REQUEST TO REINSTATE APPLICATION FOR ORDINARY DISABILITY RETIREMENT BENEFITS

Edward Messinger – Rumson-Fair Haven Regional High School – The Board considered the correspondence of attorney, Albert J. Leonardo, Esq. appealing the administrative decision to close the application for Ordinary Disability retirement benefits filed by his client, Edward Messinger for an effective date of July 1, 2021., due to Mr. Messinger's failure to provide the required medical records and certifications pursuant to N.J.A.C. 17:3-6.1. After careful consideration, the Board denied Mr. Messinger's request in accordance with N.J.A.C. 17:3-6.1 and N.J.A.C. 17:1-7.10. N.J.A.C. 17:3-6.1 states in pertinent part:

...

(f) In addition to the requirements in (a) through (e) above, the following shall apply when an application for disability retirement is filed:

1. An application for a physical disability retirement must be supported by at least two reports. One must be provided by the member's personal or attending physician and the other may consist of hospital records supporting the claim of disability or a report from a second physician; the medical condition described on the member's retirement application must correspond to the medical reports submitted in support of the member's disability retirement application. Further, in the case of a member filing for an accidental disability retirement, only those disabilities associated with the purportedly-disabling event shall be considered. If the member is denied an accidental disability retirement application but qualifies for an ordinary disability retirement based on the original accidental-disability application, no additional application need be filed, pursuant to (h) below.

...

N.J.A.C. 17:1-7.10 states in pertinent part:

(a) Applicants for disability retirement shall submit with their applications all the medical information they can supply relative to their disability, including reports of their personal physicians and consulting physicians, hospital records, diagnostic test results, and any other medical information which would assist the Medical Review Board and the Board or Commission of the retirement system in determining eligibility of the applicants for disability retirement. The Disability Review Section shall forward the applications and the accompanying medical information to the Medical Review Board.

1. The applicant must submit all required documentation within six months of submitting the disability retirement application, or the disability retirement application will be cancelled. The member will then be required to complete a new disability application for a future retirement date.

CLOSED SESSION

REQUEST TO REINSTATE APPLICATION FOR ORDINARY DISABILITY RETIREMENT BENEFITS
(continued)

Edward Messinger – Rumson-Fair Haven Regional High School – (continued)

In making its determination, the Board noted that although Mr. Messinger submitted an *Application for Disability Retirement* on April 27, 2021, his application was not supported by medical documentation as provided by the New Jersey Administrative Code. Mr. Messinger was notified several times that his application could not be processed without this documentation. By notice dated May 4, 2021, the Disability Review Section advised him of the required medical documentation needed to support his application as well as the consequence for failure to do so within the requisite timeframe. Thereafter, on July 16, 2021, Mr. Messinger was sent a second notice, and on September 23, 2021 he was sent a third notice. On October 27, 2021, he was advised that the Disability Review Section had received two personal/treating physician's forms, however, both physicians¹ stated that they have never treated Mr. Messinger. Further, the Disability Review Section stated that Mr. Messinger must submit the required documentation within six months of the date of filing. On January 27, 2022, a Final Request was mailed to Mr. Messinger that gave him until February 27, 2022 to submit the required documents and stated that if the documents were not received by that date that his retirement will be cancelled. The required documents were not provided, and his application was cancelled on March 1, 2022, in accordance with the regulation. Therefore, based upon the information noted above, the Board denied Mr. Messinger's request to re-open the application for Ordinary Disability retirement filed on April 27, 2021. The Board noted, Mr. Messinger subsequently filed for Ordinary Disability retirement effective April 1, 2022; the latter application will proceed accordingly. (Motion made by Trustee Culliton; seconded by Trustee Savicky.)

¹ The *Medical Examination by Personal or Treating Physician* form dated February 25, 2022 was completed by Certified Physician Assistant. A report by a physician's assistant does not satisfy the requirement.

