* These issues are only applicable to cases reviewed under Patterson standard (mental-mental). The Russo Decision requires reasonable person/terrifying horror-inducing to be analyzed as one factor.
 ** Only applicable to cases filed beyond 5 years of the date of the incident

#1) T/P = permanently and totally disabled mentally or physically, from performing the regular assigned work duties and any other available job duties

#2) The disability is a direct result of a traumatic event that is: a) identifiable as to time and place, b) undesignated and unexpected, and c) caused by a circumstance external to the member (not the result of pre-existing disease that is aggravated or accelerated by the work).

If the event was non-physical, the member must also establish d) that the event that forms the basis for an accidental disability was objectively capable of causing a reasonable person in similar circumstances to suffer a disabling mental injury, based on a finding that the disability resulted from "direct personal experience of a terrifying or horror-inducing event that involves actual or threatened death or serious injury, or a similarly serious threat to the physical integrity of the member or another person."

#3) The event occurred during and as a result of the performance of the member's regular or assigned duties.

#4) The disability was not the result of the member's willful negligence; and

#5) The member is mentally or physically incapacitated from performing the usual or any other duty.

D/M = Delayed manifestation (due to the delayed manifestation of the disability or circumstances beyond the control of the member) cases must be considered on those applications filed beyond five years of the accident date, if the application was filed within a "reasonable time" following manifestation of the disability, based on the totality of the facts and circumstances of the case

 #2) The disability is a direct result of a traumatic event that is: a) identifiable as to time and place, b) undesignated and unexpected, and c) caused by a circumstance external to the member (not the result of pre-existing disease that is aggravated or accelerated by the work).

If the event was non-physical, the member must also establish d) that the event that forms the basis for an accidental disability was objectively capable of causing a reasonable person in similar circumstances to suffer a disabling mental injury, based on a finding that the disability resulted from "direct personal experience of a terrifying or horror-inducing event that involves actual or threatened death or serious injury, or a similarly serious threat to the physical integrity of the member or another person."

#3) The event occurred during and as a result of the performance of the member's regular or assigned duties.

HONORABLE SERVICE

Robert Baker – South River Borough – The Board considered all documentation in the record concerning the termination of Robert Baker from service to determine what impact, if any, it may have on Mr. Baker's application for an Early retirement benefit, in accordance with N.J.S.A. 43:1-3. N.J.S.A. 43:1-3 establishes 11 factors, which the Board is to consider and balance in view of the pension statutes when determining whether forfeiture or partial forfeiture of the pension service credit is appropriate. These factors are:

1. **The member's length of service;**
Robert Baker has 34 years and 5 months of service credit in the PERS;
2. **The basis of retirement;**
Robert Baker is eligible to apply for an Early retirement;
3. **The extent to which the member's pension has vested;**
Robert Baker was vested in the PERS for a January 1, 2020 retirement and was 56 years of age as of the date of his last pension contribution;
4. **The duties of the particular member;**
Robert Baker held the position of Water Operator. In this position, he performed the general duties of a maintenance person including operating various equipment and performing field work on the equipment;
5. **The member's public employment history and record covered under the retirement system;**
Robert Baker was enrolled in the PERS effective January 1, 1984, as a result of his employment with Roxbury Township as a Laborer. He continued to hold that title as of his termination on February 2, 2020;
6. **Any other public employment;**
None noted;
7. **The nature of the misconduct or crime, including the gravity or substantiality of the offense, whether it was a single or multiple offense and whether it was continuing or isolated;**
An Accusation dated January 17, 2020 charged Robert Baker with Count One- New Jersey Safe Drinking Water Act Violation- Third Degree. Specifically, on May 12, 2019 Robert Baker knowingly and purposefully made a false statement, representation or certification in a record or other document filed or required to be maintained by the New Jersey Safe Drinking Water Act when he obtained water samples, and falsely indicated four sampling locations and the times the samples were obtained on a chain of custody form and submitted the water samples to a testing laboratory. He failed to visit and collect water samples from 8 different he claimed were from all required locations, but submitted samples he claimed were from all required locations. The samples were tested and the results were submitted to the NJ Department of environmental Protection on May 30, 2019. On June 12, 2019, Robert Baker admitted to submitting samples with false times and locations on May 21, 2019, and other occasions. He was administratively suspended without pay effective immediately. The Board found that the misconduct was grave and substantial and occurred on numerous occasions over a period of time;
8. **The relationship between the misconduct and the member's public duties;**
Direct;

OPEN SESSION

HONORABLE SERVICE (continued)**Robert Baker – South River Borough – (continued)****9. The quality of moral turpitude or the degree of guilt or culpability, including the member's motives and reasons, personal gain and similar considerations;**

The Board noted the misconduct represented a high degree of guilt and culpability and was for his personal gain in that he would not have to do his assigned duties while still being paid;

