the Board considered the personal statements, written submissions and documentation and denied Dr. Bailey's request to reopen her pension application. Finding no genuine issue of material fact in dispute, the Board also denied Mr. Castaldi's request for a hearing and directed the Secretary to draft a Final Administrative Determination. The Board's Findings of Fact and Conclusions of Law as outlined below were presented to and approved by the Board at its June 2, 2022 meeting.

² The second Account Expiration Notice was mailed to a different address provided by Ms. Heluk.

FINDINGS OF FACT

The record shows that Dr. Bailey established membership in TPAF on July 1, 2004,³ based on her employment as Director of Human Resources with Plainfield Board of Education. Dr. Bailey's TPAF pension contributions with this location continued through February 28, 2010. On January 1, 2010, she accepted a position with Pleasantville Board of Education as Assistant Superintendent and contributions with this location continued through September 30, 2019. On June 12, 2019, Dr. Bailey submitted an *Application for Retirement Allowance* on which she requested an October 1, 2019 Service retirement under the Maximum Option. On July 24, 2019, Dr. Bailey contacted the Division's Call Center and spoke with a counselor regarding changing her application from Service to Ordinary Disability. The counselor informed Dr. Bailey on two occasions during that phone call that any changes to her retirement application must be done before her retirement becomes due and payable. A *Quotation of Retirement Benefits*, dated August 2, 2019 was mailed to Dr. Bailey that reflected her Maximum Option selection; it stated, in pertinent part: "You have the right to withdraw, cancel, or change your application for retirement at any time before the later of 30 days after your retirement date or 30 days after the Board of Trustees approves your retirement." The Board approved Dr. Bailey's Service retirement, effective October 1, 2019, at its meeting of August 20, 2019 and a letter was sent on that same date memorializing its decision. The letter stated, in pertinent part: "In accordance with law, you have until thirty days after (A) the effective date of your retirement, or (B) the date your retirement was approved by the Board of Trustees, whichever is the later date, to make any changes to your retirement." Dr. Bailey did not contact the Division to change her retirement application before it became due and payable. Therefore, Dr. Bailey's October 1, 2019 Service retirement became due and payable on October 31, 2019, at which point she was precluded from changing her retirement type in accordance with N.J.A.C. 17:3-6.3. Nearly two years later, on October 27, 2021, Dr. Bailey contacted the Division's Office of Client Services to inquire about changing her retirement type to Ordinary Disability. The counselor explained that because she was well over her due and payable date that a change in retirement option is not permitted. The counselor also reminded Dr. Bailey of the telephone call she made to the Division in July of 2019 where she was provided information about changing her retirement type from Service to Ordinary Disability. Dr. Bailey's phone call was transferred to a Supervisor who confirmed that she is unable to change her retirement option and informed her that she can file an appeal to the Retirement Bureau to consider. Thereafter, emails were sent to the Retirements Bureau regarding Dr. Bailey's request to change her retirement type from Service to Ordinary Disability. In response, by letter dated November 1, 2021, Kate Ozol, Disability Retirement Unit, Retirements Bureau, informed Dr. Bailey that her retirement was past due and payable and thus she could not honor her request to change her retirement type from Service to Ordinary Disability. On December 1, 2021, Mr. Castaldi filed an appeal on Dr. Bailey's behalf requesting that she be permitted to change her retirement date from Service to Ordinary Disability. On December 10, 2021, a corrected administrative denial letter was issued to Dr. Bailey listing her due and payable date of October 31, 2019. At its meeting of February 3, 2022, the TPAF Board denied the request of Dr. Bailey to change her retirement type from Service to Ordinary Disability in accordance with N.J.A.C. 17:3-6.3. By letter dated March 24, 2022, Mr. Castaldi filed an appeal of the Board's decision. At its meeting of May 5, 2022, the Board considered Mr. Castaldi's appeal and request for a hearing.

³ Dr. Bailey became eligible for TPAF membership on September 1, 2007, as a result of her employment with Plainfield Public Schools. An Interfund Transfer was completed, wherein Dr. Bailey transferred her former Public Employees Retirement System (PERS) membership account to her new TPAF membership account.

Garnell Bailey – Pleasantville BOE – (continued)

The Board ultimately found that no genuine issue of material fact was in dispute and therefore directed the Board Secretary to draft detailed findings of fact and conclusion of law for review at its meeting of June 2, 2022.