* These issues are only applicable to cases reviewed under Patterson standard (mental-mental). The Russo Decision requires reasonable person/terrifying horror-inducing to be analyzed as one factor.
 ** Only applicable to cases filed beyond 5 years of the date of the incident

#1) T/P = permanently and totally disabled mentally or physically, from performing the regular assigned work duties and any other available job duties

#2) The disability is a direct result of a traumatic event that is: a) identifiable as to time and place, b) undesignated and unexpected, and c) caused by a circumstance external to the member (not the result of pre-existing disease that is aggravated or accelerated by the work).

If the event was non-physical, the member must also establish d) that the event that forms the basis for an accidental disability was objectively capable of causing a reasonable person in similar circumstances to suffer a disabling mental injury, based on a finding that the disability resulted from "direct personal experience of a terrifying or horror-inducing event that involves actual or threatened death or serious injury, or a similarly serious threat to the physical integrity of the member or another person."

#3) The event occurred during and as a result of the performance of the member's regular or assigned duties.

#4) The disability was not the result of the member's willful negligence; and

#5) The member is mentally or physically incapacitated from performing the usual or any other duty.

D/M = Delayed manifestation (due to the delayed manifestation of the disability or circumstances beyond the control of the member) cases must be considered on those applications filed beyond five years of the accident date, if the application was filed within a "reasonable time" following manifestation of the disability, based on the totality of the facts and circumstances of the case

(A motion was made by Trustee Savicky; seconded by Trustee Favinger to enter into Open Session.)

OPEN SESSION

REQUESTS A RETROACTIVE RETIREMENT DATE OF AUGUST 1, 2019

Anne Grad – Manchester Twp BOE – The Board considered the personal statements of Anne Grad, her letters received on March 3, 2022 and May 2, 2022, and all relevant documentation in the record regarding her request to change her retirement date from February 1, 2022 to August 1, 2019. After careful consideration, the Board denied Ms. Grad's request to retroactively change her retirement date. In making its determination, the Board relied on N.J.S.A 18A:66-43 and N.J.A.C. 17: 3-6. 1. N.J.S.A 18A:66-43, states, in pertinent part:

Retirement for service shall be as follows: (a) A person who was a member before the effective date of P.L. 2008, c. 89 and has attained 60 years of age may retire on a service retirement allowance by filing with the retirement system a written application, duly attested, stating at which time subsequent to the execution and filing thereof he desires to be retired. The board of trustees shall retire him at the time specified or at such other time within 1 month after the date so specified as the board finds advisable. (Emphasis added)

In addition, N.J.A.C. 17:3-6.1, states in pertinent part:

(a) Applications for retirement must be made over the Internet, using the online forms required by the Fund through a member's secure account established through the Member Benefits Online System (MBOS). Such forms must be completed in all respects and filed with the Division on or before the requested dated of retirement. Applications for retirement can be filed no more than one year in advance, except that a member whose TPAF-eligible employment has ended may file for deferred retirement at any time after the employment has ended. A member's retirement application becomes effective on the first of the month following receipt of the application unless a future date is requested... (Emphasis added)

The record before the Board establishes that Ms. Grad's *Application for Retirement Allowance*, in which she requested a February 1, 2022 Deferred retirement, was electronically received by the Division of Pensions and Benefits (Division) on January 10, 2022. On January 24, 2022, Ms. Grad wrote to the Division to request a retroactive retirement date of July 1, 2019. In response to the aforementioned request, an administrative denial letter was issued from Jayne Ehrmann of the Division's Retirement Bureau, dated February 17, 2022, stating that pursuant to N.J.A.C. 17:2-6.1(a), "*Applications for retirement must be made on forms required by the System. Such forms must be completed in all respects and filed with the Division before the requested date of retirement.*" A member's retirement application becomes effective on the first of the month following receipt of application unless a future retirement date is requested. On March 3, 2022, the Division received Ms. Grad's letter appealing the administrative denial and the Board noted the reasons stated therein. On April 7, 2022, the Board approved Ms. Grad's application for Service² Retirement effective February 1, 2022. Pursuant to N.J.S.A 18A:66-43 and N.J.A.C. 17: 3-6.1, Ms. Grad's application for a July 1, 2019 retirement date had to have been received by the Division by June 30, 2019; her application was not received until January 10, 2022. Therefore, the Board affirmed the Division's decision and denied her request for a retroactive retirement date. Ms. Grad's retirement date of February 1, 2022 remains unchanged as previously approved by the Board. (Motion made by Trustee Favinger; seconded by Trustee Savicky.)