10. The availability and adequacy of other penal sanctions;

Robert Baker pled guilty to Count One- New Jersey Safe Drinking Water Act Violation- Third Degree. He was sentenced to three years' probation, and on February 24, 2020, court order required that he forfeit public employment and was forever disqualified from holding any office or position of honor, trust or profit with State of New Jersey or any of its administrative or political subdivisions. The order also stipulated that if he attempted to obtain such public employment, he would be subject to an additional charge under N.J.S.A. 2C:29-9a (fourth degree contempt of court). Subsequently, Robert Baker's administrative status changed from suspension without pay to forfeiture of employment effective February 24, 2020;

11. Other personal circumstances relating to the member which bear upon the justness of forfeiture;

The Board noted the absence of Robert Baker at the Meeting. Furthermore, the offenses were a potential threat to the safe drinking water of New Jersey communities.

The record before the Board reveals that Mr. Baker was enrolled in the PERS effective January 1, 1984, as a result of his employment with Roxbury Township as a Laborer. On May 1, 2010, Mr. Baker transferred to South River Borough, where he remained until his termination on February 24, 2020. The Board noted that an Accusation dated January 17, 2020 charged Mr. Baker with Count One-New Jersey Safe Drinking Water Act Violation-Third Degree. Specifically, on May 12, 2019, Mr. Baker knowingly and purposefully made a false statement, representation or certification in a record or other document filed or required to be maintained by the NJ Safe Drinking Water Act. This occurred when Mr. Baker obtained water samples, and falsely indicated four sampling locations and the times the samples were obtained on a chain of custody form and submitted the water samples to a testing laboratory. The samples were tested and the results were submitted to the New Jersey Department of Environmental Protection on May 30, 2019. On June 12, 2019, Mr. Baker admitted to submitting samples with false times and locations on May 21, 2019 and other occasions. He was administratively suspended without pay effective immediately. Mr. Baker pled guilty to Count One-New Jersey Safe Drinking Water Act Violation-Third Degree. He was sentenced to three years' probation, and on February 24, 2020, a court order required that Mr. Baker forfeit public employment and forever disqualified him from holding any office or position of honor, trust or profit with State of New Jersey or any of its administrative or political subdivisions. The order also stipulated that if Mr. Baker attempted to obtain such public employment, he would be subject to an additional charge under N.J.S.A. 2C:29-9a (fourth degree contempt of court). Subsequently, Mr. Baker's administrative status changed from suspension without pay to forfeiture of employment effective February 24, 2020. After careful consideration in light of the statutory forfeiture provisions of N.J.S.A. 43:1-3, the Board found that Mr. Baker's misconduct was grave and substantial and occurred on numerous occasions over a continuous period of time. The Board found that the misconduct was directly related to Mr. Baker's employment. The Board further found that the misconduct involved a high degree of guilt and culpability. Therefore, the Board determined that a forfeiture of all service and salary credit earned in excess of thirty years would be an appropriate penalty in light of the serious nature of his misconduct.

James Bordone – Middlesex County College – The Board considered the personal statements of James Bordone and all documentation in the record concerning the administrative charges, which led to Mr. Bordone's dismissal from Passaic City to determine what impact, if any, it may have on his application for a Veteran's retirement benefit, in accordance with N.J.S.A. 43:1-3. In order for the Board to issue a decision on any case it considers, it must have a quorum. N.J.S.A. 43:15A-17 provides that "[E]ach trustee shall be entitled to one vote in the board and a majority of all the votes of the entire board shall be necessary for a decision by the board of trustees at a meeting of the board." (emphasis supplied). Unfortunately, the proposed action made with respect to Mr. Bordone's matter did not garner the required five votes in order for the motion to pass. Accordingly, consideration of Mr. Bordone's matter was rescheduled for the Board's May 18, 2022 meeting. (A motion was made by Trustee Bruno; seconded by Trustee O'Brien. Vote 4-1; Trustee Culliton nae. Therefore, the motion failed to carry. Thereafter, a motion to table the matter was made by Trustee Bruno; seconded by Trustee O'Brien.)