CONCLUSIONS OF LAW

"Except as provided by N.J.A.C. 17:3-6.1 and 6.7, a member shall have the right to withdraw, cancel or change an application for retirement at any time before the member's retirement allowance becomes due and payable Thereafter, the retirement shall stand as approved by the Board." N.J.A.C. 17:3-6.3(a). Retirement allowances become due and payable thirty days after Board approval. N.J.A.C. 17:3-6.2. The prohibition against retirees changing their benefit selection option after an allowance becomes due and payable is based on the necessity of maintaining the actuarial integrity of the pension system. In re Van Orden, 383 N.J. Super. 410, 422 n.7 (App. Div. 2006). Notwithstanding the potential adverse effect on the fiscal integrity of the fund, our Supreme Court has held the Board possesses the inherent power to reopen a pension proceeding "to serve the ends of essential justice and the policy of the law." Minsavage v. Bd. of Trs., Teachers' Pension & Annuity Fund, 240 N.J. 103, 107-08 (2019) (quoting Van Orden, 383 N.J. Super. at 419). Nevertheless, the need to insure the fiscal integrity of the fund confines the Board's exercise of that power to those situations in which the retiree has demonstrated "good cause, reasonable grounds, and reasonable diligence." Steinmann v. N.J. Dep't of Treasury, Div. of Pensions, Teachers' Pension & Annuity Fund, 116 N.J. 564, 573 (1989) (citing Duvin v. N.J. Dep't of Treasury, Pub. Emps.' Ret. Sys., 76 N.J. 203, 207 (1978)); see also Buono v. Bd. of Trs., Teachers' Pension & Annuity Fund, 188 N.J. Super. 488, 493 (App. Div. 1983) (holding person seeking such relief "must demonstrate extreme hardship and a clear equity in his favor"). The facts in this matter are readily distinguishable from cases where a retiree demonstrated the necessary "good cause, reasonable grounds, and reasonable diligence" to reopen a pension application. For example, unlike in Steinmann, Dr. Bailey does not argue she was deprived of the information necessary to determine which retirement option would be most financially advantageous to her. 116 N.J. at 565, 570. Dr. Bailey does not even allege she was unaware of the fact that ordinary disability retirement benefits would result in a higher overall monthly benefit than her service retirement. Thus, unlike in Steinmann, Dr. Bailey does not allege she "was unable to make an informed choice among her retirement options." Id. at 566, 576. Further, Dr. Bailey is not trying to overturn a mistaken retirement selection, which can deprive a retiree of "substantially higher [monthly] benefits" for the rest of her life. Duvin, 76 N.J. at 207. Dr. Bailey did not rely on any determination by the Division, as in Skulski v. Nolan, 68 N.J. 179, 196-200 (1975), and Ruvoldt v. Nolan, 63 N.J. 171, 183-84 (1973). Likewise, Dr. Bailey did not receive misleading information from her employer as in Outland v. Board of Trustees, Teachers' Pension and Annuity Fund, 326 N.J. Super. 395, 398 (App. Div. 1999). Nor was Dr. Bailey "unable to undo the court-mandated selection" that forced her to select retirement benefits for her then-spouse. See Van Orden, 383 N.J. Super. at 421-22 (holding "the legislative purpose to enable public employees to make fully informed decisions and select pension options that best meet their individual needs was thwarted" when Van Orden was prevented from "reinstat[ing] his original personal choice" once "his wife . . . relinquished any interest she may have had in his pension").

FINAL ADMINISTRATIVE DETERMINATIONS (continued)

Garnell Bailey – Pleasantville BOE – (continued)

Finally, there is no assertion of incapacity due to illness. See Minsavage, 240 N.J. at 109-10 (holding widow should be given opportunity to demonstrate her husband would have modified his retirement selection, but for his incapacity caused by terminal pancreatic cancer); see also Harris ex. rel. Harris v. Bd. of Trs., Pub. Emps.' Ret. Sys., 378 N.J. Super. 459, 462-66 (App. Div. 2005) (holding widower was entitled to a tolling of thirty-day statutory time limitation to modify his wife's pension selection because there was uncontroverted medical evidence that the sudden onset of terminal cancer incapacitated his wife and prevented her from completing the process to modify her retirement selection). Rather, Dr. Bailey first spoke with a counselor from the Division to discuss changing her retirement from Service to Ordinary Disability on July 24, 2019. The Division correctly advised Dr. Bailey that if she wished to change her retirement type that she would need to do so before her retirement became due and payable in accordance with N.J.A.C. 17:3-6.3. The counselor told Dr. Bailey how to submit the change online through MBOS, the documents she would need to provide and gave an estimated timeframe on the Disability Review process. The counselor further advised Dr. Bailey two times during the conversation that she would need to make any changes to her retirement application prior to her due and payable date. Dr. Bailey was informed on multiple occasions that any changes to her retirement application must be done prior to her due and payable date as evidenced by her phone call to the Division on July 24, 2019, her *Quotation of Retirement Benefits* dated August 2, 2019, and her Board approval letter dated August 20, 2019. Thereafter, Dr. Bailey had until October 31, 2019 to change her retirement from Service to Ordinary Disability. Dr. Bailey failed to change her retirement from Service to Ordinary Disability in a timely manner. Mr. Castaldi cited to Minsavage and assert Dr. Bailey "need only show good cause to reopen and amend an application for retirement that is due and payable." However, even if the facts in Minsavage (or Steinmann, Duvin, Skulski, Ruvoldt, Outland, Van Orden, and Harris) and those presented here were parallel, which there are not, the standard is "good cause, reasonable grounds, and reasonable diligence" not merely good cause. Minsavage, at 240 N.J. at 105. Dr. Bailey contacted the Division and specifically asked about changing her retirement application from Service to Ordinary Disability in July 2019. The next time Dr. Bailey contacted the Division about changing her retirement type to Ordinary Disability was more than two years later on October 27, 2021. Therefore, even if Dr. Bailey established good cause, which she did not, the facts of this matter do not demonstrate that Dr. Bailey acted with reasonable diligence. As such, the TPAF Board finds Dr. Bailey has not demonstrated "good cause, reasonable grounds, and reasonable diligence" to reopen her retirement application. (Motion made by Trustee Yarusinsky; seconded by Trustee Favinger.)