² The retirement type was changed from Deferred to Service as Ms. Grad was over age 60.

HONORABLE SERVICE (continued)**Benjamin Norton – Lodi BOE – (continued)****Administrative Charges**

On May 29, 2007, Benjamin Norton was suspended with pay due to the accusation mentioned above. Specifically, Benjamin Norton had chaperoned multiple trips to various locations, which included Sandy Hook, New Jersey, Cape Cod, Massachusetts, as well as Key West, Florida from 2001 through 2003. During the school-sponsored trips as well as his classroom decorum Benjamin Norton acted highly inappropriate and unprofessional. Benjamin Norton would allow certain select students to change their grades as well as feed them answers to tests. On trips, he used an untrained and inexperienced male college student to assist with chaperoning duties. Benjamin Norton would leave the students under this particular chaperone's supervision while he would go out drinking. On one of the trips to Cape Cod, Benjamin Norton purchased and drank beer with the students. On the Key West dive trip he purchased alcohol for the students and knew they were drinking. During the trips, Benjamin Norton allowed students to smoke marijuana and drink alcohol. He ignored both of these facts and failed to report, discipline, or properly supervise the students during the trips. Furthermore, Benjamin Norton would engage in sexually explicit conversations with female students. On September 1, 2007, he was suspended without pay due to the indictment of the criminal offenses;

10. The availability and adequacy of other penal sanctions;**Criminal Charges**

On March 14, 2011, by way of a jury trial Benjamin Norton was found not guilty on all charges;

Administrative Charges

Benjamin Norton and the Lodi BOE entered into a Separation of Service Agreement dated October 20, 2011. Both parties agreed that Benjamin Norton would tender an Irrevocable Letter of Resignation from all employment with the Lodi BOE effective the close of business on August 31, 2011. He agreed to relinquish all rights to his employment as well as agreed not to seek any employment at any time with the Lodi BOE. Subsequently, the Lodi BOE agreed to pay Benjamin Norton \$350,000 in exchange for him waiving his entitlement to additional sick, personal, or vacation days, emoluments, increments, back pay, and any other benefits that have accumulated before or after September 1, 2007. On September 30, 2011, the Board of Examiners issued an Order to Show Cause as to why Benjamin Norton's Teaching Certificate should not be revoked. On May 31, 2013, an Initial Decision of the Office of Administrative Law (OAL) was rendered which revoked Benjamin Norton's Teaching Certificate. The Initial Decision concluded that Benjamin Norton's behavior was highly inappropriate and unprofessional. The OAL recommended Benjamin Norton's teaching certificate be revoked. The Board of Examiners on September 20, 2013, adopted the Initial Decision of the OAL. Although Benjamin Norton was found not guilty on the charges filed in Massachusetts, his conduct was deemed inappropriate and warranted the revocation of his teaching certificate.