REQUEST TO REINSTATE FORMER PERS MEMBERSHIP

Robin Ripa – Hammonton Town – The Board considered the personal statements of Robin Ripa and all documentation in the record concerning Ms. Ripa's request to reinstate her former PERS membership account. The record before the Board reveals that Ms. Ripa was enrolled in her original PERS Tier 1 membership account effective May 1, 2005 as a result of her employment with the Town of Hammonton as a Clerk Typist. On August 26, 2013, Ms. Ripa transferred to the Buena Regional School District as a Secretary. Via letter dated May 12, 2014, the Buena Regional School District informed Ms. Ripa that they would not renew her contract for the 2014-2015 school year. On January 1, 2020, Ms. Ripa returned to public employment and began working for the Town of Hammonton (Hammonton) as a Part-Time Keyboarding Clerk 1. On June 1, 2021, Ms. Ripa was enrolled in her current PERS Tier 5 membership account as a result of her employment with Hammonton as a Planning Aide. Upon her enrollment with Hammonton, Ms. Ripa requested that she be re-enrolled in her expired PERS Tier 1 membership account. In a letter dated January 6, 2022, Niquisha Munko, Acting Chief of the Enrollment Bureau, advised that Ms. Ripa's original account expired on or about September 30, 2016, because no pension contributions were received for over two years after she left employment. See N.J.S.A. 43:15A-7(e). Ms. Munko also advised because Ms. Ripa's original PERS Tier 1 membership account had expired, she was now required to be enrolled in a new PERS Tier 5 membership account. Finally, Ms. Munko advised that because Ms. Ripa was not terminated, dismissed, or otherwise laid off, she was not eligible to extend the expiration of her original PERS Tier 1 membership account. Ms. Ripa has asserted that a Division employee, Donna Wood, advised that she would have 10 years to return to an eligible PERS position before her account would expire.

OPEN SESSION

REQUEST TO REINSTATE FORMER PERS MEMBERSHIP (continued)**Robin Ripa – Hammonton Town – (continued)**

The Division has no record of such a contact. However, this exception, provided by N.J.S.A. 43:15A-8 does not apply in a case where a member is not offered a contract renewal. The statute states, in pertinent part:

If a member of the retirement system has been discontinued from service without personal fault or through leave of absence granted by an employer or permitted by any law of this State and has not withdrawn the accumulated member's contributions from the retirement system, the membership of that member may continue, notwithstanding any provisions of this act if the member returns to service within a period of 10 years from the date of discontinuance from service.

[Ibid.]

Because Ms. Ripa was not terminated, dismissed, or otherwise laid off, her original PERS Tier 1 membership account is not eligible for the 10-year extension under N.J.S.A. 43:15A-8. Rather, Ms. Ripa separated from employment because her contract expired and was not renewed. The Board also noted that the Appellate Division recently affirmed a decision of the Board of Trustees, Teachers' Pension and Annuity Fund on this issue in Buskey v. Bd. of Trs., Teachers' Pension and Annuity Fund No. A3559-19 (App. Div. Nov. 22, 2021). The court held:

N.J.S.A. 18A:27-4.1 (b) states: "A board of education shall renew the employment contract of a certificated or non-certificated . . . employee only upon the recommendation of the chief school administrator" and a non-tenured . . . employee who is not recommended for renewal by the chief school administrator shall be deemed non-renewed. Accordingly, in Pascack Valley, the Court held non-tenured employees "have no right to renewal of their [employment] contracts. 192 N.J. at 492. "These employees are then considered 'non-renewed' rather than terminated or dismissed. "ID at 493 (citing N.J.S.A. 18A:27-4.1 (b). To underscore the point, the Court distinguished between employees who are terminated and those whose contracts are simply not renewed. See id. at 492-93. This mirrored the Court's findings in other cases that the term "layoff" connotes involuntary dismissal during the term of a contract, and is not applicable to the non-renewal of a particular employee's appointment at the end of a fixed term. Camden Bd. Of Education v. Alexander, 181 NJ.187, 200 (2004) (superseded on other grounds by N.J.S.A. 34:13A-5.3).

In light of the statute and case law, the Board denied Ms. Ripa's request to reinstate her former PERS Tier 1 membership account. (Motion made by Trustee Bruno; seconded by Trustee Winthers.)

OPEN SESSION

REQUESTS A RETROACTIVE RETIREMENT DATE

(A motion was made by Trustee Bruno to adopt Resolution B and enter into Executive Session; seconded by Trustee O'Brien. A motion was made to enter back into Open Session by Trustee Bruno; seconded by Trustee O'Brien.)

Renee Martins – Trenton Psychiatric Hospital – The Board considered the personal statements of Renee Martins and all documentation in the record concerning Ms. Martins' request to begin receiving her Ordinary Disability retirement benefit as of November 1, 2019, notwithstanding that she did not attain 10 years of service credit prior to that date. Because Ms. Martins did not have the requisite 10 years of PERS service credit in her account until December 2021, at which point all Worker's Compensation service credit was added to Ms. Martins' account, as well as the purchase of service credit from 2009, the Division found that Ms. Martins is not eligible to receive her Ordinary Disability retirement benefit until January 2022, the first possible date after she attained the requisite 10 years of PERS service credit in her account. The record before the Board reveals that Ms. Martins applied for an Accidental Disability retirement benefit on or about August 1, 2019. The Board considered Ms. Martins' application at its meeting of May 20, 2020, and denied her application for Accidental Disability retirement benefits under N.J.S.A. 43:15A-43. The Board also found that Ms. Martins was totally and permanently disabled from performing her regular assigned work duties, but that she lacked the requisite 10 years of PERS service credit to qualify for an Ordinary Disability retirement benefit. In its letter of May 21, 2020, the Board advised that if Ms. Martins received a Worker's Compensation award or if she were eligible to purchase additional PERS service credit sufficient to obtain the requisite years of credit necessary for an Ordinary Disability retirement benefit, she would then qualify for that benefit. Subsequently, Ms. Martins was granted additional service credit as a result of the Workman's Compensation Award(s) she received in 2021, but the service credit from those awards still did bring her account to 10 years. It was only after Ms. Martins' lump sum purchase of 28 bi-weekly pay periods in December 2021 that she established 10 years of PERS service credit in her account, and thus became eligible for Ordinary Disability retirement benefits effective January 1, 2022. N.J.A.C. 17:2-5.13 states:

If a purchase is paid in a lump sum, the member shall receive full credit for the amount of service covered by the purchase upon receipt of the lump sum payment. The service may be used for any purchase for which it is authorized under the Public Employees' Retirement System Act (N.J.S.A. 43:15A-1 et seq.) and this chapter.

Thus, Ms. Martins became eligible for an Ordinary Disability retirement benefit the first day of the next month following her lump sum purchase, or January 1, 2022. Because Ms. Martins did not qualify for Ordinary Disability retirement benefits prior to the time that she made her lump sum purchase payment in December 2021, she is not eligible to receive any retirement benefits prior to that time. This matter is controlled by N.J.S.A. 43:15A-42, which states, in pertinent part:

A member, under 60 years of age, who has 10 or more years of credit for New Jersey service, shall, upon the application of the head of the department in which he shall have been employed or upon his own application or the application of one acting in his behalf, be retired for ordinary disability by the board of trustees. The physician or physicians designated by the board shall have first made a medical examination of him at his residence or at any other place mutually agreed upon and shall have certified to the board that the member is physically or mentally incapacitated for the performance of duty and should be retired.

OPEN SESSION

REQUESTS A RETROACTIVE RETIREMENT DATE (continued)**Renee Martins** – Trenton Psychiatric Hospital – (continued)

It remains undisputed that Ms. Martins did not attain the 10 years of PERS-service credit until December 2021, and therefore she was properly considered eligible for Ordinary Disability retirement benefits as of the next month after so qualifying. Accordingly, after careful consideration, the Board voted to deny Ms. Martins' request to receive Ordinary Disability retirement benefits prior to attaining 10 years of service credit as required under N.J.S.A. 43:15A-42. (Motion made by Trustee Bruno; seconded by Trustee Smith.)

APPEALS THE BOARD'S DENIAL OF DEFERRED RETIREMENT BENEFITS DUE TO DISMISSAL FOR CAUSE AND APPEALS THE AMOUNT OF INTEREST ON PENSION CONTRIBUTIONS

Lambros Vlachakis – New Brunswick City – The Board considered the personal statements of Lambros Vlachakis and all relevant documentation in the record concerning Mr. Vlachakis' appeal of the Board's January 19, 2022, decision, in which it found that he is not eligible for a Deferred retirement benefit because he was removed for cause directly related to his employment in accord with N.J.S.A. 43:15A-38. The Board affirmed its prior decision and directed the Secretary to draft a Final Administrative Determination for review at its meeting of May 18, 2022. At the January 19, 2022, meeting, Mr. Vlachakis requested that he be paid interest on his accumulated pension deductions during the time period in which the Division investigated the circumstances leading up to his termination. Because the Division had not yet considered Mr. Vlachakis' request for interest, the Board referred his inquiry to Niquisha Munko, Acting Chief of the Enrollment, Purchase, Adjustments, Loan and Withdrawal Bureau for review and response. In a letter dated March 4, 2022, Ms. Munko advised that at the time Mr. Vlachakis' employment ended on May 18, 1998, his membership account in the PERS was credited with a total of 11 years and 5 months of PERS service credit. Ms. Munko further advised that interest accrues "on active membership accounts only." Thus, interest on Mr. Vlachakis' accumulated deductions was discontinued two years after his final pension contribution in 1998. The Board noted N.J.S.A. 43:15A-41(a), which states

- a. A member who withdraws from service or ceases to be an employee for any cause other than death or retirement shall, upon the filing of an application therefor, receive all of his accumulated deductions standing to the credit of his individual account in the annuity savings fund, plus regular interest, less any outstanding loan, except that for any period after June 30, 1944, the interest payable shall be such proportion of the interest determined at the regular rate of 2% per annum bears to the regular rate of interest, and except that no interest shall be payable in the case of a member who has less than three years of membership credit for which he has made contributions. He shall cease to be a member two years from the date he discontinued his service as an eligible employee, or, if prior thereto, upon payment to him of his accumulated deductions.

After careful consideration of Mr. Vlachakis' request in light of the above factual record, the Board denied his request for additional interest payments after his final pension contribution in 1998.