April Lowery – Paulsboro Boro BOE – The Board originally determined that April Lowery is not eligible to receive Ordinary Disability retirement benefits due to her separation from employment by way of a settlement agreement. The Board originally made that determination at its meeting of March 3, 2022. Attorney Barbara Reifberg, Esq. filed a timely appeal of that determination on her behalf. At its meeting of May 5, 2022, the Board affirmed its previous decision and finding no genuine issue of material fact in dispute, the Board also denied the request for a hearing and directed the Secretary to draft a Final Administrative Determination. The Board's Findings of Fact and Conclusions of Law as outlined below were presented to and approved by the Board at its June 2, 2022 meeting.

FINAL ADMINISTRATIVE DETERMINATIONS (continued)**April Lowery – Paulsboro Boro BOE – (continued)****FINDINGS OF FACT**

The record shows that Ms. Lowery established membership in TPAF on September 1, 1996, based on her employment as a teacher with Deptford Township Board of Education. On October 1, 2002, Ms. Lowery transferred to Haddonfield Public Schools where she served as a Physical Science Teacher. On December 1, 2003, Ms. Lowery accepted a position as a Teacher with the Paulsboro Board of Education (BOE). Ms. Lowery's TPAF contributions continued with this location until her resignation on June 30, 2019. In August of 2018, Paulsboro BOE served Ms. Lowery with tenure charges for unbecoming conduct, chronic absenteeism during her tenure with Paulsboro BOE, and incapacity for allegedly directing her students to physically remove another student from her classroom against the student's will. In accordance with the rules of the Commissioner of Education, an arbitrator was assigned to decide the dispute. In the Matter of the Tenure Charges against April Lowery, Ms. Lowery and Paulsboro BOE entered into a Separation From Employment and Agreement Release, dated April 29, 2019 which included the following stipulations: Paulsboro would return Ms. Lowery to active payroll from May 1, 2019 until June 30, 2019, although she would remain on sick leave with pay and medical benefits; Ms. Lowery would tender an irrevocable resignation effective June 30, 2019, and would agree to not seek any future employment or consultant relationship with the Paulsboro BOE; the Paulsboro BOE agreed to cooperate with Ms. Lowery's application for Ordinary Disability retirement benefits and the tenure charges filed against her would be deemed moot and withdrawn with no further action initiated. Ms. Lowery did not admit to any wrongdoing. On May 1, 2019, two days after signing the above agreement, Ms. Lowery filed for Ordinary Disability retirement benefits online through the Member Benefit Online System. The Division of Pensions and Benefits' (Division) *Fact Sheet: Disability Retirement Benefits* includes:

If you have been terminated for cause, or have a settlement agreement which sets forth the terms of your departure in lieu of the termination for cause, you and your employer must provide that information to the NJDPB at the time you file for Disability Retirement. It must be shown that you have separated from employment as a result of the disabling condition.

On June 21, 2019, the Division's Audit Section received a letter from Paulsboro BOE outlining the days Ms. Lowery was on an unpaid/paid suspension, attached a copy of the settlement agreement and enclosed a check for pension contributions and contributory insurance per the stipulations of the agreement. Although the Division's Audit Section received a copy of the settlement agreement for purposes of calculating and submitting payment per the terms the agreement, this document was not sent to the Disability Review Unit. Had Ms. Lowery or her employer submitted copy of the settlement agreement in conjunction with her application, it would have been part of the review for eligibility. At its meeting of May 7, 2020, the Board approved Ms. Lowery for Ordinary Disability retirement benefits. A Board approval letter was issued on that same date and included the following language: "The approval of your retirement benefits is expressly conditioned upon the rendering of honorable service during your public employment. If any criminal or administrative charges are found after the date of this notice, your retirement benefits may be held in abeyance until the charges are fully adjudicated or the Board is satisfied pursuant to N.J.A.C. 17:1-6.2." The Board was unaware of any charges and/or misconduct at the time of the approval, as the Paulsboro BOE certified that Ms. Lowery had simply resigned. The Board of Examiners opened a matter by way of an Order to Show Cause that was issued to Ms. Lowery as to why her teaching certificates should not be suspended.