OPEN SESSION

HONORABLE SERVICE (continued)**Benjamin Norton – Lodi BOE – (continued)**

On September 25, 2014, a Commissioner of Education Decision affirmed the revocation of Benjamin Norton's teaching certificate. The revocation was deemed an appropriate penalty in light of the highly inappropriate and unprofessional behavior of Benjamin Norton. On September 20, 2016, the Superior Court of New Jersey, Appellate Division, affirmed the revocation of Benjamin Norton's Teaching Certificate;

11. Other personal circumstances relating to the member which bear upon the justness of forfeiture;

The Board noted Benjamin Norton did not appear;

The record before the Board establishes that Mr. Norton was enrolled in the TPAF effective September 1, 1993, as a result of his employment as a Science Teacher with the Bergen County Board of Vocational Education. On September 1, 2000, Mr. Norton transferred to the Ramapo Indian Hills Regional High School. From September 1, 2002 through September 28, 2011, he was employed by the Lodi BOE. At the time he separated from service as of September 28, 2011, he was 50 years of age and had 14 years of service credit in the TPAF. Thus, he was vested and eligible for a Deferred retirement benefit. On March 19, 2021, the Division received Mr. Norton's application for Deferred³ retirement benefits effective August 1, 2021, under the Maximum option. On May 29, 2007, Mr. Norton was suspended with pay due to an accusation of multiple criminal offenses that allegedly occurred while on a school-sponsored trip to Cape Cod, Massachusetts. Subsequently, he was suspended without pay effective September 1, 2007 due to an indictment of the criminal offenses. The alleged criminal misconduct allegedly occurred while he was chaperoning a school-sponsored trip to Cape Cod, Massachusetts on May 24, 2003. However, on March 14, 2011, by way of a jury trial Mr. Norton was found not guilty on all charges. Due to the accusation of crimes related to the school-sponsored Cape Cod trip, administrative charges followed. Specifically, it was concluded that Mr. Norton's behavior of feeding test answers to certain students, choosing untrained/inexperienced chaperones for school trips, allowing students to consume alcohol/marijuana, not informing students' parents of the alcohol/marijuana consumption, as well as having inappropriate sexual conversations with female students was highly inappropriate and unprofessional. Mr. Norton and the Lodi BOE entered into a Separation of Service Agreement dated October 20, 2011, wherein he agreed that he would tender an Irrevocable Letter of Resignation and agreed to not to seek any future employment with the Lodi BOE. By way of a New Jersey Department of Education, State Board of Examiners (Board of Examiners), Order of Suspension dated May 17, 2012, Mr. Norton's Teacher of Comprehensive Science Certificate was suspended pending the final agency action regarding this matter. On May 31, 2013, an Initial Decision of the Office of Administrative Law (OAL) was rendered revoking his teaching certificate. The Board of Examiners on September 20, 2013, adopted the Initial Decision of the OAL. On September 25, 2014, a Commissioner of Education Decision was issued sustaining the revocation of his teaching certificate. On September 20, 2016, the Superior Court of New Jersey, Appellate Division, affirmed the revocation of Mr. Norton's Teaching Certificate. After careful consideration, the Board found that Mr. Norton's misconduct was egregious, and continued for an extended period of time. The Board also found that the misconduct was directly related to his public duties, and the actions involved a high degree of moral turpitude.

³ Although a Service retirement is listed on Mr. Norton's application, the only benefit that he was eligible to apply for was a Deferred retirement.

HONORABLE SERVICE (continued)

Benjamin Norton – Lodi BOE – (continued)

After weighing the above factors, the Board determined that in accordance with N.J.S.A. 43:1-3, a total forfeiture of Mr. Norton's service and salary credited in the TPAF was appropriate in light of the serious nature of his continued misconduct. Therefore, his 14 years of TPAF service and salary were deemed dishonorable and he is not eligible for retirement benefits. In that regard, N.J.S.A. 43:1-3 states in pertinent part:

- a. The receipt of a public pension or retirement benefit is hereby expressly conditioned upon the rendering of honorable service by a public officer or employee.
- b. The board of trustees of any State or locally-administered pension fund or retirement system created under the laws of this State is authorized to order the forfeiture of all or part of the earned service credit or pension or retirement benefit of any member of the fund or system for misconduct occurring during the member's public service which renders the member's service or part thereof dishonorable and to implement any pension forfeiture ordered by a court pursuant to section 2 of P.L.2007, c.49 (C.43:1-3.1).