OPEN SESSION

APPEALS THE BOARD'S DENIAL OF DEFERRED RETIREMENT BENEFITS DUE TO DISMISSAL FOR CAUSE AND APPEALS THE AMOUNT OF INTEREST ON PENSION CONTRIBUTIONS (continued)

Lambros Vlachakis – New Brunswick City – (continued)

Finally, Mr. Vlachakis requested additional information concerning the total amount of monies available for withdrawal from his PERS account. Mr. Vlachakis received a letter dated February 1, 2017, which indicated he was eligible to withdraw \$17,323.25. A letter dated May 16, 2021, indicated that he was eligible to withdraw \$11,411.61. This type of letter is sent to all members nearing retirement age to advise that they may be eligible for a retirement benefit. Unfortunately, when the program was run in 2017 in order to find eligible individuals, a subset of Mr. Vlachakis' total monies available, \$5,911.64, was included in the overall calculation twice. The correct amount of Mr. Vlachakis' accumulated deductions available for withdrawal was \$11,411.61, as reflected in the Division's May 16, 2021, letter. Mr. Vlachakis is eligible to withdraw his accumulated pension contributions remitted during active membership. (Motion made by Trustee Bruno; seconded by Trustee Smith.)

REQUEST TO CHANGE RETIREMENT OPTION FROM MAXIMUM TO OPTION 2

Michael Novelli – Rutgers University – The Board considered the personal statements of Michael Novelli and all documentation in the record concerning Mr. Novelli's request to change his retirement option selection from the Maximum Option to Option 2. After careful consideration, the Board denied the request. In making its determination, the Board relied on N.J.A.C. 17:2-6.3, which states in pertinent part:

- (a) Except as provided by N.J.A.C. 17:2-6.1 and 6.7, a member shall have the right to withdraw, cancel, or change an application for retirement at any time before the member's retirement allowance becomes due and payable through MBOS or by sending a written request signed by the member. Thereafter, the retirement shall stand as approved by the Board.

The record before the Board establishes that on November 8, 2021, via his Member Benefits Online System (MBOS) account, Mr. Novelli submitted an *Application for Retirement Allowance* for an Early retirement effective December 1, 2021, under the Maximum Option. In accordance with the aforementioned regulation, Mr. Novelli had 30 days from the date of the Board approval, or the effective date of retirement, whichever is later, to make a change to his retirement application. Therefore, the deadline to make any changes would have been January 7, 2022. At its meeting on December 8, 2021, the Board approved Mr. Novelli's retirement effective December 1, 2021, under the Maximum Option. However, after the receipt of his first pension check Mr. Novelli requested that his retirement option be changed from the Maximum Option to Option 2 via letter dated February 5, 2022. Mr. Novelli asserts that he was unaware of his selection of the Maximum Option as well as the 30-day period during which he was eligible to change his option selection. The Board notes that N.J.A.C. 17:2-6.1(a) states that "[a]pplications for retirement must be made over the Internet, using the online forms required by the System through a member's secure account established through the Member Benefits Online System (MBOS). Such forms must be completed in all respects and filed with the Division before the requested date of retirement..." Next, N.J.A.C. 17:2-6.1 (d) states that "[a] member shall, on the retirement application, select one of nine ways (options) to receive retirement benefits..."

OPEN SESSION

REQUEST TO CHANGE RETIREMENT OPTION FROM MAXIMUM TO OPTION 2 (continued)

Michael Novelli – Rutgers University – (continued)

Therefore, on the option selection page of his MBOS retirement application, the various options and their respective explanations were presented to Mr. Novelli to make his retirement option selection. Regarding the Maximum Option, the option selection page indicates:

NO PENSION BENEFIT TO BENEFICIARY – Largest allowance paid to you with no pension benefit to a beneficiary upon your death. (emphasis on the original application page)

Accordingly, Mr. Novelli would have had to make an option selection in order to submit the application. Further, the Board noted that Mr. Novelli was made aware of his option selection and/or the 30-day period during which he was eligible to amend his retirement option selection on multiple occasions after he submitted his online application. First, as required by law, by letter dated November 9, 2021, the Division notified Mr. Novelli's spouse, Hadeel Novelli that:

... your spouse/civil union/domestic partner has selected the Maximum retirement allowance. Under this choice, the monthly retirement allowance is payable for the lifetime of the member only. Therefore, you will not receive any pension payments in the event of the death of your spouse/civil union/domestic partner.

Next, a *Quotation of Retirement Benefits*, dated December 6, 2021, provided Mr. Novelli with the calculation for his retirement under the Maximum Option, with Ms. Novelli listed as his pension beneficiary, and noted that his selection would result in "[N]o benefit payable to a beneficiary." The quotation also stated:

Once you retire, you cannot change your payment method option. If you chose payment method options A, B, C, D, 2, 3, 4 **Under no circumstances can you change your beneficiary selection once you retire, even if your beneficiary dies before you. You have the right to withdraw, cancel, or change your application for retirement at any time before the later of 30 days after your retirement date or 30 days after the Board of Trustees approves your retirement.**

[(Emphasis in original.)]