OPEN SESSION

FINAL ADMINISTRATIVE DETERMINATIONS (continued)

April Lowery – Paulsboro Boro BOE – (continued)

After the matter was transmitted to the Office of Administrative Law, Ms. Lowery presented a proposal to the Board of Examiners in which she agreed to a suspension of her certificates for two years. At its meeting of June 25, 2021, the Board of Examiners voted to accept it. It was at this time that the Board Office became aware of the aforementioned tenure charges and subsequent settlement agreement. On February 15, 2022, the Board Office contacted Ms. Lowery by email to inform her that at the March 3, 2022 meeting, the Board would consider her eligibility for continued receipt of Ordinary Disability retirement benefits in accordance with N.J.A.C. 17:3-6.1. On February 22, 2022, Ms. Reifberg wrote to the Division advising that she represents, Ms. Lowery and that she would be appearing on her behalf at the March 3, 2022 Board meeting. At that meeting, the Board determined that Ms. Lowery is ineligible for a Disability retirement and directed the Division to discontinue the benefit and assess the overpayment. Ms. Reifberg filed a timely appeal of the Board determination on April 13, 2022. At its meeting of May 5, 2022, the Board considered her appeal and request for a hearing. The Board ultimately found that no genuine issue of material fact was in dispute and therefore directed the Board Secretary to draft detailed findings of fact and conclusion of law for review at its meeting of June 2, 2022.

CONCLUSIONS OF LAW

The issue is whether Ms. Lowery is eligible to receive an Ordinary Disability retirement in light of her separation from employment and settlement agreement wherein she tendered her irrevocable resignation and agreed to not seek future employment or consultant relationship with the Paulsboro BOE. To qualify for Ordinary Disability retirement benefits a member must meet the requirements set forth at N.J.A.C. 17:3-6.1, which states in pertinent part:

...
To qualify for disability retirement, a member must be unable to perform his or her regular and assigned duties due to a permanently-disabling medical condition present at the time of application, as a result of which disabling condition the member should be retired. Termination of employment, voluntary or involuntary, that was caused by any reason other than the claimed disability disqualifies a member from disability retirement. A member whose employment ended after his or her employer initiated disciplinary action, or who was the subject of criminal or administrative charges or party to a settlement resulting in resignation or termination, is considered to have separated from service as a result of the employer action, charges, or settlement, and not due to a disability, unless the action, charges, or settlement is shown to be a result of the disability.

As N.J.A.C. 17:3-6.1 states, " A member whose employment ended after his or her employer initiated disciplinary action, or who was the subject of criminal or administrative charges or party to a settlement resulting in resignation or termination, is considered to have separated from service as a result of the employer action, charges, or settlement, and not due to a disability, unless the action, charges, or settlement is shown to be a result of the disability.

OPEN SESSION

FINAL ADMINISTRATIVE DETERMINATIONS (continued)

April Lowery – Paulsboro Boro BOE – (continued)

The Separation from Employment Agreement and Release, In the Matter of the Tenure Charges Against April Lowery, says in pertinent part:

Whereas, the parties, wishing to resolve the tenure charges presently pending against Ms. Lowery (including all claims for excessive absenteeism and misconduct as set forth herein) without the need for further litigation, hereby stipulate to settle the same, subject to the terms and conditions as set forth herein; and Ms. Lowery intends to, and by executing this Agreement, hereby does irrevocably resign effective June 30, 2019

Further, in order to comply with N.J.S.A. 18A:66-40, a member seeking a disability retirement must have a position to return to should the alleged disability diminish to the point that the member could return to employment. N.J.S.A. 18A:66-40 states, in pertinent part: "If the report of the medical board shall show that such beneficiary is able to perform either his former duty or other comparable duty which his former employer is willing to assign to him, the beneficiary shall report for duty." Thus, if it was later determined that Ms. Lowery is no longer disabled, there is no mechanism for the Board to stop paying the pension because she could never be ordered to return to work, as required by N.J.S.A. 18A:66-40. Permitting Ms. Lowery to continue to receive Ordinary Disability retirement benefits under such circumstances would be in contravention of the statutory scheme, and place the Board in the position of potentially paying a pension for which the Board has no ability or mechanism to terminate the pension payment. (Motion made by Trustee Yarusinsky; seconded by Trustee Savicky.)

FINDINGS OF FACT, CONCLUSIONS OF LAW

Lisa Gappa – Montgomery Twp BOE – The Board considered the Initial Decision (ID) of the Honorable Nanci G. Stokes, Administrative Law Judge (ALJ), dated April 5, 2022, together with the evidence submitted by the parties, and the exceptions filed by Deputy Attorney General Payal Y. Ved, dated April 13, 2022. The Board noted the exceptions. After careful consideration, the Board voted to reject the ALJ's decision recommending Accidental Disability (AD) retirement benefits for Ms. Gappa, thereby reaffirming its original decision denying Ms. Gappa's application for AD retirement benefits. The ALJ found that Ms. Gappa met her burden of proving that her disability is the direct result of the workplace incident that occurred on May 1, 2017, and is therefore entitled to AD retirement benefits. ID at 1-2, 20. For the reasons set forth below, the Board made additional findings, rejected the ALJ's causation finding, and rejected the ALJ's legal conclusion that Ms. Gappa is entitled to AD⁴ retirement benefits.⁵

⁴ The Board corrects the Procedural History to reflect that the Board submitted its post-hearing brief on March 25, 2022 via electronic mail and the court acknowledged receipt of same on March 28, 2022. See ID at 3.

⁵ As the 45-day statutory period for issuing a final decision would have expired, the TPAF Board properly requested and received an extension of time for issuing its final decision.