Next, at its meeting on December 8, 2021, the Board approved Mr. Novelli's Early retirement effective December 1, 2021 under the Maximum Option. The letter dated December 8, 2021, advised Mr. Novelli of the approval and included the following language regarding changes to his retirement application:

In accordance with law, you have until thirty days after (A) the effective date of your retirement, or (B) the date your retirement was approved by the Board of Trustees, whichever is the later date, to make any changes to your retirement.

For these reasons, the Board denied Mr. Novelli's request to change his retirement option selection from Maximum Option to Option 2. (Motion made by Trustee Bruno; seconded by Trustee O'Brien.)

However, prior to the meeting, Mr. Lynch's attorney, Gabrielle L. Strich, requested a postponement until the Board's September 21, 2022, meeting, in order to allow her sufficient time to prepare her client's case for presentation. Robert Miller – South Woods Prison-Dept. of Corrections – The Board considered the following documents in the appeal of attorney, Steven L. Rothman, on behalf of his client, Robert Miller: the Initial Decision of Administrative Law Judge (ALJ) Elaine B. Frick, dated March 1, 2022;¹ and all exhibits. Thereafter, the Board adopted the ALJ's decision, thereby reversing its original determination. Accordingly, the Board approved Mr. Miller for Accidental Disability retirement benefits effective August 1, 2018 under his selection of the Maximum Option. (Motion made by Trustee Bruno; seconded by Trustee O'Brien.)

Elizabeth Cubbage – Cumberland County – The Board considered the following documents in the appeal of attorney, Jason E. Belin, dated March 16, 2022; all exhibits; exceptions filed by Deputy Attorney General (DAG) Porter Strickler, dated March 28, 2022; and reply to exceptions filed by Jason S. Sokolowski, Esq., dated April 11, 2022. The Board noted the exceptions and the reply to exceptions. Thereafter, the Board modified the decision to remove the ALJ's incorrect statement on page 21 that "since the petitioner did not apply for ordinary disability retirement benefits this tribunal would be unable to grant such benefits" if the petitioner was disabled but not eligible for Accidental Disability retirement benefits. With this modification, the Board adopted the ALJ's decision, thereby reversing its original determination. Accordingly, the Board approved Ms. Cubbage for Accidental Disability retirement benefits effective July 1, 2016 under her selection of Option D. (Motion made by Trustee Bruno; seconded by Trustee Winthers.)

¹ The Board requested and was granted an extension of time to issue its final administrative determination.

Gaylord, on behalf of his client, Joseph Vas: the Initial Decision of Administrative Law Judge (ALJ) Sarah G. Crowley, dated March 17, 2022; and all exhibits. Thereafter, the Board adopted the ALJ's decision affirming the Board's total forfeiture of Mr. Vas' service and salary credit. Mr. Vas is eligible to withdraw his accumulated pension contributions remitted during active membership. (Motion made by Trustee Bruno; seconded by Trustee Winthers.)

(A motion was made by Trustee Bruno to adopt Resolution B and enter into Executive Session; seconded by Trustee O'Brien. A motion was made to enter back into Open Session by Trustee Bruno; seconded by Trustee Winthers.)

REQUEST TO REINSTATE APPEAL OF THE BOARD'S DENIAL OF ORDINARY DISABILITY RETIREMENT BENEFITS TO THE OAL

Donald Ecret – Salem County – The Board considered the personal statements of attorney, Ariel E. Givner, on behalf of her client, Donald Ecret, and all documentation in the record concerning Mr. Ecret's request to reinstate his appeal of the Board's denial of Accidental Disability retirement benefits to the Office of Administrative Law (OAL). By way of background, at its June 19, 2019 meeting, the Board considered and denied Mr. Ecret's application for Accidental Disability retirement benefits. Mr. Ecret filed a timely appeal and thus, at its September 18, 2019 meeting, the Board approved a hearing in the OAL. By Order dated September 27, 2021, the Administrative Law Judge dismissed Mr. Ecret's appeal for lack of prosecution. In her submission and statement to the Board, Ms. Givner explained that it was Mr. Ecret's former counsel's lack of attention to the case, which led to the dismissal. After careful consideration, the Board approved the transmittal of Mr. Ecret's appeal of the Board's denial of Accidental Disability retirement benefits back to the OAL. (Motion made by Trustee Bruno; seconded by Trustee Winthers.)

The Board originally denied Ms. Williams' request at its meeting of August 18, 2021. After a Civil Appeal Settlement Program meeting with counsel, DAG Kelly requested that the Board reconsider this matter in light of the comments made by the Judge during the conference. OPEN SESSION

APPEALS THE BOARD'S DENIAL OF DEFERRED RETIREMENT BENEFITS DUE TO DISMISSAL FOR CAUSE

(A motion was made by Trustee O'Brien to adopt Resolution B and enter into Executive Session; seconded by Trustee Smith. A motion was made to enter back into Open Session by Trustee O'Brien; seconded by Trustee Smith.)