FINDINGS OF FACT, CONCLUSIONS OF LAW (continued)

Lisa Gappa – Montgomery Twp BOE – (continued)

The Board directed the Secretary to prepare the Findings of Fact and Conclusions of Law, as outlined below, which were approved by the TPAF Board at its meeting on June 2, 2022.⁶ This will constitute the Board's Final Administrative Determination in this matter.

FINDINGS OF FACT

The Board notes the ALJ's finding that prior to her resignation Ms. Gappa worked as a full-time teacher for Montgomery Township Board of Education at Orchard Elementary School, where she provided academic support and assistance to students individually or in groups. Ms. Gappa frequently walked to different areas of the school throughout the day. Due to the age of her students, Ms. Gappa regularly had to bend, stoop, or sit on the floor to engage with them. ID at 3. On May 1, 2017, while in the school cafeteria Ms. Gappa fell on a wet floor and landed on the right side of her buttocks and injured her right thigh, hip, elbow, and lower back. ID at 2. The Board noted Ms. Gappa acknowledged that prior to the May 1, 2017, incident she had prior back issues and that her physicians ordered lumbar MRIs in 2001, 2011 and 2015 to diagnose her back problems. ID at 6. The Board noted Ms. Gappa's past medical history included a motor vehicle accident in 2001. Records from that incident reveal that on June 27, 2001, Ms. Gappa underwent a lumbar MRI, noting bilateral pars defect at L5, but no evidence of herniation, stenosis, or bony neural foraminal encroachment. ID at 7. With respect to the 2001 accident, the Board makes the following additional findings of fact consistent with the record. First, Ms. Gappa's expert, Dr. David Weiss, D.O. (Dr. Weiss), agreed that Dr. Elliot Sambol, M.D. (Dr. Sambol) noted "she has a history of motor vehicle accident many years ago which resulted in back pain and discomfort." T81:18-82:4; R-21. Second, Dr. Weiss agreed that Dr. Nirav Shah, M.D. (Dr. Shah), a Neurosurgeon, noted "she does have a previous history of lower back pain in 2001. She was in a car accident and hurt her neck and lower back at the time" and "she did not have a complete resolution of her symptoms . . . but was at baseline." T80:8-18; R-18. In addition, Dr. Shah wrote that "the patient had an aggravation injury to her pre-existing lumbar spondylolisthesis." T81:2-7; R-18. Moreover, Dr. Weiss conceded during his testimony that he did not review the film or report of the June 27, 2001 MRI of the lumbar spine. P-10; T71:12-18. As mentioned previously, Ms. Gappa experienced back pain in 2011 and was referred by her physician for another lumbar MRI. The Board also notes that Dr. Weiss did not review the June 8, 2011, MRI of the lumbar spine. In 2015, Ms. Gappa sought chiropractic treatment by Dr. Cohen. Dr. Cohen ordered the 2015 lumbar MRI and adjusted her back for several months. ID at 6. Ms. Gappa agreed that the records from Cohen Chiropractic show that she described her chief complaints in October 2015 as "constant bilateral lower lumbar aching, burning dull, sharp stabbing pain. Additional complaints for this region include weakness and stiffness, severity level, 8 out of 10." T34:11-35:4; R-6. Dr. Weiss testified that he reviewed the chiropractic records from 2015 to 2016, but that they were omitted from his report in error. T73:4-19. In his report, Dr. Weiss noted that Ms. Gappa underwent chiropractic treatment from October 9, 2015 through January 25, 2016 with complaints of low back pain. She notes a pain level of 0-1/10 involving her lumbar spine." P-10. However, the October 9, 2015, report from Cohen Chiropractic, as stated above, describes Ms. Gappa's complaints as "constant bilateral lower lumbar aching, burning, dull, sharp, stabbing pain," included "weakness and stiffness" and a "Severity level 8/10." R-6. Following the May 1, 2017 incident, Ms. Gappa sought treatment by Dr. Arik Mizrachi, M.D. (Dr. Mizrachi) who prescribed steroid medication and rehabilitation by means of physical therapy.

⁶ Due to health and safety concerns for the public regarding COVID-19, the May 5, 2022 and June 2, 2022 meetings were conducted via teleconference.

OPEN SESSION

FINDINGS OF FACT, CONCLUSIONS OF LAW (continued)

Lisa Gappa – Montgomery Twp BOE – (continued)