Judy Thorpe – Juvenile Justice Commission Central Office – The Board considered the personal statements of attorney, Samuel J. Halpern, on behalf of his client, Judy Thorpe, and all relevant documentation in the record concerning Ms. Thorpe's appeal of the Board's denial of Deferred retirement benefits. By way of background, at its July 21, 2021 meeting, the Board found that because Ms. Thorpe was removed for cause directly related to her employment, she is not eligible for a Deferred retirement benefits, and denied her retirement application under the provisions of N.J.S.A. 43:15A-38. See also In re Hess, 422 N.J. Super. 27 (App. Div. 2011). Ms. Thorpe filed a timely appeal. Thereafter, at its October 20, 2021 meeting, the Board was prepared to consider Ms. Thorpe's appeal but tabled the matter until she had sufficient time to consult with an attorney. Ms. Thorpe was granted two subsequent adjournments. After careful reconsideration of the circumstances under which Ms. Thorpe was removed from employment, the Board reaffirmed its previous determination to deny Deferred retirement benefits. Further, finding no genuine issue of material fact in dispute, the Board denied a hearing the Office of Administrative Law. Therefore, the Board has directed the Secretary, in conjunction with the Attorney General's Office, to draft a detailed Findings of Fact and Conclusions of Law that will formally outline the Board's decision and become the Board's final administrative determination. (Motion made by Trustee O'Brien; seconded by Trustee Smith.)

APPEALS THE BOARD'S PARTIAL FORFEITURE OF SERVICE AND SALARY CREDIT

Valerie Jeter – East Jersey State Prison – The Board considered the personal statements of Valerie Jeter and all documentation in the record concerning Ms. Jeter's appeal of the Board's determination made at its January 19, 2022 meeting. At said meeting, pursuant to the statutory forfeiture provisions of N.J.S.A. 43:1-3, the Board determined that a forfeiture of Ms. Jeter's final year of service and salary credit was an appropriate penalty in light of her misconduct. Accordingly, Ms. Jeter's final year of service and salary credit was excluded from the Division's recalculation of her monthly retirement benefit. The resultant decrease was retroactive to her effective retirement date of August 1, 2019. After careful reconsideration, the Board affirmed its previous determination and approved a hearing in the Office of Administrative Law. (Motion made by Trustee O'Brien; seconded by Trustee Smith.)

APPEALS THE BOARD'S DENIAL OF ACCIDENTAL DISABILITY RETIREMENT BENEFITS

(A motion was made by Trustee Bruno to adopt Resolution A and enter into Closed Session; seconded by Trustee O'Brien. A motion was made to enter back into Open Session by Trustee Smith; seconded by Trustee O'Brien.)

Griselda Manjarres – DHS Central Payroll Office – The Board considered the personal statements of attorney, Timothy J. Prol, Mr. Prol's submission dated March 3, 2022, as well as the personal statements of Dawn Lewis, Supervisor, Disability Review Section, concerning the application for Accidental Disability retirement benefits submitted by Mr. Prol's client, Griselda Manjarres. By way of background, the Board originally considered and denied Ms. Manjarres' application at its January 19, 2022 meeting. Although the Board found that Ms. Manjarres is totally and permanently disabled from the performance of her regular assigned work duties due to a psychological condition, the Board determined that her disability is not the direct result of the January 18, 2017 incident on which she based her application. Rather, the Board found that her disability is associated with pre-existing conditions and found that said incident did not satisfy the Patterson requirement.

OPEN SESSION

**APPEALS THE BOARD'S DENIAL OF ACCIDENTAL DISABILITY RETIREMENT BENEFITS
(continued)**

Griselda Manjarres – DHS Central Payroll Office – (continued)

The Board granted Ms. Manjarres Ordinary Disability retirement benefits effective March 1, 2021, under her selection of the Maximum Option. Mr. Prol requested that the Board consider Ms. Manjarres' application for Accidental Disability retirement benefits based upon an orthopedic condition. After careful consideration, the Board remanded Ms. Manjarres' application to the Disability Review Section to schedule an Independent Medical Examination with a specialist in the field of orthopedics contingent upon receipt of the necessary medical documentation including a respective Personal or Treating Physician Report. (Motion made by Trustee Culliton; seconded by Trustee O'Brien.)

William Green – Woodbine Developmental Center – Appeals the Board's denial of Accidental Disability retirement benefits. (Motion made by Trustee O'Brien; seconded by Trustee Winthers.)

HEARING REQUEST/DENIED

The Board reviewed the following member's request for a hearing in the Office of Administrative Law and denied, essentially for the reasons set forth previously by the Board. Therefore, the Board has directed the Secretary, in conjunction with the Attorney General's Office, to draft a detailed Findings of Fact and Conclusions of Law that will formally outline the Board's decision and become the Board's final administrative determination.