The Board notes Dr. Weiss did not review Dr. Mizrachi's reports from May 5, 2017 to September 27, 2017 or the physical therapy records from Kessler Rehabilitation (R-15) and Twin Boro Physical Therapy (R-16). After several months of physical therapy, Dr. Mizrachi performed lumbar epidural injections. The Board also notes Dr. Weiss neglected to review the operative reports from the lumbar epidural spinal injections, dated July 11, 2017, August 22, 2017, and October 17, 2017. T78:5-9; P-10. Ms. Gappa was referred to an orthopedic surgeon following a failed series of physical therapy and epidural spinal injections. In April 2018, orthopedic surgeon, Dr. Lamb concluded that the May 1, 2017 incident "acutely exacerbated" Ms. Gappa's underlying preexisting degenerative joint disease and spondylolisthesis. ID at 4. Thereafter, Ms. Gappa underwent a surgical assessment with Dr. Shah who ultimately performed an anterior and posterior lumbar interbody fusion at L5-S1 with decompression. ID at 5. The Board notes Dr. Weiss did not review the pre and post-surgical records from Penn Medicine Princeton Medical Center dated June 14, 2018 to June 28, 2018 (R-20); the records from the Robert Wood Johnson Visiting Nurses reports from June 27, 2018 to July 20, 2018 (R-22); the report from Dr. Seth Joseffer, M.D. (Dr. Joseffer), neurosurgery, dated October 18, 2018 (R-24); or report from Dr. Paula Sjolund, D.O. (Dr. Sjolund), internal medicine, dated April 5, 2019 (R-29). P-10. After reviewing Ms. Gappa's prior history, some of her medical records and personally conducting a physical examination, Dr. Weiss diagnosed her with "chronic post-traumatic lumbosacral strain and sprain"; "aggravation of pre-existing age related degenerative disc disease and osteoarthritis of the lumbar spine"; "aggravation of pre-existing age related L5 over S1 spondylolisthesis"; and "aggravation of pre-existing lumbar spine pathology with history of L5-S1 herniated disc confirmed by MRI in 2011, bulging lumbar disc L4-L5 confirmed by MRI in 2015[.]" T82:8-22; P-10. The Board notes that Andrew M. Hutter, M.D. (Dr. Hutter)⁷, admitted as an expert in Orthopedics who testified on behalf of the Board, reviewed the June 27, 2001, MRI report of the lumbar spine and described its presentation of defects in the spine dating back to 2001 that would eventually lead to spondylolisthesis, a slip of one vertebrae on the other. T133:13-134:8. In line with his initial finding, and upon a review of the October 30, 2015, MRI report of the lumbar spine, Dr. Hutter testified that he found spondylolisthesis at L5-S1 had indeed developed, which demonstrates that this was a pre-existing condition. T134:3-20.

CONCLUSIONS OF LAW

The Board rejects the ALJ's direct result finding and analysis. First, the Board objects to the ALJ's conclusion that a preponderance of the credible evidence established that the 2017 incident was the "essential significant or substantial contributing cause" to Ms. Gappa's ultimate disability. Second, the Board rejected the ALJ's legal conclusion that Ms. Gappa met all the requirements to qualify for AD. ID at 20. N.J.S.A. 18A:66-39(c), provides that a member of the TPAF is eligible for AD only if she "is permanently and totally disabled as a direct result of a traumatic event occurring during and as a result of the performance of h[er] regular or assigned duties."

⁷ Dr. Hutter testified on behalf of the Board.

FINDINGS OF FACT, CONCLUSIONS OF LAW (continued)

Lisa Gappa – Montgomery Twp BOE – (continued)

In Richardson v. Board of Trustees, Police & Firemen's Retirement System, 192 N.J. 189 (2007), the Supreme Court determined that the PFRS statute, which is comparable the TPAF statute, sets forth a multi-prong test to determine eligibility.

[A] traumatic event is essentially the same as what we historically understood an accident to be—an unexpected external happening that directly causes injury and is not the result of pre-existing disease alone or in combination with work effort. Thus, to obtain accidental disability benefits, a member must prove:

1. that he is permanently and totally disabled;
2. as a direct result of a traumatic event that is
 - a. identifiable as to time and place,
 - b. undesigned and unexpected, and
 - c. caused by a circumstance external to the member (not the result of pre-existing disease that is aggravated or accelerated by the work);
3. that the traumatic event occurred during and as a result of the member's regular or assigned duties;
4. that the disability was not the result of the member's willful negligence; and
5. that the member is mentally or physically incapacitated from performing his usual or any other duty.

[Id. at 212-13.]

Accordingly, Ms. Gappa must demonstrate that the May 1, 2017, incident was the "the essential significant or substantial contributing cause" of her disability and not be the result of pre-existing disease alone or in combination with work effort to satisfy the "direct result" requirement. Gerba v. Bd. of Trs., Pub. Emps. Ret. Sys., 83 N.J. 174, 185 (1980); Korelnia v. Bd. of Trs., Pub. Emps. Ret. Sys., 83 N.J. 163, 170 (1980). The burden of proof lies with Ms. Gappa to prove "direct result" by providing credible medical evidence. Gerba, 83 N.J. at 185; Atkinson v. Parsekian, 37 N.J. 43, 149 (1962). After considering all relevant evidence in the record, the Board found that Ms. Gappa failed to carry her burden and prove that her disability was the direct result of the 2017 incident. Rather, the record shows that her disability was the result of a pre-existing condition and degenerative changes. In Gerba, the Supreme Court noted that the legislative intent of the "direct result" requirement was to apply a more exacting standard of medical causation and that AD should be denied when there is "an underlying condition such as osteoarthritis which itself has not been directly caused, but is only aggravated or ignited, by the trauma." Gerba, 83 N.J. at 186.

FINDINGS OF FACT, CONCLUSIONS OF LAW (continued)

Lisa Gappa – Montgomery Twp BOE – (continued)

A pre-existing condition that is stable, non-symptomatic and "might never cause any trouble" can combine with a traumatic event to satisfy the "direct result" requirement. Petrucelli v. Bd. of Trs., Pub. Emps. Ret. Sys., 211 N.J. Super. 280, 287 (App. Div. 1986). There is no question here that Ms. Gappa's condition was symptomatic for many years and demonstrably evident in the MRI's and other objective testing years before the incident she claims caused her disability. The question of whether a claimant's alleged disability is the direct result of a traumatic event is one certainly within the scope of expert medical opinion. Korelnia, 83 N.J. at 171. The weight granted to the medical evidence, and expert testimony adduced at the hearing, depends on such factors as whether the expert witness testified in his specialty and whether the expert's conclusions are based only on the subjective complaints of a patient. Angel v. Rand Express Lines, Inc., 66 N.J. Super. 77, 86 (App. Div. 1961). The Board notes that the direct-result standard is "far more exacting than [tort law's] 'proximate cause' standard and, as explained in Gerba, was purposely made to be so by the Legislature." In re Cordero, No. A-2803-10, 2012 N.J. Super. Unpub. LEXIS 1406, at *15 (App. Div. June 19, 2012) ; see also Torres v. Bd. of Trs., Police & Firemen's Ret. Sys., No. A-2388-15T3, 2018 N.J. Super. Unpub. LEXIS 1858, at *16-17 (App. Div. Aug. 3, 2018) ("The fact that total disability followed the muscle strain chronologically does not necessarily mean that it was 'as a result' thereof. To hold otherwise would be to adopt the false logic of 'Post hoc, ergo propter hoc'."). In this matter, in determining whether the May 2017 incident substantially caused Ms. Gappa's disability, the Board noted the ALJ failed to give proper weight to the medical records which documented a long-standing history of pre-existing degenerative conditions, yet included multiple references to prior history of back pain and pre-existing degenerative changes in the lumbar spine. ID at 1, 4, 6, 7-10, 12-14, 19-20. Further, the ALJ failed to give proper weight to both Dr. Weiss and Dr. Hutter's⁸ conclusions that the 2017 slip and fall incident intensified pre-existing degenerative conditions. Many of Ms. Gappa's treating physicians commented on her "history of back pain" and "pre-existing" lumbar pathology and her own physician's report that the incident exacerbated her pre-existing conditions. Moreover, Dr. Weiss conceded Ms. Gappa had a documented history of low back pain, and decided that the 2017 incident was an aggravation and acceleration of prior injuries and pre-existing conditions. ID 7-9. The Board also rejects the substantial weight the ALJ gave to Dr. Weiss, given the fact that he made an opinion without reviewing a large portion of Ms. Gappa's medical records yet admitted that the doctors noted she had a history of low back pain. The considerable amount of medical records that Dr. Weiss neglected to review all established a history of degenerative and symptomatic low back pain prior to the 2017 incident. The Board asserts Dr. Hutter's testimony deserves greater weight because he testified more reliably than Dr. Weiss. The Board notes Dr. Hutter's conclusions were made in harmony with Ms. Gappa's medical history, her radiological testing, and the opinions of her treating physicians. Dr. Hutter also pointed out that the June 27, 2001 and October 30, 2015 MRIs of the lumbar spine show the presence and progression of pre-existing degenerative changes. In contrast, Dr. Weiss did not view the June 27, 2001 MRI report. Therefore, Dr. Hutter's conclusion about direct result is more consistent with Gappa's treating physicians than Dr. Weiss' conclusion. In addition, the Board finds that the ALJ incorrectly applied Petrucelli and erroneously applied the "but for" standard for causation. ID at 4, 6, 7-10, 12-14, 17-20. In Petrucelli, the Court clearly established that for a pre-existing condition which combines with a traumatic event to satisfy the direct result requirement, the pre-existing condition must be asymptomatic or quiescent. 211 N.J. Super. at 287. Ms. Gappa's records speak directly to the presence of pre-existing back problems that date back to the motor vehicle accident in 2001.

⁸ Subsequent to the Board's approval, an error in the factual findings was discovered where there was an accidental reference to Dr. Berman when it should have been Dr. Hutter.

FINDINGS OF FACT, CONCLUSIONS OF LAW (continued)**Lisa Gappa – Montgomery Twp BOE – (continued)**