Mitchell Dinnerstein – Rowan College at Burlington County – Appeals the Board's denial of Deferred retirement benefits due to dismissal for cause. (Motion made by Trustee O'Brien; seconded by Trustee Winthers.)

REQUEST FROM MICHELLE RONGA FOR A MONTHLY SURVIVOR BENEFIT

(A motion was made by Trustee Winthers to adopt Resolution B and enter into Executive Session; seconded by Trustee O'Brien. A motion was made to enter back into Open Session by Trustee Winthers; seconded by Trustee O'Brien.)

James Ronga (deceased) – Hoboken City – The Board considered the personal statements of attorney, Amy B. Harris, the personal statements of Ms. Harris' client, Michelle Ronga, and all documentation in the record concerning the request of Ms. Harris for Ms. Ronga to receive a monthly survivor benefit proceeding with the death of her former spouse James Ronga. After careful review, the Board denied the request. The record before the Board establishes that by letter dated February 10, 1999, Ms. Ronga provided a copy of the February 24, 1997, Dual Judgement of Divorce in the matter of James Ronga v. Michelle Ronga (Judgement) to Peter Gorman, then Executive Assistant with the Division. In said letter, Ms. Ronga mentioned two stipulations of the Judgement; one pertaining to Ms. Ronga receiving a portion of Mr. Ronga's pension benefit via a Qualified Domestic Relations Order (QDRO) and the other being Mr. Ronga agreeing to elect a survivor benefit for Ms. Ronga with the options available from the fund.

OPEN SESSION

REQUEST FROM MICHELLE RONGA FOR A MONTHLY SURVIVOR BENEFIT (continued)

James Ronga (deceased) – Hoboken City – (continued)

In response, by letter dated May 27, 1999, Mr. Gorman advised that in order for the Division to implement any type of alimony, support or equitable distribution withholdings against a retiree's monthly allowance, the Division must receive an appropriate, executed court order and noted that a QDRO was not included with Ms. Ronga's correspondence. Regarding the retirement option selection, Mr. Gorman wrote:

Please be advised that we do not have the authority to implement or guarantee the implementation of the provisions that Mr. Ronga will select a retirement option at the time of his retirement that designates you as a beneficiary under that retirement option. We will attempt to remind Mr. Ronga about any obligation that he may have under any court order within our files concerning such irrevocable designations, but if he is insistent upon making a 'contrary' designation or selection even after being informed about any court orders within our possession to the contrary, we must process those "contrary" selections or designations. The only recourse that you might have would be possible litigation in order to resolve such a situation.

The record further establishes that on June 26, 2009, James Ronga filed an *Application for Retirement Allowance* for a July 1, 2009 Service retirement under the Maximum Allowance, which provides no survivor benefit. At its meeting on October 21, 2009, the Board approved Mr. Ronga's retirement. N.J.A.C. 17:2-6.3(a), states, "a member shall have the right to withdraw, cancel, or change an application for retirement at any time before the member's retirement allowance becomes due and payable..." A retirement allowance becomes "due and payable" after "30 days have elapsed following the effective date or the date the Board met and approved the change in the member's retirement application, whichever is later. N.J.A.C. 17:2-6.3(b). In April 2012, approximately three years after Mr. Ronga's retirement application was approved by the Board, the Division received a Domestic Relations Order (DRO), dated April 19, 2012, between Mr. Ronga and Ms. Ronga. Item 8 of the DRO outlined the equitable distribution withholding formula the Division was to apply to determine the monthly amount Ms. Ronga was entitled to receive from Mr. Ronga's monthly retirement benefit during his lifetime. Item 13 of the DRO required Mr. Ronga to elect Option 4 so that upon his passing, Ms. Ronga would receive the same monthly amount for the remainder of her lifetime. Thereafter, the Division established an account for Ms. Ronga, under which she received a monthly equitable distribution payment in the amount of \$1,488.26. However, as Mr. Ronga's retirement had become due and payable almost three years earlier, the Division could not implement the stipulation regarding the retirement option. Mr. Ronga passed away on December 11, 2020. Accordingly, Ms. Ronga's equitable distribution payment ended with the check dated December 1, 2020.² While the Board certainly empathizes with Ms. Ronga, there is no mechanism for the Board to pay her a monthly survivor benefit. Mr. Ronga had been retired and his retirement application, along with his beneficiary option, had been approved for almost three years prior to the Division's receipt of the DRO.

² The Board also notes that both Mr. and Ms. Ronga received a benefit in excess of what they would have been entitled to had Mr. Ronga selected the Option 4 survivor benefit.

OPEN SESSION

REQUEST FROM MICHELLE RONGA FOR A MONTHLY SURVIVOR BENEFIT (continued)

James Ronga (deceased) – Hoboken City – (continued)

Accordingly, the Board denied Ms. Harris' request for Ms. Ronga to receive a monthly retirement option after the passing of her former spouse. (Motion made by Trustee Winthers; seconded by Trustee O'Brien.)