Moreover, the back pain presented on numerous occasions over a period of years and required Ms. Gappa to seek medical attention for pain she described as "constant bilateral lower lumbar aching, burning dull, sharp stabbing pain" with a severity level of 8 out of 10. Furthermore, Dr. Hutter's opinion regarding causation deserves greater weight than Dr. Weiss' opinion because he relied on objective medical evidence which he corroborated with specific clinical findings. The Board also found that Dr. Weiss' conclusion that the 2017 incident caused Ms. Gappa's disability does not fit with the facts in light of his diagnoses, which characterize her current condition as an aggravation of pre-existing pathologies and degenerative changes. Dr. Weiss further attempted to explain that he based his conclusion on guidelines for causation from a medical treatise, however, that is not the appropriate standard for causation in AD cases. All of Ms. Gappa doctors, including Dr. Weiss, agreed that her lumbar spine disability is due to a pre-existing condition. This pre-existing condition in conjunction with the aggravation by the 2017 incident precludes a finding that the incident directly resulted in her disability. Gerba, 83 N.J. at 186. Finally, the Board noted the ALJ determined that "Gappa would not be disabled from her regular work responsibilities but for the slip and fall on May 1, 2017." ID at 12 (emphasis added). In addition, the ALJ found that "but for the accident in 2017, Gappa did not need spinal surgery, consistent with a lack of any prior surgical or invasive treatment recommendations." ID at 9. The Board rejects these findings as the ALJ applied the incorrect legal standard to determine the issue of direct result. For the foregoing reasons, the Board rejected the ALJ's finding that the incident was the direct result of Ms. Gappa disability and found that Ms. Gappa failed to meet her burden of proof and is therefore ineligible for AD retirement benefits. (Motion made by Trustee Yarusinsky; seconded by Trustee Favinger.)

APPELLATE DIVISION DECISIONS

Marilyn Holloway – Paterson BOE – The Court affirmed the Board's denial of Ordinary Disability retirement benefits. (Noted by Trustee Lipoff.)

Kathy Andrews-Williams – Pennsauken Twp BOE – The Court affirmed the Board's denial of Accidental Disability retirement benefits. (Noted by Trustee Yarusinsky.)

INITIAL DECISION

Carolyn Frazier – Jersey City Public Schools – The Board considered the following documents in the appeal of attorney, Samuel M. Gaylord, Esq., on behalf of this client, Carolyn Frazier: The Initial Decision of Administrative Law Judge (ALJ) Dean J. Buono, dated May 12, 2022; all exhibits; and the exceptions filed by Deputy Attorney General (DAG) Allyson V. Cofran, dated May 19, 2022. The Board noted the exceptions. Thereafter, the Board voted to adopt the ALJ's decision affirming the Board's denial of Ms. Frazier's application for Accidental Disability retirement benefits. (Motion made by Trustee Yarusinsky; seconded by Trustee Savicky.)

OPEN SESSION

RECONSIDERATION/HEARING REQUESTS - DENIED

The Board reviewed and denied the following requests for reconsideration and a hearing in the Office of Administrative Law, essentially for the reasons set forth previously by the Board. Therefore, the Board has directed the Secretary, in conjunction with the Attorney General's Office, to draft a detailed Findings of Fact and Conclusions of Law that will formally outline the Board's decision and become the Board's final administrative determination:

Lory Coursey – Atlantic City BOE – Appeals the Board's denial of request to apply service credit to expired TPAF account. (Motion made by Trustee Savicky; seconded by Trustee Yarusinsky.)

Michael Cheski – Kittatinny Regional High School – Appeals the Board's denial of request to extend TPAF membership. (Motion made by Trustee Savicky; seconded by Trustee Favinger.)

HEARING REQUEST - APPROVED

The Board approved the following member's request for a hearing in the Office of Administrative Law:

Gennaro DeFrancesco – Elizabeth BOE – Appeals the Board's denial of Ordinary Disability retirement benefits. (Motion made by Trustee Savicky; seconded by Trustee Favinger.)

RECONSIDERATION OF REQUEST TO PURCHASE SERVICE CREDIT

(A motion was made by Trustee Favinger to adopt Resolution B and enter into Executive Session; seconded by Trustee Savicky. A motion was made to enter back into Open Session by Trustee Savicky; seconded by Trustee Yarusinsky.)

William Spence – Vineland City BOE – The Board considered the personal statements and submissions of William Spence, the statements of Shirlene Scott, Supervisor of the Division's Purchase Section, as well as all documentation in the record in reconsideration of Mr. Spence's request to purchase service credit rendered with the United States Military. By way of background, Mr. Spence submitted a *Purchase Application* for Military Time for the period covering February 1, 1981 to July 10, 2009. At its meeting of April 7, 2022, the Board approved Mr. Spence's request to purchase service credit, however, the Board tabled the processing of the purchase in order for Mr. Spence to provide specific information/proof regarding the periods eligible to purchase. Mr. Spence was asked to provide a number of alternative documents⁹ in lieu of DD-214's, which would establish the beginning and end dates of active duty service. During the meeting, Mr. Spence submitted a one-page photo of his service history via email, which was uploaded for the Trustees to review and consider. After careful review, the Board noted that Mr. Spence's submission did not reflect the detail of duties nor list the exact beginning and ends dates of his active duty service. Thereafter, the Board voted unanimously to reverse its prior decision, which approved Mr. Spence's request to purchase service credit. (Motion made by Trustee Yarusinsky; seconded by Trustee Savicky.)

⁹ Mr. Spence was permitted to submit a copy of his Military Orders, which show the exact start and end dates of his active duty; all pages of the National Guard Report of Separation and Record of Service; or a copy of his Army National Guard Retirement Points Statement.
